- Soundcore H30i Wireless On-Ear Headphones
- Soundcore Life A3i Noise Cancelling Wireless Earbuds
- Charging Case for Life A3i Earbuds
- Ear Cushions (for H30i Headphones)
- User Manual (this document)
- Charging Cable

Product Overview

Figure 1: Soundcore H30i Wireless On-Ear Headphones and Life A3i Noise Cancelling Wireless Earbuds with their charging case.

Headphones Features

Figure 2: The 40mm oversized dynamic drivers deliver a pure bass sound experience.

The H30i headphones are equipped with 40mm oversized drivers designed to produce deep, resonant bass, enhancing the audio experience for music and calls.

Figure 3: The H30i headphones are lightweight at 183g, designed for comfortable extended wear.

Weighing only 183g, the H30i headphones offer a lightweight and comfortable on-ear design suitable for prolonged listening sessions.

Earbuds Features

Figure 4: The Life A3i earbuds feature 10mm drivers with BassUp Technology for enhanced audio.

The Life A3i earbuds incorporate 10mm oversized drivers with BassUp Technology, providing powerful and clear audio with deep bass.

Figure 5: The Life A3i earbuds offer Hybrid Active Noise Cancelling to reduce external distractions.

Hybrid Active Noise Cancelling (ANC) on the Life A3i earbuds reduces external noise by up to 35dB, allowing for an immersive listening experience. A Transparency mode is also available to stay aware of your surroundings.

Figure 6: Life A3i earbuds are equipped with 6 microphones for AI-enhanced call clarity.

For clear communication, the Life A3i earbuds feature 6 dedicated built-in microphones and a custom AI algorithm to enhance call quality.

Setup

Initial Charging

Before first use, fully charge both the H30i headphones and the Life A3i earbuds. Connect the provided charging cable to a compatible USB power source. The charging indicators will provide status updates.

Powering On/Off

- **Headphones:** Refer to the specific button on the H30i headphones for power control.
- **Earbuds:** The Life A3i earbuds power on automatically when removed from the charging case and power off when placed back inside.

Bluetooth Pairing

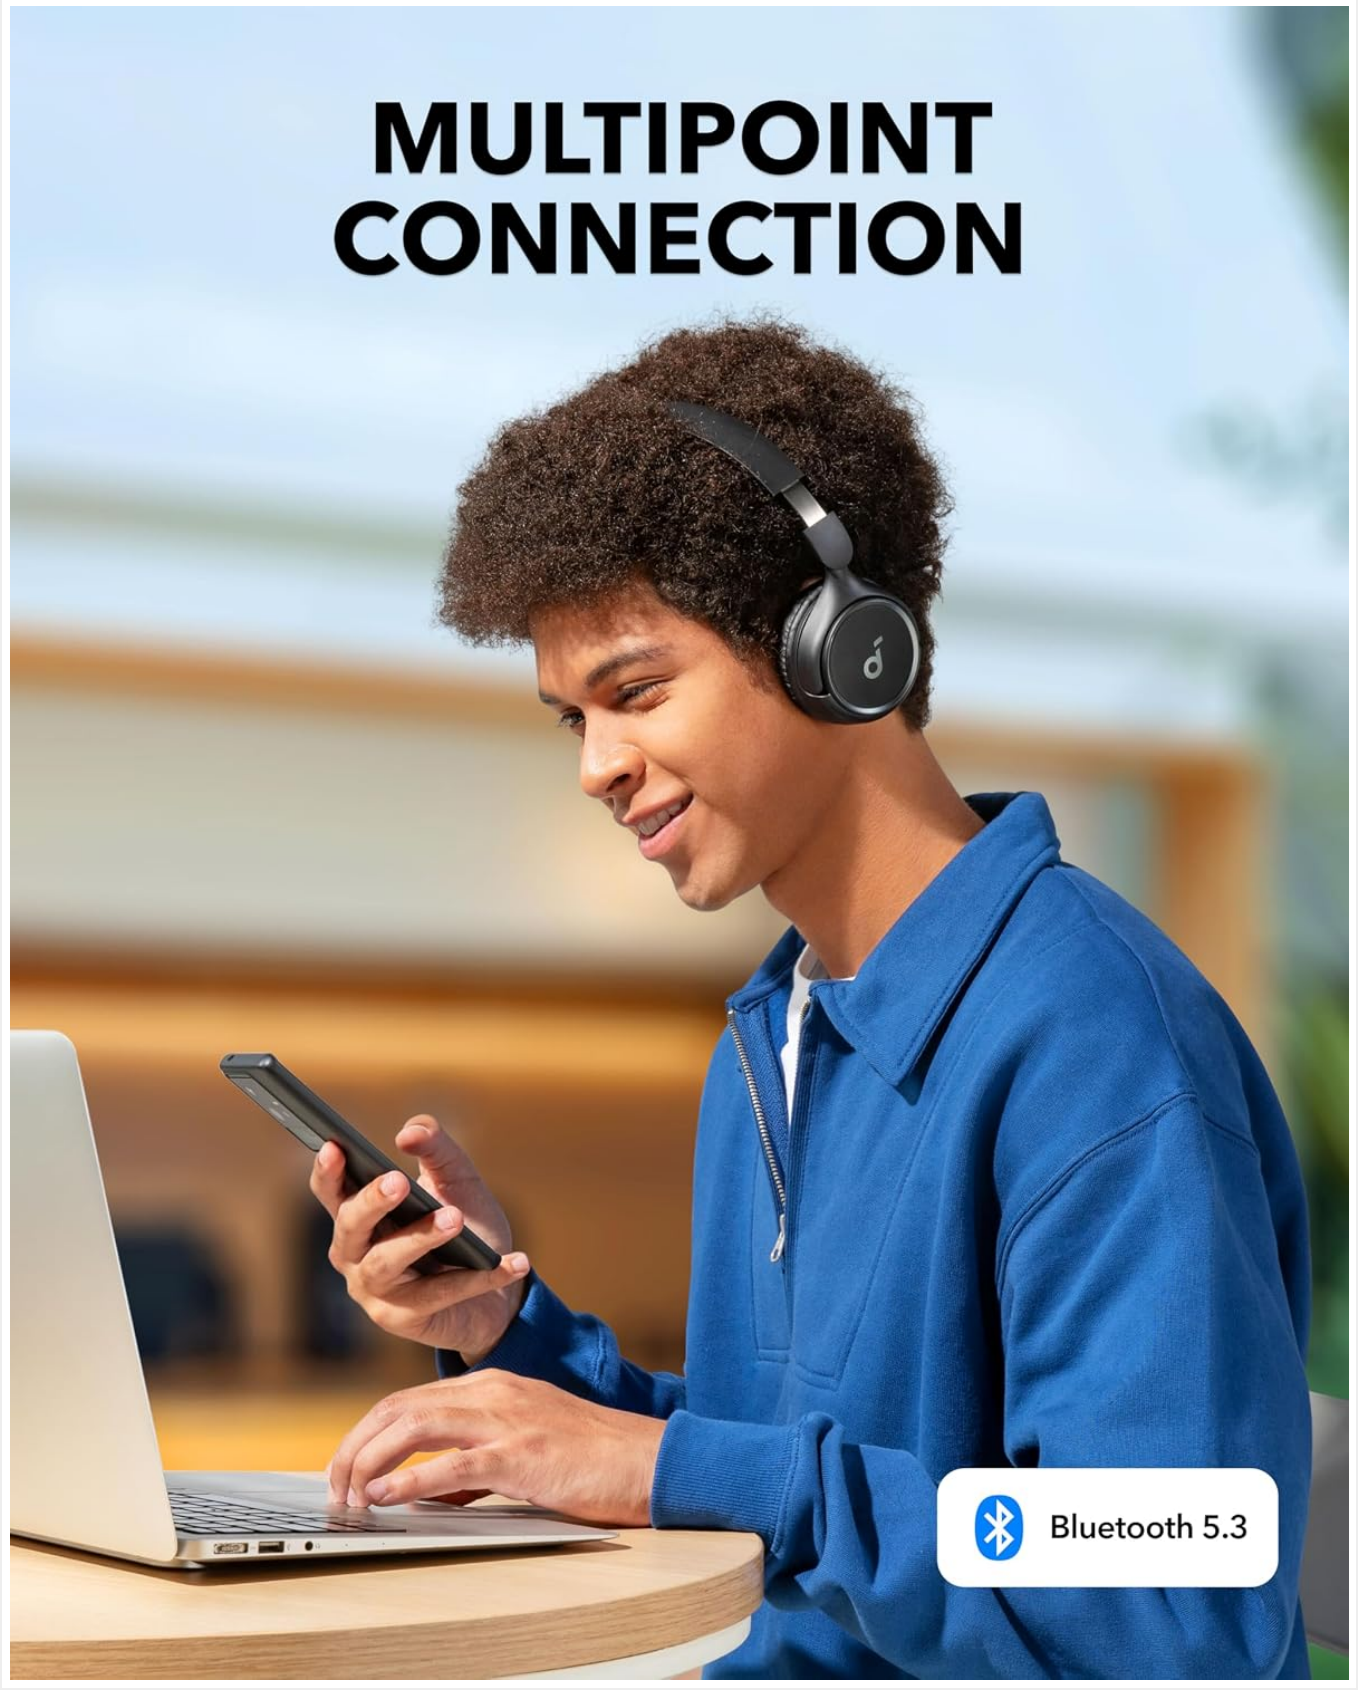

Figure 7: Both devices support Bluetooth 5.2 for stable multipoint connections.

1. Ensure the headphones/earbuds are charged and powered on.
2. Activate Bluetooth on your device (smartphone, tablet, computer).
3. For first-time pairing, the devices will automatically enter pairing mode. If not, refer to the specific button press for

pairing mode (usually holding the power button for headphones, or opening the case for earbuds).

4. Select "Soundcore H30i" or "Soundcore Life A3i" from your device's Bluetooth list.
5. Once connected, a voice prompt will confirm the successful pairing.

The H30i headphones and Life A3i earbuds feature Bluetooth 5.2 connectivity, ensuring a stable and reliable wireless audio transmission. They also support multipoint connection, allowing simultaneous connection to two devices.

Controls

Both the headphones and earbuds feature intuitive controls for media playback, call management, and mode switching. Refer to the included quick start guide or the product's official support page for detailed button functions.

Noise Cancellation and Transparency Modes

The Life A3i earbuds offer Hybrid Active Noise Cancelling (ANC) to minimize ambient noise. To activate or deactivate ANC, or switch to Transparency mode (which allows you to hear your surroundings), use the touch controls on the earbuds. Transparency mode is useful for situations where awareness of your environment is necessary.

Making and Receiving Calls

Both devices support hands-free calling. The Life A3i earbuds, with their 6 AI-enhanced microphones, provide clear voice pickup for calls. Use the integrated controls to answer, end, or reject calls.

Battery Life and Charging

Figure 8: The H30i headphones offer up to 70 hours of playtime and fast charging.

The Soundcore H30i headphones provide an impressive 70 hours of playtime on a single charge. They also support fast charging, where a mere 5-minute charge can provide an additional 4 hours of audio playback.

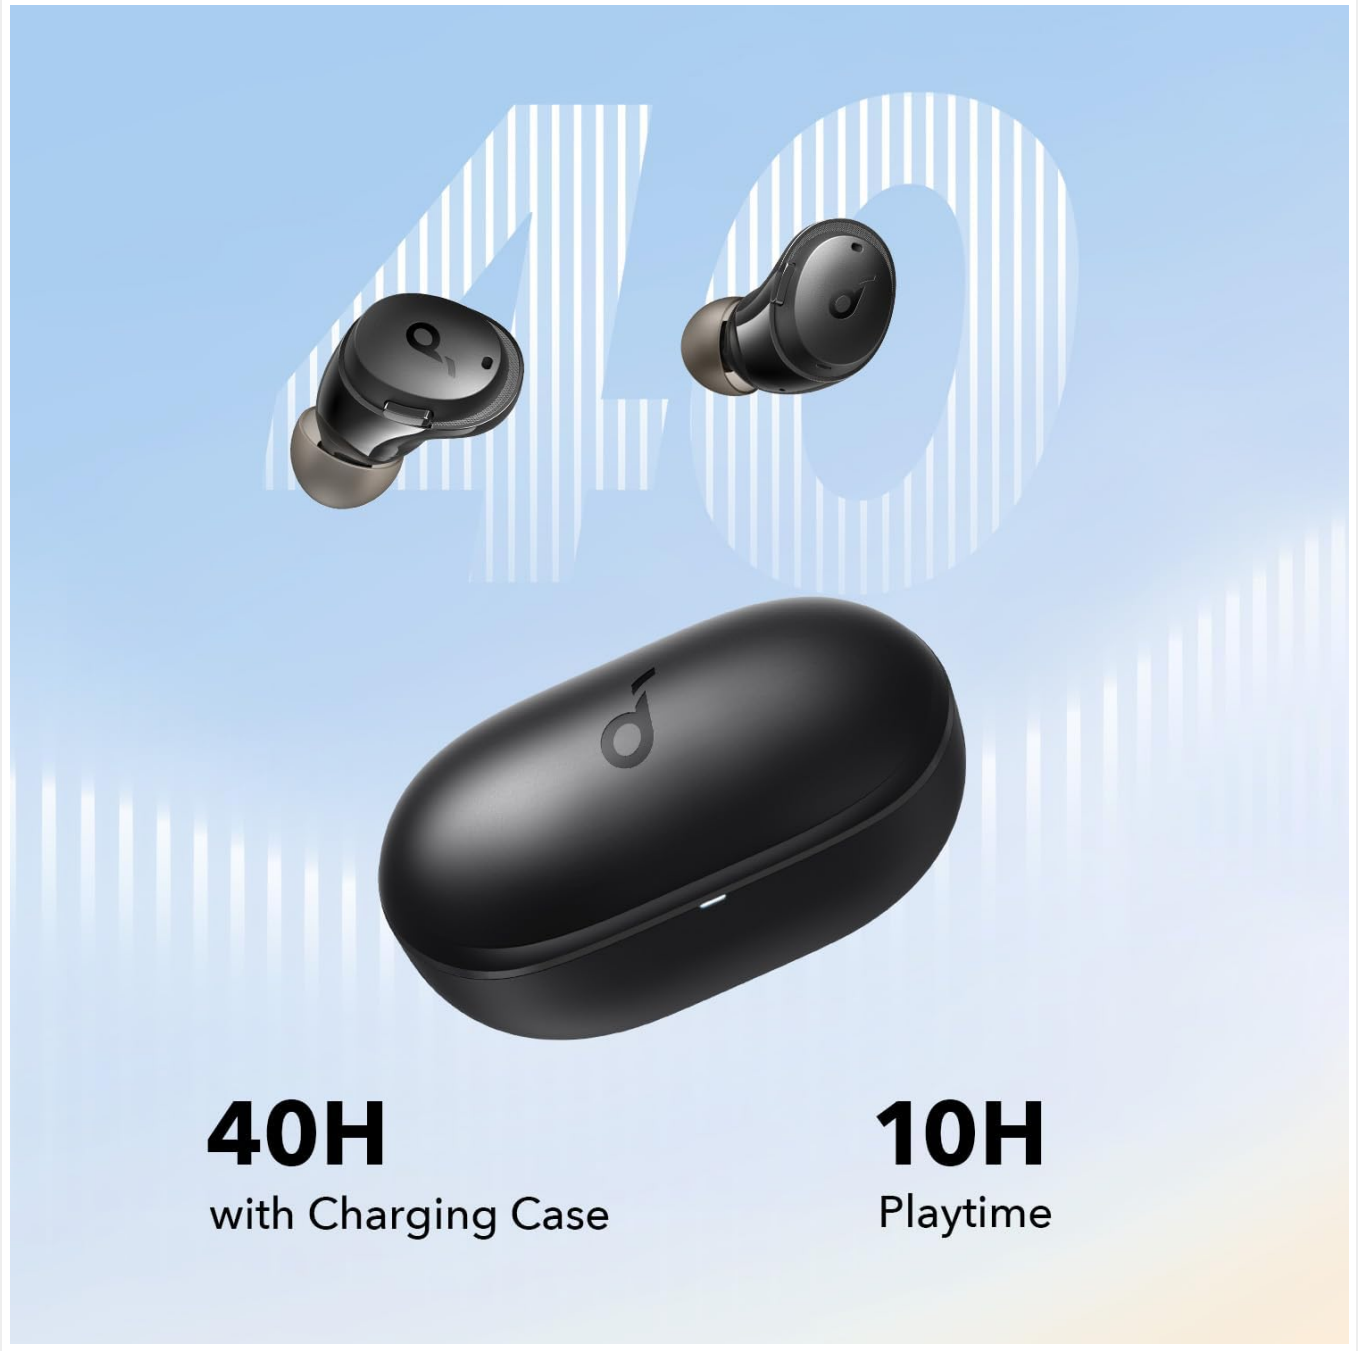

Figure 9: The Life A3i earbuds offer 10 hours of playtime, extended to 40 hours with the charging case.

The Life A3i earbuds offer up to 10 hours of playtime on a single charge, which can be extended to a total of 40 hours with the included charging case. Ensure the charging case is regularly charged to maximize earbud usage.

Maintenance and Care

- Clean the headphones and earbuds regularly with a soft, dry cloth.
- Avoid exposing the devices to extreme temperatures, humidity, or liquids.
- Store the headphones and earbuds in their original packaging or a protective case when not in use.
- Do not attempt to disassemble or modify the devices, as this will void the warranty.

Troubleshooting

Problem	Possible Solution

Problem	Possible Solution
No power	Ensure devices are fully charged. Check charging cable and power source.
Cannot pair with device	Ensure Bluetooth is enabled on your device. Place headphones/earbuds in pairing mode. Forget previous connections on your device and try again.
No sound or low volume	Adjust volume on both the device and the headphones/earbuds. Ensure devices are properly connected. Try re-pairing.
Poor call quality	Ensure microphones are not obstructed. Move closer to your connected device. Check network signal strength.

If issues persist, please refer to the Soundcore official support website or contact customer service.
