- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, use a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust and damage.

TROUBLESHOOTING

Encountering issues during assembly or with the completed model is rare, but here are some common concerns and their solutions:

- **Missing Pieces:**

If you find any pieces missing, carefully re-check the packaging and all bags. If pieces are still missing, contact BUILDIFY customer support for assistance. Provide details of the missing part(s) and your purchase information.

- **Difficulty Connecting Pieces:**

Ensure pieces are correctly oriented as shown in the instruction manual. Apply firm, even pressure to connect bricks. Avoid forcing pieces that do not fit, as this may indicate incorrect placement or a manufacturing defect.
