

LIVALL MC1 Pro

Livall MC1 Pro Motorcycle Helmet Instruction Manual

Model: MC1 Pro | Brand: LIVALL

1. INTRODUCTION

Introducing the Livall MC1 Pro, a cutting-edge motorcycle helmet crafted from high-strength carbon fiber for unmatched durability and protection. With its patented fall detection system and real-time GPS positioning, the MC1 Pro automatically sends an SOS alert in case of an impact, ensuring your safety on every ride. Weighing approximately 3.64 lbs (1,650g), the MC1 Pro offers a feather-light design with adjustable air inlets for superior ventilation. Available in two sizes—Large (22.83-23.22 in/58-59 cm) and XL (23.62-24.01 in/60-61 cm)—it provides a snug fit tailored to your head size, enhancing comfort and security. Equipped with an intelligent LED lighting system, the MC1 Pro ensures maximum visibility in low-light conditions, such as night rides and foggy weather. Its integrated Bluetooth intercom, high-fidelity speakers, and noise-cancelling microphone allow clear communication with up to 5 users at a distance of up to 0.75 miles (1.2 km), while the BR60 wireless remote control offers convenient control over your audio and video system. In conclusion, the Livall MC1 Pro combines innovative technology, superior comfort, and sleek design to redefine motorcycle safety and connectivity. Choose the MC1 Pro for a safer, more enjoyable riding experience.

2. KEY FEATURES

- **360° Safety & Intelligent Connectivity:** Experience unmatched safety with the Livall MC1 Pro, our cutting-edge motorcycle helmet crafted from high-strength carbon fiber. Featuring a Full HD camera, Bluetooth intercom, SOS alert system, and intelligent LED lighting, this helmet ensures maximum visibility and protection on the road.
- **Patented Fall Detection & SOS Alert:** Elevate your safety with the MC1 Pro's patented fall detection system and real-time GPS positioning. In the event of an impact, the helmet automatically activates an emergency signal, sending an SOS alert with your current GPS location to your designated contacts through the LIVALL Riding App.
- **Integrated Bluetooth & Wireless Connectivity:** Stay connected on the road with the MC1 Pro's integrated Bluetooth intercom, high-fidelity speakers, and noise-cancelling microphone. Additionally, control your audio and video system effortlessly with the BR60 wireless remote control, allowing communication between up to 5 users at a distance of up to 0.75 miles (1.2 km).
- **Advanced Material & Fit:** The MC1 Pro is constructed from high-strength and lightweight carbon fiber, with an advanced EPS foam inner shell for excellent impact absorption. Available in two sizes, Large (22.83-23.22 in/58-59 cm) and XL (23.62-24.01 in/60-61 cm), it provides a tailored fit to accommodate various head sizes, ensuring a snug and secure fit for every rider.
- **Intelligent Power Management & Full HD Camera:** The MC1 Pro introduces Auto-Standby and Auto-Wakeup

modes for efficient power management. When stationary, the helmet automatically enters sleep mode to conserve power, while a simple shake wakes it up. Additionally, the integrated 1080p Full HD camera records your journeys with a 120-degree viewing angle, capturing every moment with clarity.

3. PACKAGE CONTENTS

The Livall MC1 Pro package includes:

- 1 x Livall MC1 Pro Motorcycle Helmet
- 1 x Instruction Manual
- 1 x USB-C to 4P Cable
- 1 x BR60 Wireless Remote Control (as implied by feature bullets)

Image: Contents of the Livall MC1 Pro package, including the helmet, remote control, charging cables, and instruction manual.

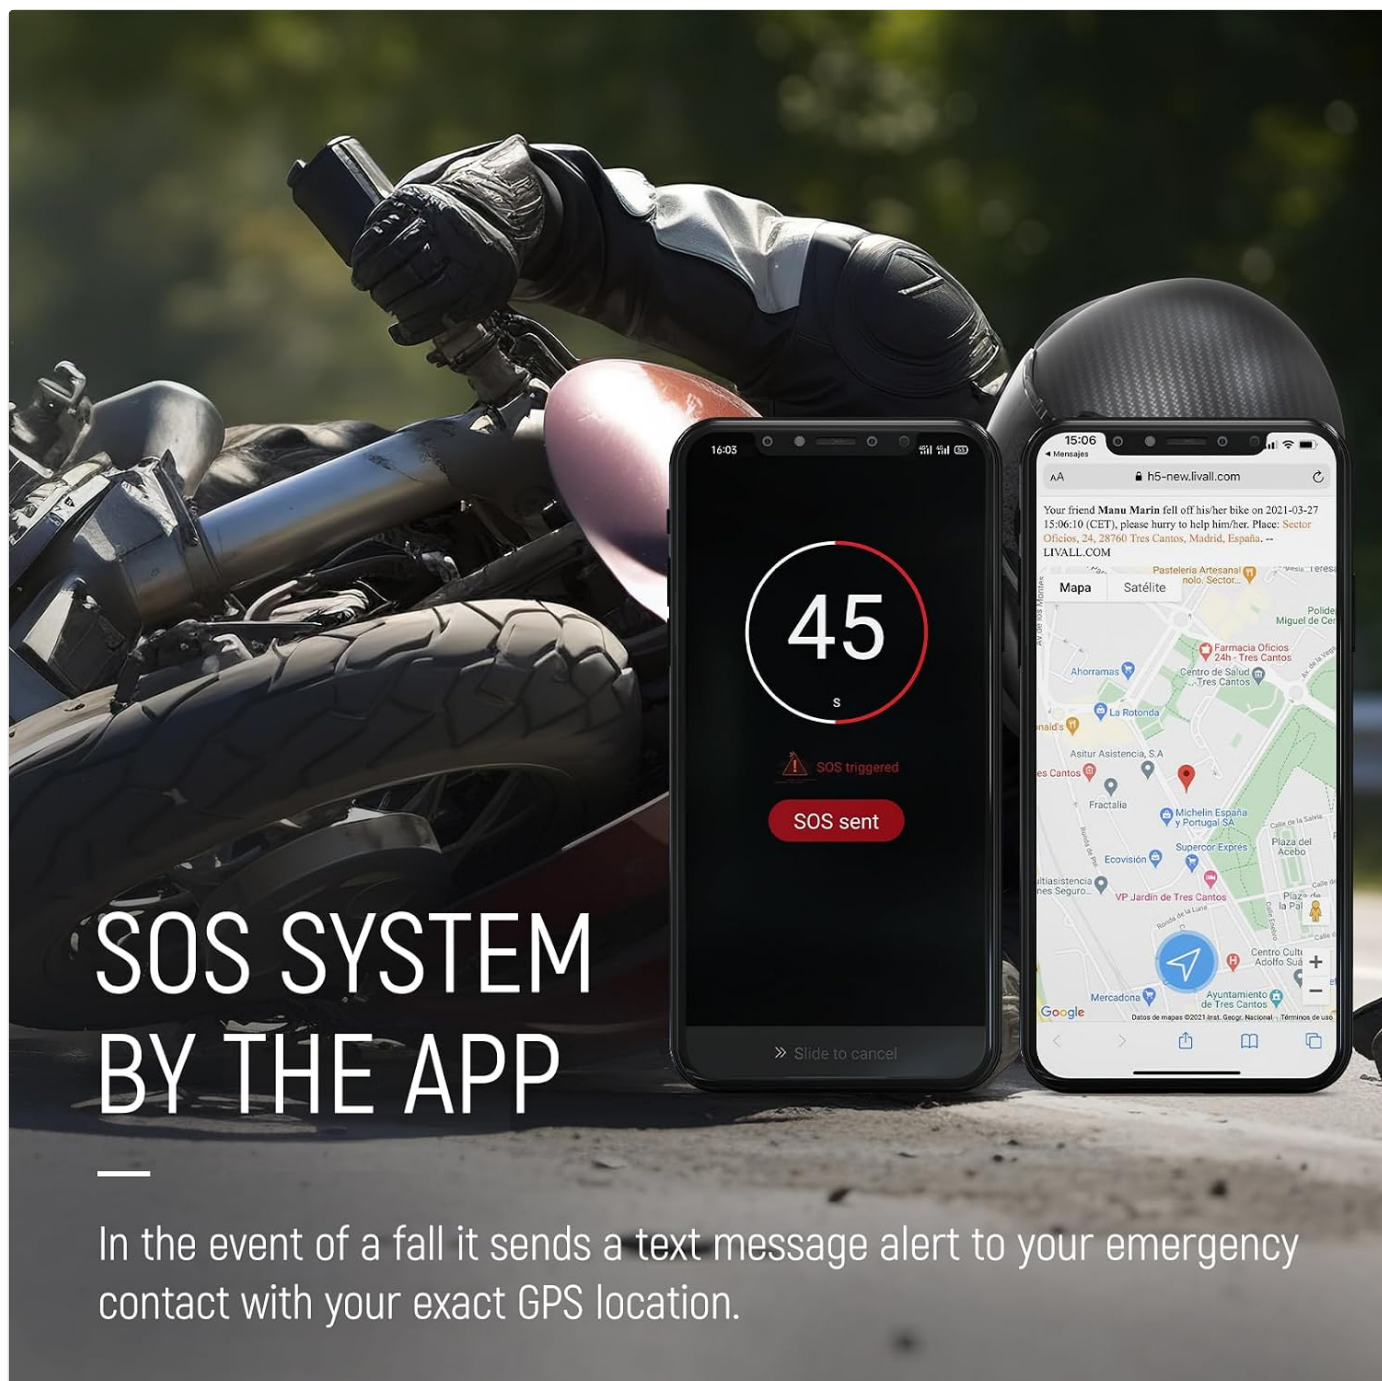

4. SETUP

4.1. Helmet Fit and Sizing

Ensure your helmet fits correctly for maximum safety and comfort. The MC1 Pro is available in two sizes:

- **Large:** 22.83-23.22 in / 58-59 cm
- **XL:** 23.62-24.01 in / 60-61 cm

To measure your head circumference, use a soft ruler to pass the forehead brow bone and the back of the head to make a circle around the head (hair should be included). If your head circumference falls between sizes, it is recommended to choose the larger size for comfort.

SOS SYSTEM BY THE APP

In the event of a fall it sends a text message alert to your emergency contact with your exact GPS location.

Image: Visual guide for measuring head circumference and selecting the appropriate helmet size.

4.2. Initial Charging

Before first use, fully charge your Livall MC1 Pro helmet using the provided USB-C to 4P cable. Connect the cable to the helmet's charging port and a compatible USB power source. A full charge takes approximately 3 hours and provides up to 10 hours of extended battery life.

4.3. LIVALL Riding App Installation

For full functionality, download and install the LIVALL Riding App on your smartphone. The app enables features such as SOS alerts, GPS tracking, and advanced settings for your helmet.

5. OPERATING INSTRUCTIONS

5.1. Power Management (Auto-Standby/Auto-Wakeup)

The MC1 Pro features intelligent power management. When stationary, the helmet automatically enters sleep mode to conserve power. A simple shake will wake it up, ready for use.

5.2. Full HD Camera Operation

The integrated 1080p Full HD camera records your journeys with a 120-degree viewing angle. Use the BR60 wireless remote control or the LIVALL Riding App to start and stop recordings. The camera supports 10 hours of recording for storage.

Never Run Out Of Battery

- 3-hour fast charging
- Extended battery life mode for up to 10 hours

Image: Depicts the maximum intercom distance for group communication among riders.

5.4. SOS Alert System

The patented fall detection system automatically sends an SOS alert with your current GPS location to designated contacts through the LIVALL Riding App in case of an impact.

Video Recording

- 120 Degrees FPV

- 1080P Video Quality

- 10hrs Recording For Storage

- Stable USB Transmission

Design and Details

- Double D-ring Buckle

- Vintage Style

- Comfortable Liner

- Adjustable Ventilation System

6. MAINTENANCE

6.1. Cleaning the Helmet

To clean the exterior of your helmet, use a soft cloth dampened with mild soap and water. Avoid abrasive cleaners or solvents that could damage the carbon fiber shell or visor. The helmet features a removable liner for easy cleaning.

FIT GUIDE

DESIGNED FOR ALL GENDERS BODIES

XL 60-61cm / 23.6-24.1in

L 58-59cm / 22.8-23.2in

Measure Your Head Size, Choose the Right Helmet

1.FIND A MEASURING TOOL
Find a flexible measuring tape or a piece of string and a straight ruler .

2.MEASURE
Wrap the cord around your head just above the eyebrows.

3.FIND YOUR BEST FIT
Then select the helmet size that is closest to the size chart.

NOTE : If Your Head Circumference Falls Between Sizes, Go Bigger !

Image: Illustrates the removable liner for convenient cleaning and maintenance.

6.2. Battery Care

To prolong battery life, avoid fully discharging the helmet's battery frequently. Charge it regularly, especially if storing for extended periods. The helmet supports 3-hour fast charging.

7. TROUBLESHOOTING

If you encounter issues with your Livall MC1 Pro helmet, please refer to the following common solutions:

- **Connectivity Issues (Computer/Phone):** Ensure the USB-C to 4P cable is securely connected to both the helmet and your device. Short press the helmet's power button once after connecting to activate data transfer mode. If issues persist, try a different USB port or cable.
- **Poor Audio Recording:** Verify that the microphone is not obstructed. Ensure the helmet's firmware is up to date via the LIVALL Riding App. Note that external factors like wind noise can affect audio quality during recordings.
- **Helmet Not Recognized by Device:** After connecting the cable, ensure you short press the helmet's power button to enable data transfer. If the device still doesn't recognize the helmet, try restarting both the helmet and your computer/phone.
- **Intercom/Bluetooth Pairing Problems:** Ensure both devices are in pairing mode and within range. Clear previous Bluetooth connections on your phone and helmet, then attempt to re-pair.
- **LED Lights Not Functioning:** Check battery level. Ensure intelligent lighting features are enabled in the LIVALL Riding App.

For further assistance, please contact LIVALL customer support.

8. SPECIFICATIONS

Feature	Detail
Model Name	MC1 Pro
