## 2. SAFETY INFORMATION

- Not suitable for children under 3 years old due to small parts which may present a choking hazard.
- Adult supervision is recommended during assembly for younger users.
- Keep all packaging materials away from children.

## 3. SETUP AND ASSEMBLY

Follow the included instruction booklet for step-by-step assembly. The set is designed with modular sections for ease of construction and access to interior details.

### 3.1 Unpacking and Preparation

1. Carefully open the product box and remove all plastic bags containing building blocks and the instruction manual.
2. Sort the building blocks by color and type to facilitate easier assembly. Refer to the instruction manual for part identification.
3. Locate the sticker sheet and apply stickers as indicated in the manual for details such as 'WELCOME TO STARCOFFEE' signs and menu boards.

## HIGH QUALITY PARTS

No pungent odor, smooth without burrs which is no harm to adults and kids.

### 3.2 Step-by-Step Construction

The instruction manual provides clear, visual steps for building each section of the coffee house. Pay close attention to the orientation of pieces and the placement of specialized elements.

- Begin with the base structure and the first floor, which includes the coffee bar and sofa resting area.
- Proceed to build the second floor, featuring a lounge and terrace.
- Integrate the lighting components as instructed during the assembly of the roof and interior sections.

## 4. OPERATING THE LIGHT FEATURE

The NEWABWN City Coffee House features an integrated lighting system to enhance its display. The light starter device is discreetly hidden within the structure.

### 4.1 Activating the Light

1. To turn on the light, gently remove the lid on top of the roof.
2. Locate the small switch for the lighting device.
3. Flip the switch to illuminate the interior of the coffee house.
4. Replace the roof lid once the light is activated.

### 5. MAINTENANCE

- To clean the building blocks, wipe them gently with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Store the assembled model or individual blocks in a cool, dry place away from direct sunlight to prevent discoloration or damage.
- Ensure the light feature is turned off when not in use to conserve battery life.

### 6. TROUBLESHOOTING

- **Missing Pieces:** If you find any missing pieces, please contact NEWABWN customer support with details of the missing parts.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly aligned before applying gentle pressure. Avoid forcing pieces together, as this may cause damage.

- **Light Not Working:** Check if the roof lid is fully removed and the switch is in the 'ON' position. If the light still does not work, the battery may need replacement.
