iKF iKF-Moon Pro

iKF-Moon Pro Wireless Sleep Earbuds User Manual

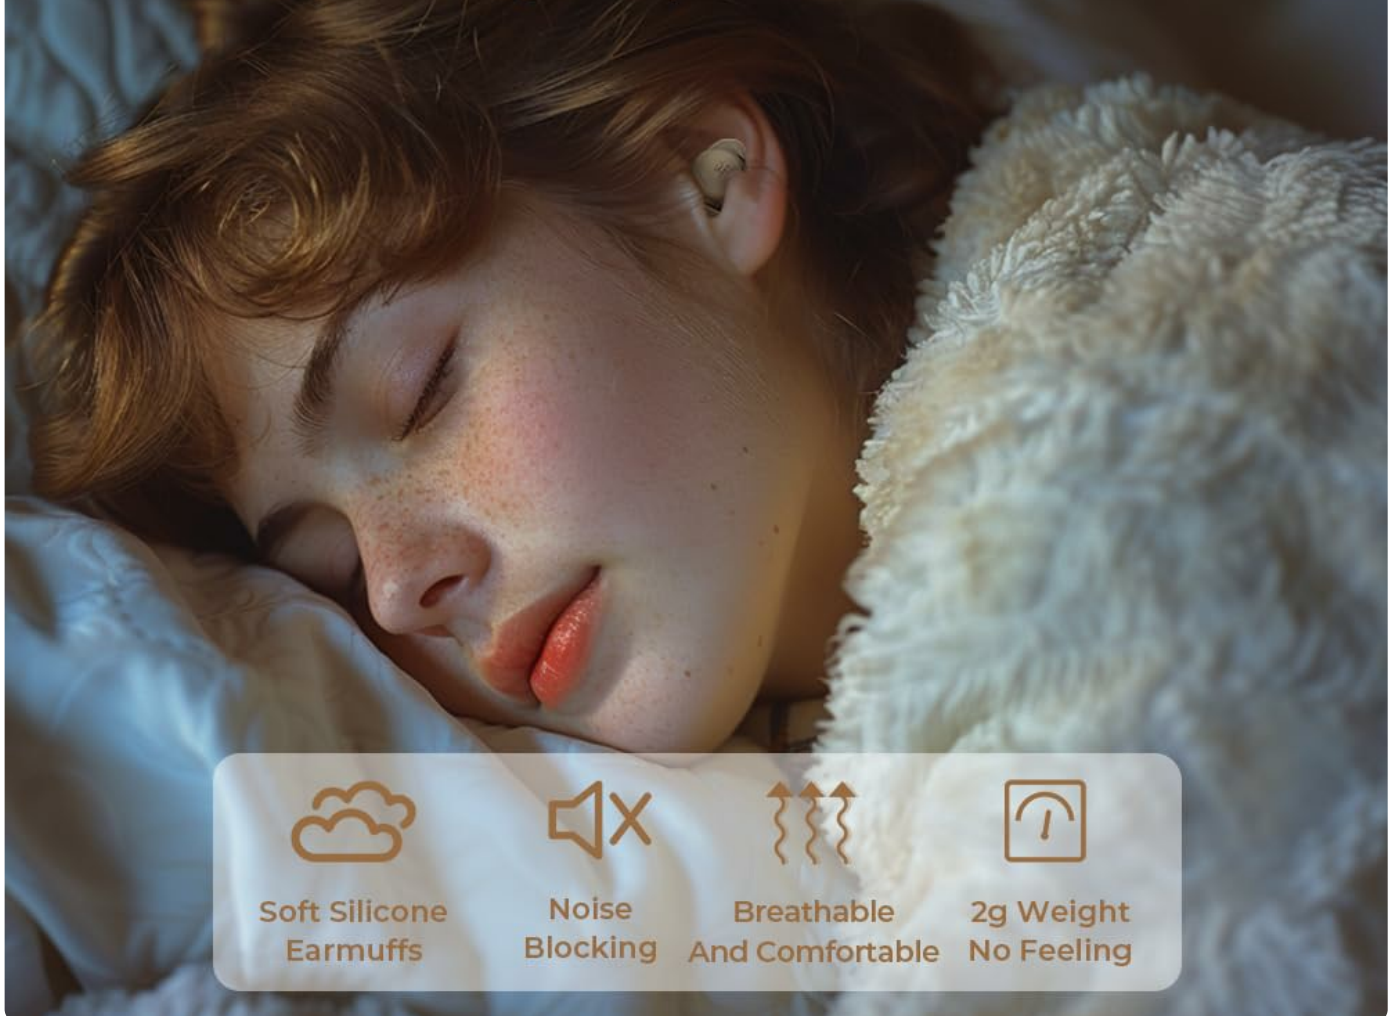

Model: iKF-Moon Pro | Brand: iKF

INTRODUCTION

The iKF-Moon Pro Wireless Sleep Earbuds are designed to provide a comfortable and uninterrupted sleep experience, especially for side sleepers. These earbuds are lightweight, discreet, and feature Bluetooth 5.3 connectivity for stable audio streaming. They are engineered to reduce ambient noise, allowing users to enjoy relaxing audio or white noise for improved sleep quality.

Soft Sleep Earbuds For Side Sleepers

As light and comfortable as a cloud,

WHAT'S IN THE BOX

Verify that all components are present in the packaging:

- iKF-Moon Pro Sleep Earbuds (Left and Right)
- Wireless Charging Case
- USB Charging Cable
- Earbuds Lanyard
- User Manual (this document)

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the iKF-Moon Pro earbuds and their charging case. Connect the provided USB charging cable to the charging case and a power source. The charging case has an average battery life of 30 hours, while the earbuds provide up to 8 hours of continuous playtime on a single charge. A full charge for the case takes approximately 2 hours.

Long Battery Life

Not just one night, enjoy the whole day

2. Bluetooth Pairing

The iKF-Moon Pro earbuds feature one-step pairing. Simply open the lid of the charging case, and the earbuds will automatically enter pairing mode. Ensure Bluetooth is enabled on your device (smartphone, tablet, etc.) and select "iKF-Moon Pro" from the list of available devices. The earbuds utilize Bluetooth 5.3 for a stable connection up to 15 meters.

One-step Pairing

Automatically connects when you open the case, and Bluetooth 5.3 provides a faster connection for your device.

3. Smart App Control

Enhance your experience by downloading the dedicated iKF app. The app allows you to:

- Adjust volume levels.
- Set a private alarm clock.
- Customize audio preferences (EQ settings).
- Select from various white noise options.
- Check battery levels.
- Manage gesture settings (if applicable, though touch controls are minimized for sleep).

The app can be used via Register Login or Visitor Login, with both options providing full functionality.

iKF APP Control

Note: The app can be used for either Register Login or Visitor Login, both can enjoy the same functions.

OPERATING INSTRUCTIONS

1. Wearing the Earbuds

The iKF-Moon Pro earbuds are designed for in-ear placement and an ergonomic fit, ensuring comfort even for side sleepers. Insert each earbud gently into your ear canal. Ensure a snug fit to maximize noise isolation and prevent discomfort. The design minimizes accidental touches during sleep by eliminating traditional touch controls and microphones.

Good Looking And Not Easy To Lose

Made of high-grade leather and comes with an exclusive headphone lanyard.

2. Audio Playback and Noise Reduction

Once paired, you can play audio from your connected device. The earbuds feature a 5mm dynamic driver for clear, immersive sound quality. They provide sound isolation to effectively block external noise, creating a peaceful environment for sleep or relaxation. Use the iKF app to select preferred audio, such as soothing music or white noise.

Excellent Noise Reduction HiFi Sound Quality

Effectively isolate external noise, premium sleep aid sound let you sleep quietly all night.

MAINTENANCE

Cleaning

Regular cleaning helps maintain optimal performance and hygiene. Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive materials, alcohol, or chemical cleaners. Avoid getting moisture into any openings.

Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **No Sound:**

- Ensure earbuds are charged.
- Check Bluetooth connection to your device.
- Verify volume levels on both earbuds and your device.
- Try re-pairing the earbuds.

- **Earbuds Not Pairing:**

- Ensure earbuds are fully charged.
- Place earbuds back in the case, close the lid, then open it again to re-enter pairing mode.
- Turn off and on Bluetooth on your device.
- Forget "iKF-Moon Pro" from your device's Bluetooth settings and try pairing again.

- **Short Battery Life:**

- Ensure earbuds and case are fully charged before use.
- Battery life can vary based on volume levels and audio content.

- **Discomfort or Poor Fit:**

- Refer to the "Wearing the Earbuds" section for correct placement.
- Adjust the earbuds gently until a comfortable and secure fit is achieved.
