Aheaplus AH-LD59

Aheaplus L Shaped Gaming Desk with Hutch - User Manual

Model: AH-LD59

PRODUCT OVERVIEW

The Aheaplus L Shaped Gaming Desk with Hutch (Model AH-LD59) is designed for both office and gaming environments, offering a versatile and organized workspace. This desk features a reversible design, allowing the hutch and storage components to be configured on either the left or right side to suit your space and preferences. It includes integrated LED lighting, a built-in power outlet with AC and USB ports, a monitor stand, and various storage solutions.

KEY FEATURES

- **Reversible Design:** The top hutch and storage units can be assembled on either the left or right side.
- **Integrated LED Lights:** Features over 60,000 color options and multiple flashing modes, controllable via a mobile app with music sync and timer functions.
- **Built-in Power Outlet:** Includes 3 AC outlets and 2 USB ports for convenient device charging.
- **Ample Storage:** Comes with a tall bookshelf hutch, 3 fabric drawers (including a file drawer for letter/A4 size folders), 2-tier storage shelves under the desk, and a CPU stand.
- **Monitor Stand:** Elevates your monitor to eye level for improved posture and reduced neck/back strain.

SETUP AND ASSEMBLY

The Aheaplus L Shaped Gaming Desk is designed for straightforward assembly. All necessary hardware, tools, and easy-to-follow

instructions are included. It is recommended for 1 person to assemble.

Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts and verify against the included parts list.
2. **Review Instructions:** Read the assembly manual thoroughly before beginning.
3. **Assemble Frame:** Construct the metal frame according to the diagrams.
4. **Attach Desktop Panels:** Secure the desktop panels to the frame.
5. **Install Hutch and Shelves:** Attach the tall bookshelf hutch and 2-tier storage shelves. Remember the reversible design allows you to choose the side for the hutch.
6. **Insert Drawers:** Assemble and insert the 3 fabric drawers into their designated slots.
7. **Mount Monitor Stand:** Place the monitor stand on the desktop.
8. **Position CPU Stand:** Place the CPU stand in the desired location under the desk.
9. **Connect LED Lights:** Adhere the LED light strips to the designated areas and connect them to the power source.
10. **Connect Power Outlet:** Ensure the built-in power outlet is properly connected to a wall socket.

Install as Your Preference

OPERATING INSTRUCTIONS

LED Lights Operation:

The integrated LED lights offer extensive customization. Download the dedicated mobile application to access over 60,000 colors

and various flashing modes. The app also supports music synchronization, allowing the lights to change with audio rhythms, and timer functions for scheduled on/off times.

Figure 4: The gaming desk illuminated by customizable LED lights.

Power Outlet Usage:

The desk includes a built-in power outlet with 3 AC outlets and 2 USB ports. This allows for convenient charging of electronic devices such as phones, Bluetooth accessories, headsets, iPads, and power banks directly from your workspace. Ensure the desk's main power cord is plugged into a functional wall outlet.

Monitor Stand:

Utilize the monitor stand to raise your display to an ergonomic height. This helps maintain proper posture, reducing strain on your neck and back during extended use.

Storage Features:

The desk offers diverse storage options. The tall hutch provides space for books, plants, and decorative items. The three fabric drawers are suitable for organizing office supplies, with one specifically designed for hanging letter and A4 size files. Additional 2-tier shelves under the desk and a CPU stand help keep your workspace tidy.

MAINTENANCE

Cleaning:

- For daily cleaning, wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- For spills, wipe immediately with a dry cloth to prevent staining.

Care:

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Avoid placing extremely hot or cold items directly on the desktop without protective coasters.
- Keep the desk away from direct sunlight and excessive moisture to prevent warping or discoloration.

TROUBLESHOOTING

LED Lights Not Working:

- **Check Power Connection:** Ensure the LED strip is securely plugged into its power source and the power source is connected to a functional outlet.
- **Verify App Connection:** Confirm that the mobile app is correctly paired with the LED lights. Restarting the app or re-pairing might resolve connectivity issues.
- **Inspect for Damage:** Check the LED strip for any visible damage or breaks.

Power Outlets Not Functioning:

- **Check Main Power:** Ensure the desk's main power cord is securely plugged into a working wall outlet.
- **Test with Other Devices:** Try plugging a different device into the outlets to determine if the issue is with the desk's outlets or the device itself.
- **Reset Breaker (if applicable):** Some power strips have a reset button. Check if the built-in power outlet has one and press it.

Desk Instability:

- **Tighten Screws:** Re-check and tighten all assembly screws and bolts.
- **Level Surface:** Ensure the desk is placed on a flat, level surface. Adjust any leveling feet if present.
- **Verify Assembly:** Double-check the assembly instructions to ensure all parts are correctly installed.

SPECIFICATIONS
