

HOWE BHH007

HOWE King Size Bed Frame with 59" Tall Headboard - Instruction Manual

Model: BHH007 | Brand: HOWE

1. PRODUCT OVERVIEW

The HOWE King Size Bed Frame is designed for comfort and style, featuring a luxurious velvet upholstered headboard and footboard with elegant silver mirrored trim. This platform bed eliminates the need for a box spring, offering a sturdy and noise-free foundation for your mattress.

Key Features:

- **59" Tall Headboard:** Experience ultimate comfort with a high headboard adorned with horizontal stripe channel velvet, providing proper upholstered thickness for maximum support.
- **Silver Mirrored Trim:** Uniquely designed with an exquisite reflective chrome finish, blending aesthetics with long-lasting durability.
- **Soft Velvet Fabric:** Upholstered in comfortable and durable velvet, offering good breathability and easy cleanability.
- **Sturdy and Noiseless:** Features 12 hardwood slats and an improved locking system for a solid structure, supporting up to 800 lbs. EVA foam ensures a quiet sleep. No box spring needed.
- **Recommended Mattress:** 12"-20" thickness.

2. SETUP AND ASSEMBLY

Assembly of the HOWE King Size Bed Frame typically requires two adults and can be completed within approximately one hour. All necessary hardware and an installation manual are included.

Included Components:

- 59" Headboard
- Footboard
- Side Rails
- 12 Hardwood Slats
- Hardware Kit
- Installation Manual

Assembly Instructions:

1. Unpack all components and verify against the parts list in the included manual.
2. Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. Install the hardwood slats onto the bed frame. The improved locking system and EVA foam tape should be utilized for stability and noise reduction.
4. Tighten all screws and bolts to ensure the frame is stable.

5. Place your mattress directly onto the installed slats. No box spring is required.

3. USAGE GUIDELINES

The HOWE King Size Bed Frame is designed to provide a stable and comfortable sleeping surface. Ensure your mattress is placed evenly across the slats. The frame is built to support a maximum weight of 800 pounds.

No box spring is needed for this platform bed. For optimal comfort and aesthetic, a mattress thickness between 12 and 20 inches is recommended.

4. CARE AND MAINTENANCE

To maintain the appearance and longevity of your HOWE King Size Bed Frame, follow these care instructions:

- **Cleaning the Velvet Fabric:** Wipe with a dry cloth to remove dust and light debris. For spills, gently blot with a clean, damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Cleaning the Chrome Finish:** Use a soft, dry cloth to polish the silver mirrored trim. Avoid abrasive cleaners that may scratch the surface.
- **General Maintenance:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent noise.
- **Under-bed Cleaning:** The design allows for effortless cleaning underneath the bed, including with robot sweepers.

Image 4.1: A robot sweeper easily navigating and cleaning the floor underneath the HOWE bed frame, demonstrating the convenient clearance for maintenance.

5. TROUBLESHOOTING

- **Squeaking Noises:** Ensure all assembly bolts are securely tightened. The EVA foam tape on the slats is designed to prevent noise; verify it is properly installed.
- **Instability:** Double-check all connections between the headboard, footboard, and side rails. Ensure the hardwood slats are correctly seated and secured.
- **Missing Parts:** Refer to the included parts list in your installation manual. If any components are missing, contact customer support immediately.
