## Aheaplus B0D2CZ3TBD

# Aheaplus L Shaped Desk User Manual

Model: B0D2CZ3TBD

Brand: Aheaplus

## INTRODUCTION

---

This manual provides comprehensive instructions for the assembly, setup, operation, and maintenance of your Aheaplus L Shaped Desk. Designed for home office and gaming environments, this versatile desk features integrated LED lighting, power outlets, ample storage, and a reversible design to suit various spatial configurations. Please read this manual thoroughly before beginning assembly or use to ensure proper functionality and safety.

## SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Ensure proper assembly according to the provided instructions. Incorrect assembly can lead to instability.
- Do not exceed the recommended weight limit for any part of the desk, including shelves and the desktop.
- Securely anchor the desk to a wall if necessary, especially if it will hold heavy items or if there is a risk of tipping.
- Regularly inspect the desk for any signs of instability, loose fasteners, or wear. Tighten screws as needed.
- Keep liquids away from electrical components, including power outlets and LED light strips, to prevent electrical shock or damage.
- Use caution when moving the assembled desk to avoid damage to the structure or injury.

## PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. All necessary hardware

and tools are included.

- L-shaped desktop panels
- Tall bookshelf hutch components
- 3 fabric drawers
- 2-tier storage shelves (under desk)
- CPU stand
- Monitor stand
- Integrated power outlet unit (3 AC outlets, 2 USB ports)
- LED light strip with remote control
- Assembly hardware (screws, bolts, connectors)
- Assembly tools (e.g., Allen wrench, screwdriver)
- Instruction manual

## ASSEMBLY INSTRUCTIONS

---

Assembly of the Aheaplus L Shaped Desk is designed to be straightforward. It is recommended to have a clear, spacious area for assembly. While one person can assemble the desk, having a second person may facilitate certain steps, particularly when handling larger panels.

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Refer to the included parts list to identify each piece.
2. **Assemble Frame:** Begin by assembling the main metal frame components according to the diagrams in the separate assembly guide. Ensure all connections are secure but do not fully tighten screws until instructed.
3. **Attach Desktop Panels:** Secure the L-shaped desktop panels to the assembled frame. Pay attention to the orientation for the reversible design.
4. **Install Hutch and Shelves:** Attach the tall bookshelf hutch and the under-desk storage shelves. The hutch can be positioned on either the left or right side of the L-shape.
5. **Insert Drawers:** Assemble the fabric drawers and slide them into their designated compartments.
6. **Mount Monitor Stand:** Place the monitor stand on the desktop in your preferred position.
7. **Integrate Power Outlet:** Install the power outlet unit into its designated slot on the desktop. Connect the power cord.
8. **Install LED Lights:** Adhere the LED light strip to the underside of the hutch or desired location. Connect it to the power source.
9. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and fasteners.

## Install as Your Preference

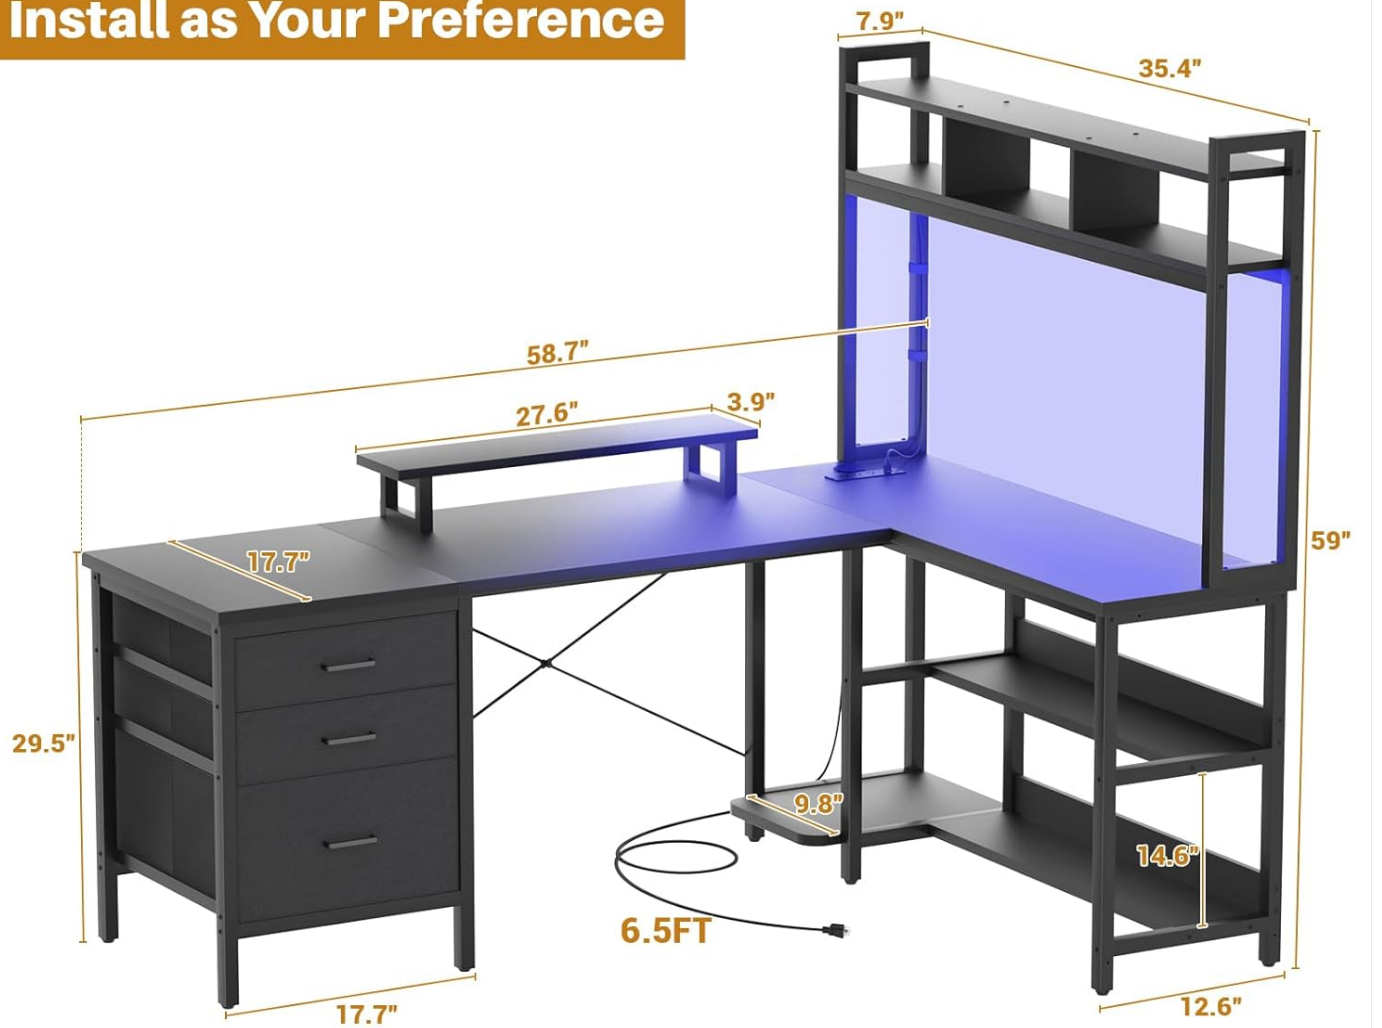

Image: Detailed dimensions of the Aheaplus L Shaped Desk, including the hutch, desktop, and drawer unit, illustrating its overall size and reversible configuration options.

## SETUP

### Reversible Design

The Aheaplus L Shaped Desk features a reversible design, allowing the hutch and the longer desk section to be configured on either the left or right side. This flexibility enables you to adapt the desk to your specific room layout and personal preferences. Ensure you decide on the desired orientation before attaching the main desktop panels and hutch during assembly.

Image: Illustration demonstrating the reversible design of the L-shaped desk, showing how the hutch and drawer unit can be swapped to either side to fit different room layouts.

## LED Lighting Setup

The integrated LED lights enhance your workspace or gaming setup. After adhering the LED strip, connect it to the designated power port. Use the included remote control to power on the lights, select colors, and choose from various flashing modes. The lights also support music sync and timer functions, which can be controlled via the remote or a compatible mobile application if available (refer to LED light specific instructions for app details).

## Power Outlet Integration

The desk includes a built-in power outlet with 3 AC outlets and 2 USB ports. Ensure the power unit is securely installed in its slot and the main power cord is plugged into a wall outlet. This provides convenient access to power for your devices directly on your desk.

Image: Close-up view of the integrated power outlet on the Aheaplus L Shaped Desk, showing 3 AC outlets and 2 USB ports, along with the 6.5ft power cord.

## Monitor Stand Placement

The included monitor stand can be placed anywhere on the main desktop to elevate your monitor. This helps in promoting good posture and reducing strain on your neck and back by raising the screen to eye level.

Image: A monitor stand positioned on the desk, illustrating how it elevates the screen for improved ergonomics and provides additional space underneath.

## OPERATING INSTRUCTIONS

### Using the LED Lights

The LED lights are controlled via the provided remote. Point the remote at the receiver connected to the LED strip. You can:

- Turn lights **On/Off**.
- Adjust **Brightness**.
- Select from a wide range of **Colors** (over 60,000 options).
- Choose various **Flashing Modes** (29 modes available).
- Activate **Music Sync** mode, where lights change with sound rhythm.
- Set **Timer Functions** for automatic shut-off.

Ensure the remote's battery is functional and the receiver is not obstructed.

## Utilizing Power Outlets

The integrated power strip provides convenient access to power. Simply plug your devices into the 3 AC outlets (120V/12A) or the 2 USB ports (5V/2A). This is ideal for charging phones, tablets, Bluetooth devices, and powering small electronics or gaming gear.

## MAINTENANCE

---

Regular maintenance will help prolong the life and appearance of your Aheaplus L Shaped Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. For the fabric drawers, spot clean with a mild detergent if necessary.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Electrical Components:** Keep the power outlets and LED lights free from dust and debris. Do not attempt to repair or modify the electrical components yourself.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves to prevent warping or stress on the frame.

## TROUBLESHOOTING

---

If you encounter issues with your Aheaplus L Shaped Desk, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose fasteners; uneven floor; incorrect assembly.	Ensure all screws are fully tightened. Check if the desk is on a level surface; use shims if necessary. Review assembly steps.
LED lights are not working.	Power connection issue; remote battery dead; obstructed receiver.	Check if the LED strip is properly plugged into the power source and the power source is active. Replace remote battery. Ensure no objects block the remote's signal to the receiver.
Power outlets are not providing power.	Desk power cord unplugged; circuit breaker tripped; faulty outlet.	Verify the desk's main power cord is securely plugged into a functional wall outlet. Check your home's circuit breaker. Test the wall outlet with another device.
Fabric drawers do not slide smoothly.	Overloaded drawer; obstruction; drawer not fully assembled.	Reduce the weight in the drawer. Check for any items obstructing the drawer's path. Ensure the fabric drawer is fully expanded and correctly inserted.

If the problem persists after attempting these solutions, please contact Aheaplus customer support for further assistance.

## SPECIFICATIONS

---

Feature	Detail
Brand	Aheaplus
Model	B0D2CZ3TBD
Product Dimensions	59"D x 34"W x 59"H
Color	Black
Style	Industrial
Base Material	Metal
Top Material Type	Wood
Special Features	Hutch, LED Lights, Power Outlets, Reversible Design, Monitor Stand, File Drawer, CPU Stand
Power Outlet	3 AC Outlets (120V/12A), 2 USB Ports (5V/2A), 6.5FT Power Cord
