DOAO A3

DOAO Electric Shaver User Manual

Model: A3

1. PRODUCT OVERVIEW

The DOAO Electric Shaver (Model A3) is a versatile 2-in-1 waterproof cordless rotary shaver designed for men. It offers a comfortable, efficient, and precise shaving experience for both wet and dry use. Featuring a 3D floating head and high-speed cutting blades, it adapts to facial contours for a smooth finish.

2. SAFETY INSTRUCTIONS

Please read these safety instructions carefully before using the DOAO Electric Shaver to ensure safe operation and prevent injury or damage.

- **Caution:** For safe use of the DOAO electric shaver, avoid using it near water during charging.
- Handle accessories such as the trimmer and cleaning brush carefully to prevent cuts or skin irritation.
- Follow the instructions for charging and storing the rechargeable battery to ensure the device's lifespan and safety.
- Keep the device out of reach of children.
- Do not disassemble or attempt to repair the shaver yourself. Contact customer support for assistance.

3. FEATURES AND COMPONENTS

The DOAO Electric Shaver is equipped with advanced features for an optimal shaving experience:

- **3D Floating Head:** Adapts to facial contours for a gentle and comfortable shave, even on sensitive skin.
- **WindSpeed Cutting Technology:** Double-layer cutting blades provide up to 56,000 cuts per minute for efficient and fast shaving.
- **100% Waterproof Design:** Allows for easy cleaning under running water and convenient wet/dry shaving.
- **Pop-up Trimmer:** Integrated for precise grooming and detailing of beard contours.
- **Long-lasting Lithium-ion Battery:** Provides extended usage time per charge with fast charging capability.

4. SETUP AND CHARGING

4.1 Initial Setup

Before first use, ensure the shaver is fully charged. Unpack all components and inspect for any damage.

4.2 Charging the Shaver

The DOAO Electric Shaver is equipped with a long-lasting Lithium-ion battery. To charge:

1. Connect the USB-C charging cable to the shaver's charging port.
2. Plug the other end of the cable into a compatible USB power adapter (not included) or a USB port.
3. The charging indicator light will illuminate. A full charge provides up to 80 minutes of run time, or approximately one month of typical use.
4. Avoid charging the shaver near water.

5. OPERATING INSTRUCTIONS

5.1 Shaving Your Face

The DOAO Electric Shaver can be used for both wet and dry shaving.

- **Dry Shaving:** For a quick shave, ensure your face is clean and dry. Gently move the shaver in circular motions against the direction of hair growth.
- **Wet Shaving:** For a refreshing shave, apply shaving foam or gel to your face. The shaver is 100% waterproof, allowing for use in the shower. Move the shaver smoothly over your skin.

5.2 Using the Pop-up Trimmer

To trim sideburns, mustaches, or define beard lines:

1. Locate the pop-up trimmer on the back of the shaver.
2. Slide the switch to extend the trimmer.

3. Use the trimmer to shape and define your desired look.
4. Retract the trimmer after use.

6. MAINTENANCE AND CLEANING

Regular cleaning ensures optimal performance and extends the life of your shaver.

1. **Daily Cleaning:** After each use, switch off the shaver. Open the shaving head by pressing the release button. Rinse the shaving head and the hair chamber thoroughly under running water.
2. **Deep Cleaning:** Periodically, you may wish to remove the individual shaving foils and blades for a more thorough cleaning. Use the included cleaning brush to remove any stubborn hair particles.
3. **Drying:** Shake off excess water and allow the shaver head to air dry completely before closing or storing.
4. **Storage:** Store the shaver in a dry place, away from direct sunlight and extreme temperatures. Use the provided travel bag for protection when traveling.

Head Type	Rotary, 3D Floating Heads

Blade Material	Metal
Product Dimensions	5.79 x 5.8 x 15.7 cm
Weight	470 grams

8. TROUBLESHOOTING

If you encounter any issues with your DOAO Electric Shaver, please refer to the following common troubleshooting tips:

- **Shaver not turning on:** Ensure the battery is fully charged. If the issue persists, try charging it for a longer period.
- **Reduced shaving performance:** Clean the shaving heads thoroughly. Hair and debris can accumulate and affect performance. The blades may also need replacement after extended use.
- **Unusual noise:** Ensure the shaving head is properly attached and clean. If the noise is persistent or indicates a malfunction, discontinue use and contact customer support.
- **Skin irritation:** Ensure your skin is clean before shaving. For wet shaving, use a good quality shaving foam or gel. Shave in the direction of hair growth if irritation occurs.

If these steps do not resolve the issue, please contact customer support.

9. WARRANTY AND SUPPORT

The DOAO Electric Shaver is backed by a **lifetime warranty**, demonstrating our commitment to quality and customer satisfaction. We strive to provide an excellent shaving experience and are dedicated to supporting our customers.

- **Customer Service:** We offer a 12-hour customer service response time to address any queries or concerns you may have.
- **Warranty Claims:** In case of any manufacturing defects or performance issues covered under the lifetime warranty, please contact our support team with your purchase details.
