SETUP

Lenovo Digital Pen 2

1. **Battery Installation:** The Lenovo Digital Pen 2 comes with an extended battery life. Ensure the battery is correctly inserted. The pen is designed for twice the usage time between charges.
2. **Initial Pairing:** For first-time use, ensure your compatible Lenovo touchscreen device (e.g., IdeaPad Flex 5, Yoga 6, Yoga 7, Yoga 9, ThinkBook 13x G2 IAP-21AT) has Bluetooth enabled. The pen should automatically pair or appear in your device's Bluetooth settings for manual connection. Refer to your laptop's user manual for specific pairing instructions if needed.
3. **Software Configuration:** Once paired, you may access pen settings through your operating system (e.g., Windows Pen & Windows Ink settings) to customize the two side buttons for shortcuts.

1. **Device Insertion:** Gently slide your compatible Lenovo Yoga laptop (up to 16 inches, measuring 9.72" x .78" x 14" or 247mm x 19.9mm x 356mm) into the main compartment of the sleeve.
2. **Secure Closure:** Fold the magnetic flap over the opening to secure your device. The magnetic closure ensures quick and easy access while keeping the laptop protected.
3. **Accessory Storage:** Utilize the separate accessory pocket with a pen loop to neatly organize small items such as the

Digital Pen 2, charging cables, or USB drives.

MAINTENANCE

Lenovo Digital Pen 2

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the pen's surface. Avoid abrasive materials or harsh chemicals.
- **Tip Care:** The elastomer tip is designed for durability, but avoid excessive force or dropping the pen to prevent damage to the tip. Replacement tips may be available from Lenovo support if needed.
- **Battery Life:** To maximize battery life, store the pen in a cool, dry place when not in use. If the pen is not used for an extended period, consider removing the battery if applicable, or ensure it is fully charged before storage.

- **Cleaning:** For general cleaning, wipe the exterior (36% PU, 64% RPET) with a damp cloth and mild soap if necessary. Allow to air dry completely. Do not machine wash or tumble dry.
- **Interior Care:** The interior (11% Polyester, 89% Imitated Microfiber) can be gently wiped with a soft, dry cloth to

remove dust or debris.

- **Storage:** Store the sleeve in a dry place away from direct sunlight to preserve its material integrity and color.

TROUBLESHOOTING

Lenovo Digital Pen 2

- **Pen Not Responding:**
 - Check battery level and replace or recharge if low.
 - Ensure Bluetooth is enabled on your device and the pen is paired. Try re-pairing the pen.
 - Restart your laptop/tablet.
 - Verify that your device model is listed as compatible.
 - Check for any driver updates for your pen or touchscreen in your device's settings or Lenovo's support website.
- **Inaccurate Tracking/Pressure Sensitivity Issues:**
 - Ensure the pen tip is clean and free of debris.
 - Calibrate the pen in your device's pen settings.
 - Check for any physical damage to the pen tip.
- **Side Buttons Not Working:**
 - Verify button assignments in your device's pen settings.
 - Ensure the pen is properly connected and recognized by the system.

- **Device Not Fitting:**
 - Confirm your laptop's dimensions against the sleeve's maximum capacity (9.72" x .78" x 14" or 247mm x 19.9mm x 356mm).
 - Ensure no bulky accessories are attached to the laptop when inserting.
- **Magnetic Closure Issues:**
 - Check for any obstructions preventing the flap from fully closing.
 - Ensure the laptop is fully seated in the sleeve.
