Soundcore A3166

Soundcore Glow Portable Speaker User Manual

Model: A3166 | Brand: Soundcore

INTRODUCTION

This manual provides essential information for the safe and efficient use of your Soundcore Glow Portable Speaker. Please read it thoroughly before operating the device and retain it for future reference.

The Soundcore Glow Portable Speaker, featuring a cylindrical design with a black mesh body and a translucent base that emits colorful light.

What's in the Box

- Soundcore Glow Portable Speaker
- USB-C Cable
- Quick Start Guide
- Warranty Card
- Safety Sheet

Setup

1. Charging the Speaker

Before first use, fully charge the Soundcore Glow speaker using the provided USB-C cable. The charging indicator light will show the charging status.

2. Bluetooth Pairing

1. Power on the Soundcore Glow speaker by pressing and holding the power button. The Bluetooth indicator will flash blue, indicating it's in pairing mode.
2. On your mobile device, go to **Settings** > **Bluetooth**.
3. Select "**soundcore Glow**" from the list of available devices.
4. Once connected, you will hear a successful connection tone, and the Bluetooth indicator will turn solid blue.

3. PartyCast 2.0 Connection

Amplify your audio experience by connecting multiple Soundcore Glow speakers using PartyCast 2.0 technology. Up to 100+ compatible speakers can be linked.

1. Ensure both speakers are powered on and not connected to any Bluetooth device.
2. Press the PartyCast button (often indicated by a chain link icon) on the first speaker. The indicator light will change from blue to white.
3. Press the PartyCast button on the second speaker. The indicator light will also change from blue to white, and the speaker will emit a prompt sound indicating a successful connection.
4. Repeat for additional speakers.

Operating the Speaker

Controls Overview

The Soundcore Glow speaker features intuitive controls located on the top panel:

- **Power Button:** Press and hold to power on/off.
- **Bluetooth Button:** Press to enter Bluetooth pairing mode.
- **Play/Pause Button:** Press to play or pause audio.
- **Volume Up/Down Buttons:** Adjust audio volume.
- **PartyCast Button:** Connect multiple PartyCast 2.0 compatible speakers.
- **Light Mode Button:** Cycle through light effects or turn lights on/off.

Sound Features

The Soundcore Glow delivers powerful and immersive audio:

- **360° Sound, 30W Power:** A 2.5-inch full-range speaker combined with two bass-enhancing passive radiators provides quality sound in every direction.
- **BassUp™ Technology:** Enhance bass performance via the Soundcore app for a deeper audio experience.

Maintenance

IP67 Full Protection

The Soundcore Glow speaker is designed with an IP67 rating, offering high-level protection against water and dust ingress. This means it can withstand submersion in up to 1 meter of water for 30 minutes and is fully protected against dust.

- **Waterproof:** Suitable for use near water, such as at the beach or by the pool. It is also buoyant.
- **Dustproof:** Prevents dust from entering the device, ensuring reliable performance in various environments.

Cleaning and Storage

To maintain your speaker's condition:

- Wipe the speaker with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- Ensure the charging port cover is securely closed when not charging to maintain water and dust resistance.
- Store in a cool, dry place when not in use for extended periods.

Troubleshooting

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery.	Charge the speaker fully.
Cannot pair via Bluetooth.	Speaker not in pairing mode; device Bluetooth off; too far from speaker.	Ensure speaker is in pairing mode (flashing blue light). Turn on Bluetooth on your device. Move device closer to speaker (within 10m/33ft).
No sound.	Volume too low; speaker not connected; audio source issue.	Increase speaker and device volume. Re-establish Bluetooth connection. Check audio source.
PartyCast connection fails.	Speakers not in PartyCast mode; too far apart.	Ensure both speakers are in PartyCast pairing mode (white light). Move speakers closer.
Light show not working.	Light mode off; app settings.	Press the Light Mode button. Check settings in the Soundcore app.
