# ALLSTAND 48" Oval Lift Top Coffee Table User Manual

Model: FAST0027ABRUSY276

### PRODUCT OVERVIEW

The ALLSTAND 48" Oval Lift Top Coffee Table is designed to enhance your living space with its versatile functionality and modern aesthetic. Featuring a durable tabletop and robust metal legs, this coffee table offers ample storage solutions and a convenient lift-top mechanism for various activities.

- **Durable Desktop & High Load Capacity:** Constructed from CARB P2 compliant wood, the 1-inch thick tabletop is waterproof, anti-scratch, and anti-breakage. Supported by carbon steel metal legs, it can hold up to 400 LBS when not raised, ensuring stability and durability.
- **Hydraulic Lift Design & Silent Pad:** The innovative hydraulic cushion lifting mechanism allows the tabletop to smoothly and steadily raise up to 28 inches (22.6 inches above the ground), providing an adjustable height for comfortable use. Equipped with 4 silent pads, the lifting and lowering process is quiet and gentle.
- **Ample Storage & Versatile Use:** This oval coffee table includes large hidden compartments and open storage shelves on both sides, offering discreet and accessible space for your belongings. Its contemporary design seamlessly integrates with various furniture styles, making it suitable for use as a work area, entertainment hub, or occasional dining table.

## SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using the coffee table. Failure to follow these instructions may result in injury or damage to the product.

- **Handling During Delivery:** While the product is carefully packaged and inspected before shipping, accidental damage may occur during transportation. Upon receipt, inspect the packaging thoroughly. If any damage is observed, refuse the delivery or contact customer service immediately.
- **Lifting Mechanism:** Always use **both hands** when lifting or lowering the tabletop to ensure smooth operation and prevent sudden movements. Avoid placing fingers or other objects near the hydraulic lifting mechanism during operation to prevent pinching or injury.
- **Weight Capacity:** Do not exceed the maximum static load capacity of 400 LBS on the tabletop when it is not raised. When the top is lifted, distribute weight evenly and avoid excessive force.

- **Stability:** Ensure the table is placed on a flat, stable surface. The adjustable foot pads can be used to stabilize the table on uneven floors.
- **Children and Pets:** Keep children and pets away from the lifting mechanism during operation. Do not allow children to climb on or play with the table.

**Caution:** Please Use Both Hands for Lifting and Lowering

## Product Size

## PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

Component	Quantity	Description
-----------	----------	-------------

Component	Quantity	Description
Tabletop	1	Main oval wooden surface with lift mechanism attachment points.
Base Frame	1	Main structure forming the storage compartment.
Metal Legs	4	Gold-colored carbon steel legs with adjustable foot pads.
Internal Dividers	Various	Panels for organizing the hidden storage space.
Hydraulic Lift Mechanism	2	Pre-assembled lifting arms for the tabletop.
Assembly Guide	1	Detailed step-by-step instructions.
Installation Tool	1	Necessary tools for assembly (e.g., Allen wrench, screwdriver).
Silent Pads	4	Small rubber pads for quiet closing of the lift top.
Hardware Pack	1	Assorted screws, bolts, and connectors.

## SETUP AND ASSEMBLY

Assembly of the ALLSTAND coffee table is designed to be straightforward. Follow the included assembly guide and utilize the provided tools and labeled accessories. For visual assistance, refer to the official assembly videos below.

### Assembly Steps Overview:

- Unpack and Identify Parts:** Carefully unbox all components and lay them out. Verify all parts against the package contents list in the assembly guide.
- Assemble the Base Structure:** Follow the instructions to connect the main panels of the storage compartment. Pay attention to the orientation of panels with pre-drilled holes for the lift mechanism.
- Install Internal Dividers:** Secure the internal dividers within the storage compartment as indicated in the manual.
- Attach Metal Legs:** Fasten the four metal legs to the underside of the table base. Ensure they are securely tightened. Adjust the foot pads if necessary to level the table.
- Mount Hydraulic Lift Mechanisms:** Attach the hydraulic lift mechanisms to the designated points on the inside of the table base and the underside of the tabletop. Ensure all screws are firmly secured.
- Attach Tabletop:** Carefully align the tabletop with the lift mechanisms and secure it. This step may be easier with two people.
- Apply Silent Pads:** Place the silent pads on the contact points between the tabletop and the base to ensure quiet closing.

## OPERATING INSTRUCTIONS

---

The ALLSTAND Lift Top Coffee Table is designed for ease of use and versatility in your living space.

### Using the Lift-Top Mechanism:

1. **To Lift:** Grasp the tabletop firmly with both hands on opposite sides. Gently lift upwards. The hydraulic mechanism will assist in raising the top smoothly and steadily to its elevated position (approximately 22.6 inches above the ground).
2. **To Lower:** Grasp the tabletop firmly with both hands. Apply gentle downward pressure. The hydraulic mechanism will slowly and quietly lower the top back into its closed position. The silent pads will ensure a soft landing.

### Accessing Storage:

- **Hidden Compartment:** Lift the tabletop to access the large hidden storage area beneath. This space is ideal for storing remotes, books, magazines, or other items you wish to keep out of sight.
- **Open Shelves:** The table features open storage shelves on both ends of the base, providing easy access for decorative items, small plants, or frequently used essentials.

### Versatile Use:

The lift-top design transforms the coffee table into a multi-functional surface:

- **Workstation:** Use the elevated tabletop as a comfortable desk for your laptop, allowing you to work or study from your sofa.
- **Dining Surface:** Enjoy meals or snacks conveniently from your couch without bending over.
- **Entertainment Hub:** Keep board games, puzzles, or craft supplies neatly stored and easily accessible for family activities.

## High-quality P2 Top-grade Board

## Hydraulic Lift Design

Figure 4: The open storage design on the side of the table, providing easy access and a stylish display area for small items.

## MAINTENANCE

Proper care will ensure the longevity and appearance of your ALLSTAND coffee table.

- **Cleaning:** Wipe the tabletop and frame with a dry, soft cloth. For spills, promptly wipe with a damp cloth and then dry thoroughly. The tabletop is waterproof and stain-resistant, making cleaning easy.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or chemical solvents, as these may damage the finish.
- **Protect from Heat and Moisture:** While the tabletop is waterproof, avoid prolonged exposure to excessive moisture or direct heat sources to prevent warping or damage. Use coasters for beverages.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.

Figure 5: Features of the high-quality P2 Top-grade Board, including its waterproof and anti-scratch properties, ensuring easy maintenance.

## TROUBLESHOOTING

If you encounter any issues with your ALLSTAND coffee table, please refer to the common problems and solutions below. If the problem persists, contact our customer service for assistance.

- **Tabletop is Wobbly:**

- Ensure all assembly screws and bolts are securely tightened.
- Check the adjustable foot pads on the metal legs and adjust them to level the table on uneven surfaces.

- **Lift Mechanism is Stiff or Noisy:**

- Ensure no objects are obstructing the mechanism's movement.
- Verify that the silent pads are correctly positioned and not interfering with the movement.

- If the issue persists, contact customer service; the hydraulic mechanism may require professional inspection.
- **Missing or Damaged Parts:**
  - Refer to the "Package Contents" section to confirm all parts.
  - Contact ALLSTAND customer service immediately with your purchase details for replacement parts.

## SPECIFICATIONS

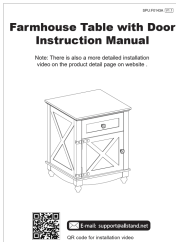

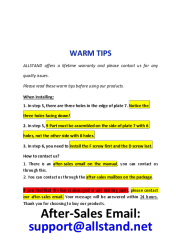

Feature	Detail
Brand	ALLSTAND
Model Name	Oval Lift Coffee Table
Model Number	FAST0027ABRUSY276
Color	Brown
Product Dimensions (D x W x H)	21"D x 47"W x 16"H
