leejdn Brown Vanity Desk User Manual

Model: 808

IMPORTANT SAFETY INFORMATION

This product requires self-assembly. Please ensure to follow the instructions carefully to avoid injury. The vanity desk comes with electrical components. Always unplug the product before cleaning or making any adjustments to the lights. Keep the product away from water to prevent electrical shock.

- Always assemble on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are tightened securely before use.
- Do not overload drawers or shelves.
- Keep small parts away from children during assembly.

PRODUCT OVERVIEW

The leejdn Brown Vanity Desk is a modern makeup table designed for bedrooms and makeup rooms, featuring a mirror with adjustable LED lights and ample storage. Its flexible design allows for customizable configurations to suit various spaces.

Key Features:

- **3-Color LED Light:** The vanity desk features a specially shaped dimmable lighting mirror with 3 different LED lighting colors, including natural, warm and cool light, for a variety of indoor lighting and environments to optimize your makeup.
- **Flexible Combinations:** The size of the Vanity Desk can be adjusted according to the length you need, and the position of the bedside table is also interchangeable from left to right, allowing for placement and installation according to your needs.
- **Durable Construction:** Made of scratch-resistant, moisture-resistant MDF boards and sturdy metal handles. The

table legs are made of metal material, ensuring sturdiness and durability.

- **Smooth Drawers:** Features metal slides and ball bearings for effortless pushing and pulling of drawers, keeping items neat.
- **Easy Maintenance:** A light wipe with a damp cloth will maintain its fresh look.

COMPONENTS LIST

Please verify that all components are present before beginning assembly.

- Main Desktop Panel
- Storage Cabinet (with 3 drawers)
- 2 Large Drawers (for main desktop)
- LED Mirror Unit
- Metal Legs (for desktop and cabinet)
- Drawer Slides and Handles

- Assembly Hardware (screws, connectors, etc.)
- Power Adapter for LED Mirror

ASSEMBLY INSTRUCTIONS

Before You Begin:

- **Tools Required:** Phillips head screwdriver, hammer (optional, for dowels), soft cloth or blanket.
- **Workspace:** Clear a spacious area and lay out all components on a soft surface to prevent damage.
- **Identify Parts:** Familiarize yourself with all parts and hardware by referring to the included assembly diagram.

Step-by-Step Assembly:

1. **Assemble the Storage Cabinet:** Follow the diagram to connect the panels of the 3-drawer storage cabinet. Install the drawer slides and handles.
2. **Assemble the Main Desktop:** Attach the side panels and back panel to the main desktop surface. Install the drawer slides for the two large drawers.
3. **Assemble the Drawers:** Construct the two large drawers and the three cabinet drawers. Install their respective handles.
4. **Attach Metal Legs:** Secure the metal legs to both the main desktop unit and the storage cabinet using the provided hardware. Ensure they are firmly attached for stability.
5. **Position the Cabinet:** Place the storage cabinet next to the main desktop. The flexible design allows you to position the cabinet on either the left or right side of the desktop, or even partially underneath, to fit your space.
6. **Install LED Mirror:** Carefully place the LED mirror unit onto the designated area of the desktop. Connect the power adapter.

OPERATING INSTRUCTIONS

LED Mirror Operation:

The mirror features a touch-sensitive control for its integrated LED lighting.

- **Power On/Off:** Lightly touch the power icon on the mirror surface to turn the lights on or off.
- **Change Light Color:** With the lights on, short press the power icon to cycle through the three available light colors: Cool Light, Warm Light, and Warm Yellow Light.
- **Adjust Brightness:** To dim or brighten the lights, long press the power icon. The brightness will gradually change. Release when the desired brightness is achieved.

Three light modes can be adjusted at will

Cool light

Warm light

Warm yellow light

Long press the on/off button to adjust the brightness of each type of light

The LED mirror offers three adjustable light modes: Cool light, Warm light, and Warm yellow light, controlled by a sensitive touch switch.

MAINTENANCE

Cleaning:

- **Surfaces:** Wipe the vanity desk surfaces with a dry cloth. For stubborn marks, a lightly damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage.
- **Mirror:** Use a soft, lint-free cloth and a glass cleaner specifically designed for mirrors. Do not spray cleaner directly onto the mirror; spray onto the cloth first. Ensure the mirror is unplugged before cleaning.

General Care:

- Avoid placing hot items directly on the surface. Use coasters or protective pads.

- Keep the vanity away from direct sunlight and excessive humidity to prevent material degradation.
- Regularly check and tighten all screws and fasteners to maintain structural integrity.

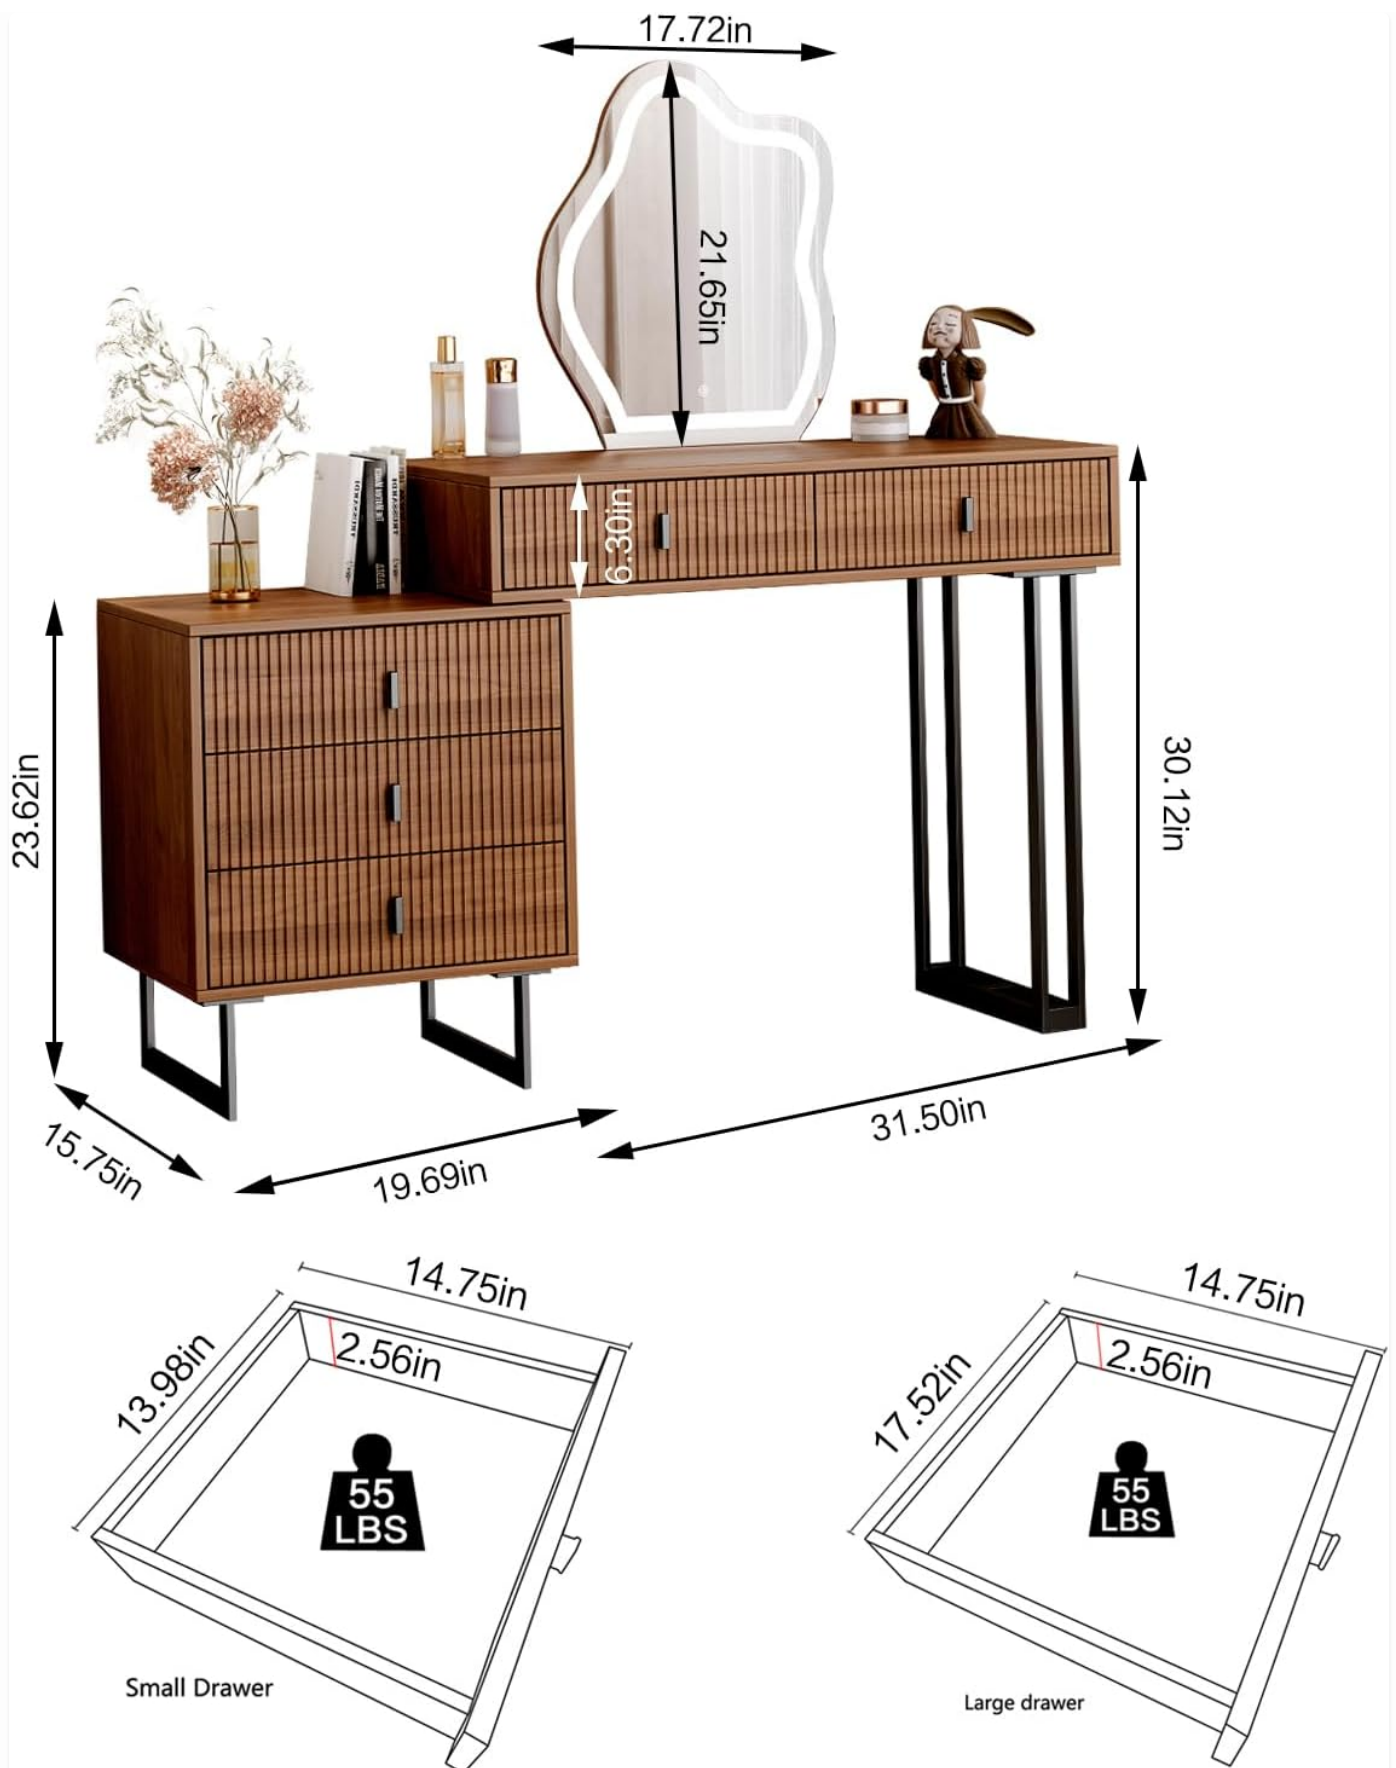

TROUBLESHOOTING

Common Issues:

- **LED Mirror Not Lighting Up:**
 - Ensure the power adapter is securely plugged into both the mirror unit and a working wall outlet.
 - Check if the power outlet is functional by plugging in another device.
 - Verify that the touch sensor is clean and unobstructed.
- **Drawers Sticking or Not Sliding Smoothly:**
 - Check that the drawer slides are correctly installed and aligned.
 - Ensure no objects are obstructing the drawer's path within the cabinet.
 - Verify that the drawer is not overloaded.
- **Vanity Desk Wobbles:**
 - Adjust the leg levelers on the bottom of the metal legs until the desk is stable.
 - Confirm all assembly screws are tightened.
