SETUP

Charging the Earphones and Case

1. Connect the provided USB Type-C charging cable to the charging port on the case and to a compatible USB power source.
2. The charging case has a battery capacity of 350mAh. Each earphone has a 40mAh battery.
3. A full charge for both the earphones and the charging case typically takes approximately 1-2 hours.
4. Ensure the earphones are properly seated in the charging case for them to charge.

Bluetooth Pairing

1. Open the charging case. The earphones will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices and select "D Monster D08" (or similar name) from the list.
4. Once connected, the earphones will automatically connect to your device when removed from the case and Bluetooth is enabled on your device.

OPERATING INSTRUCTIONS

Specific control functions (e.g., play/pause, track skip, call answer/end, volume adjustment) are typically managed via touch controls on the earphones. Please refer to your device's Bluetooth settings or the earphone's quick start guide for detailed touch control mappings, as these can vary.

Noise Reduction (ANC+ENC)

The earphones feature ANC (Active Noise Cancellation) and ENC (Environmental Noise Cancellation) for an improved listening and call experience. ANC reduces ambient noise for the listener, while ENC enhances call clarity by reducing background noise for the person you are speaking with. The active noise reduction depth reaches up to 30dB.

MAINTENANCE

- Keep the earphones and charging case clean and dry.
- Use a soft, dry cloth to wipe the surfaces. Avoid using abrasive cleaners or solvents.
- Regularly clean the ear cushions and ear tips to prevent wax buildup.
- Store the earphones in their charging case when not in use to protect them and keep them charged.
- Avoid exposing the earphones to extreme temperatures or direct sunlight.

TROUBLESHOOTING

Earphones not pairing:

- Ensure both earphones are charged.
- Turn off Bluetooth on your device and turn it back on.
- Forget the "D Monster D08" device from your device's Bluetooth settings and attempt to pair again.
- Ensure the earphones are in pairing mode (usually indicated by a flashing light).

No sound from earphones:

- Check the volume level on both your device and the earphones.
- Ensure the earphones are properly connected to your device.
- Try playing audio from a different application or source.

Charging issues:

- Verify the charging cable is securely connected to both the case and the power source.
- Ensure the power source is functional.
- Clean the charging contacts on both the earphones and the case.

SPECIFICATIONS

Feature	Detail
Model	IP6D9857W
Bluetooth Version	V5.2
Transmission Distance	24 meters (without obstacles)
Earphone Battery Capacity	40mAh

Feature	Detail
Charging Case Battery Capacity	350mAh
Charging Time	Approximately 1-2 hours
Listening Time	Approximately 7-8 hours
Talk Time	Approximately 7-8 hours
Charging Type	Type-C
Single Earphone Weight	Approximately 5.2g
Earphones + Case Weight	Approximately 61g
Special Features	ANC+ENC Noise Cancellation
Form Factor	In-Ear
