2. KEY FEATURES

2.1. Dual Layer Filter Technology (DLFT) and Extended Filter Life

The Aquaguard Enrich Aura 2X Life features advanced Dual Layer Filter Technology (DLFT) which increases the surface area of the RO membrane, enhancing water recovery and extending filter life. This innovative design means **no service is required for up to 2 years** under normal operating conditions, providing convenience and peace of mind.

NEEDS NO SERVICE FOR 2 YEARS

- 8,500+ Certified Technicians
- Instant Service Booking Via Eureka Forbes App

Figure 4: 7 Stages of Purification

Purification Stages:

- Mega Sediment Filter:** Acts as the first barrier against impurities, removing fine dust, dirt, and mud particles. This extends the life of subsequent filters.
- Sedi Shield 2X:** Further removes fine dust, dirt, and mud particles as small as 0.5 microns.
- Particulate Filter:** Eliminates pathogenic particles and suspended matter from the water.
- Chemi Block 2X:** Protects against chemicals, bad taste, and other odor-causing elements.
- RO Maxx 2X:** Removes microplastics, pesticides, pharmaceutical waste, and heavy metals like arsenic and lead.
- UV E-Boiling:** Ensures purity equivalent to water boiled for over 20 minutes, effectively neutralizing bacteria and viruses.
- Active Copper:** Infuses the right amount of copper into the purified water, compliant with BIS norms, promoting health benefits.

2.4. Patented Active Copper Technology

The purifier incorporates a patented Active Copper Technology that infuses the correct amount of copper into the water from the first drop, adhering to BIS norms. This technology is designed to be clean-free and is suitable for all age groups.

2.5. Taste Adjuster

A built-in taste adjuster allows you to customize the taste of the purified water, ensuring a sweet taste regardless of the raw water source (borewell, tanker, or municipal water).

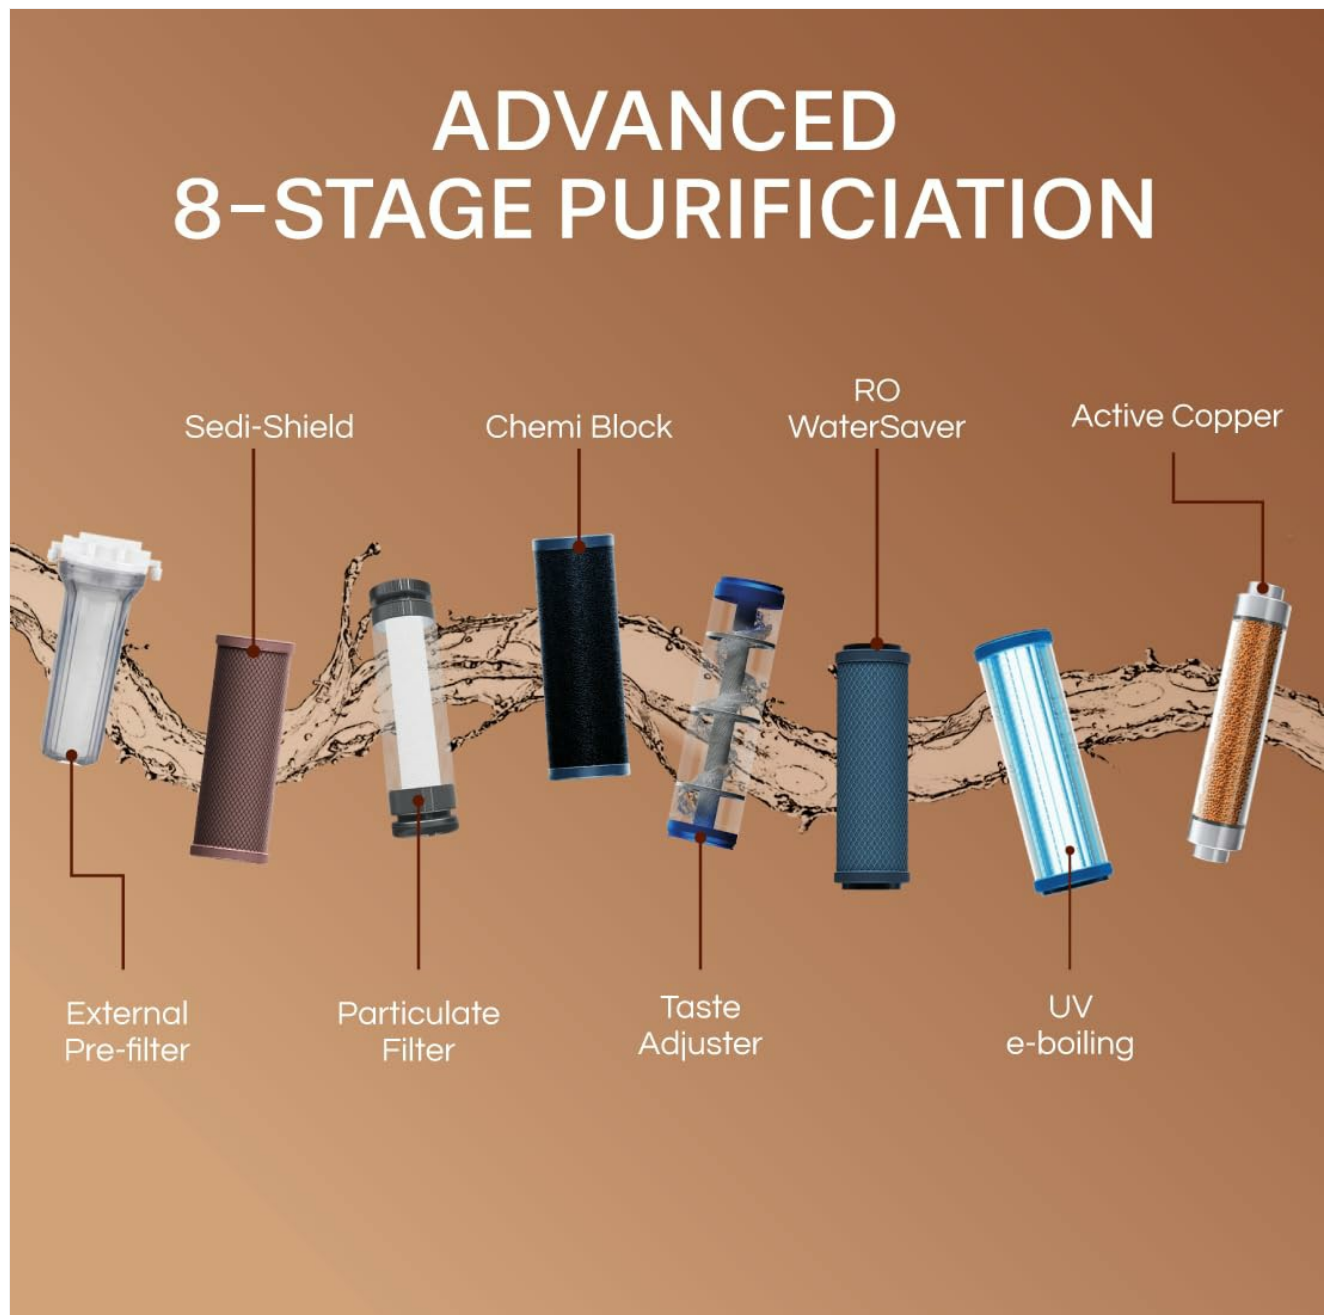

Figure 6: Taste Adjuster for Optimal Water Taste

2.6. Large Storage Tank

The purifier is equipped with a generous **7-liter storage tank**, ensuring a continuous supply of purified water for your household needs.

3.2. What's in the Box

Upon unboxing, you will find the following components:

- Aquaguard Enrich Aura 2X Life Water Purifier Unit
- Accessories (Input Pipe & Diverter Valve)
- Warranty Card

Note: Free installation is included with your purchase. Please refer to the product detail page or contact customer care for scheduling installation.

4. OPERATING INSTRUCTIONS

4.1. Smart Service Alerts

The purifier is equipped with smart alerts to keep you informed about its status. These alerts include:

- **Filter Life Warnings:** Notifies you when filters are nearing the end of their lifespan, prompting timely replacement.
- **Tank-Full Indicators:** Visually indicates when the storage tank is full, preventing overflow.
- **Service Reminders:** Alerts you for scheduled maintenance or service requirements.
- **Electronic Errors:** Notifies you of any electronic malfunctions, allowing for quick troubleshooting or service requests.

These features ensure optimal performance and extend the life of your appliance.

5. MAINTENANCE

5.1. Filter Replacement

Thanks to the Dual Layer Filter Technology, the filters in your Aquaguard Enrich Aura 2X Life are designed to last for **2 years** under typical usage conditions. When a filter life warning is displayed, it is recommended to contact Aquaguard customer care for professional filter replacement.

5.2. Cleaning the Appliance

Regular external cleaning of the purifier with a soft, damp cloth is recommended. Avoid using harsh chemicals or abrasive cleaners. For internal cleaning or any complex maintenance, always contact authorized service personnel.

6. TROUBLESHOOTING

If you encounter any issues with your water purifier, please refer to the following basic troubleshooting steps. For persistent problems, contact customer support.

| Problem | Possible Cause | Solution |
|---------------------|------------------------------------------------------|--------------------------------------------------------------------------------------------------------|
| No water dispensing | Power supply issue, water inlet closed, tank empty. | Check power connection, ensure water inlet valve is open, wait for tank to fill. |
| Slow water flow | Clogged filters, low water pressure. | Check filter life indicator; contact service for filter replacement. Ensure adequate water pressure. |
| Unusual taste/odor | Filter nearing end of life, new filter installation. | Check filter life indicator; if new, flush water for a few minutes. Contact service if issue persists. |
| Leakage | Loose connections, damaged components. | Turn off water supply and power. Contact customer care immediately. |

7. SPECIFICATIONS

| Feature | Detail |
|-------------------|----------------------------------|
| Brand | Aquaguard |
| Model Name | Aura 2X Life Active Copper+RO+UV |
| Item Model Number | GWPDAUMRU00B00 |

| Feature | Detail |
|--------------------------|---------------------------------------------------------------------------|
| Special Feature | 2 Year filter life, Large Storage Tank, Water Saving |
| Product Dimensions | 31L x 25W x 46H Centimeters |
| Installation Type | Wall-mounted, Countertop |
| Power Source | Corded Electric |
| Item Weight | 6600 Grams (6 kg 600 g) |
| Maximum Flow Rate | 15 Liters Per Hour |
| Operating Pressure Range | 0.3 to 2 Kilograms Per Square Centimeter |
| Lower Temperature Rating | 10 Degrees Celsius |
| Upper Temperature Rating | 40 Degrees Celsius |
| Included Components | Water Purifier, Accessories (Input Pipe & Diverter Valve) & Warranty Card |

8. WARRANTY AND SUPPORT

8.1. Warranty Information

Your Aquaguard Enrich Aura 2X Life water purifier comes with a **comprehensive 2-year warranty** on the product. This warranty covers all electrical parts and the RO membrane. The warranty is provided by Eureka Forbes Ltd. and can be availed through the Eureka Forbes App or by contacting customer care.

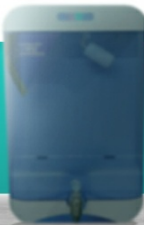

8.2. Customer Support

For any service requests, installation scheduling, warranty claims, or technical assistance, please contact Aquaguard customer care:

- **Eureka Forbes App:** Download the official Eureka Forbes App for convenient service booking and support.
- **Customer Care:** Refer to the contact details provided on your warranty card or the official Aquaguard website.

UNMATCHED PURIFICATION

| FEATURES | AQUAGUARD | OTHER COMPANY |
|------------------|----------------------------------------------|-----------------------------------------------|
| Size | Small & Compact: Approx. 10% smaller in size | Large & Bulky |
| Water Saving | More than 40% Water Recovery | High Water Wastage |
| UV Technology | Fast Disinfection: More Than 6X Power | Slow Disinfection: Low Power ~ 0.6W |
| Bacteria Removal | Proven 99.99% reduction under all conditions | Not as per Government of India BIS standards* |
| Virus Removal | Proven 99.99% reduction under all conditions | Not as per Government of India BIS standards* |

*Under certain input conditions.
