

YHUBHSIS

Generic YHUBHSIS Convertible Folding Modern Sofa Bed User Manual

Model: YHUBHSIS

INTRODUCTION

Thank you for purchasing the Generic YHUBHSIS Convertible Folding Modern Sofa Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not exceed the maximum weight capacity of 800 pounds.
- Keep small parts away from children during assembly to prevent choking hazards.
- Avoid standing or jumping on the sofa bed.
- Use caution when adjusting the backrest and armrests to prevent pinching.

PACKAGE CONTENTS

Please verify that all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Sofa Bed Frame
- Velvet Upholstered Cushions (Backrest and Seat)
- Metal Legs
- Assembly Hardware (screws, washers, Allen key)

SETUP AND ASSEMBLY

Assembly is required for this product. Follow the included assembly guide for detailed step-by-step instructions. An Allen key is provided for assembly.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the metal legs to the designated points on the sofa bed frame using the provided hardware. Ensure all screws are tightened securely.

3. Place the upholstered cushions onto the frame.
4. **Important Note:** Due to vacuum packaging, the cushions may appear compressed upon unpacking. Allow 24-72 hours for the memory foam filling to naturally expand and become fluffy. Gently patting the cushions can help accelerate this process.

OPERATING INSTRUCTIONS

The YHUBHSIS sofa bed features adjustable backrests and folding armrests, allowing for multiple configurations.

Adjusting the Armrests

The armrests can be adjusted to various angles (135°, 150°, 165°, 180°) to suit your comfort or to convert the unit into a flat sleeping surface. Gently lift and push the armrest to the desired position until it locks into place.

Figure 2: Illustration of the adjustable armrest positions.

Adjusting the Backrest

The backrest can be adjusted to three positions: 110° (reclined sofa), 150° (lounging), and 180° (flat bed). To adjust, push the backrest forward slightly to release the locking mechanism, then recline it to your preferred angle until it clicks into position.

Figure 3: Illustration of the adjustable backrest positions.

Converting from Sofa to Bed

To convert the sofa into a bed, adjust both the backrest and armrests to the fully flat (180°) position. This creates a comfortable sleeping surface. To convert back to a sofa, simply adjust the backrest and armrests to the upright positions.

Figure 4: Step-by-step conversion from sofa to bed.

MAINTENANCE

Cleaning the Velvet Fabric

- **Regular Cleaning:** Vacuum the velvet fabric regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain and damage the fabric pile. For stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first.
- **Avoid:** Do not use harsh chemicals, abrasive cleaners, or excessive water, as these can damage the velvet.

General Care

- Keep the sofa bed away from direct sunlight and heat sources to prevent fading and material degradation.
- Periodically check and tighten all assembly hardware to ensure stability.
- Avoid placing sharp objects on the fabric to prevent tears or snags.

TROUBLESHOOTING

Issue: Cushions appear flat or compressed.

Solution: This is normal due to vacuum packaging. Allow 24-72 hours for the memory foam to fully expand. Gently patting the cushions can help them regain their shape faster.

Issue: Sofa bed feels unstable or wobbly.

Solution: Check all leg attachments and frame connections. Tighten any loose screws using the provided Allen key.

Issue: Backrest or armrests are difficult to adjust.

Solution: Ensure no obstructions are preventing movement. Apply gentle, even pressure when adjusting. If the mechanism feels stiff, ensure it is clean and free of debris.

SPECIFICATIONS

Feature	Specification
Brand	Generic
Model	YHUBHSIS
Color	Navy Blue
Product Dimensions (Sofa)	70.87"D x 34.25"W x 29.13"H
Reclined Length (Bed)	70.87 Inches
