## VITURE One Neckband

# VITURE One Neckband User Manual

Model: One Neckband

## 1. INTRODUCTION

The VITURE One Neckband is designed as a companion device for VITURE One XR Glasses, providing an Android-based operating system and power supply. It enables remote play, cloud gaming, and access to various applications, enhancing the functionality of your XR glasses. This manual provides essential information for setup, operation, maintenance, and troubleshooting.

## 2. SAFETY INFORMATION

- Do not expose the device to extreme temperatures, direct sunlight, or high humidity.

- Avoid dropping or subjecting the device to severe impact.

- Use only approved charging cables and adapters.

- Keep the device away from water and other liquids.

- Do not attempt to disassemble or repair the device yourself. Contact customer support for assistance.

- Ensure proper ventilation during use to prevent overheating.

## 3. PACKAGE CONTENTS

Verify that all items are present in your package:

- VITURE One Neckband

- Charging Cable (USB-C)

- User Manual (this document)

## 4. SETUP

### 4.1 Charging the Neckband

Before first use, fully charge the VITURE One Neckband. Connect the provided USB-C charging cable to the Neckband's charging port and plug the other end into a compatible USB power adapter. The Neckband features a 3200mAh battery.

### 4.2 Connecting to VITURE One XR Glasses

The Neckband is designed to connect directly to your VITURE One XR Glasses. Ensure the connection is secure. The Neckband provides both power and the operating system for the glasses.

### 4.3 Initial Power-On and Configuration

Press and hold the power button to turn on the Neckband. Follow the on-screen prompts to complete the initial setup, including Wi-Fi connection and account login. The Android-based OS provides access to various applications.

## 5. OPERATING INSTRUCTIONS

### 5.1 Navigation and Control

The VITURE One Neckband offers multiple ways to navigate its interface:

- **D-pad:** Use the physical D-pad on the Neckband for direct navigation.

- **Head Motions:** Control the interface using intuitive head movements while wearing the XR glasses.

- **Bluetooth Devices:** Connect your favorite Bluetooth mouse, keyboard, or game controller for enhanced control.

- **VITURE App ('Neckband Remote'):** Use the companion VITURE App on your smartphone (iOS and Android) as a remote control. It allows for intuitive touch gestures and easy text input.

### 5.2 Remote Play and Cloud Gaming

The Neckband is optimized for streaming games from your home console or cloud gaming services. It comes pre-installed with PSPlay and XBXPlay, third-party console streaming applications, allowing you to enjoy AAA titles virtually anywhere with a stable Wi-Fi or 5G connection.

Image: A user gaming and streaming anywhere, anytime, demonstrating the versatility of the Neckband.

### 5.4 Screen Customization (Ambient Mode)

Customize the virtual screen size as desired. The Neckband supports 'Ambient Mode', which allows you to minimize the virtual display to a corner of your vision. This enables interaction with your surroundings without interrupting your content.

### 5.5 Connectivity

The Neckband supports Miracast for screen mirroring from compatible devices and Bluetooth for connecting various peripherals such as headphones, game controllers, and input devices.

# Full Compatibility

## Support devices via Miracast and Bluetooth

Image: The VITURE One Neckband offers full compatibility with various devices via Miracast and Bluetooth, including smartphones, game controllers, keyboards, and mice.

## 6. MAINTENANCE

### 6.1 Cleaning

Gently wipe the Neckband with a soft, dry, lint-free cloth. Do not use abrasive cleaners, solvents, or aerosol sprays. Avoid getting moisture into any openings.

### 6.2 Battery Care

To prolong battery life, avoid fully discharging the Neckband frequently. Store the device in a cool, dry place when not in use. If storing for an extended period, charge the battery to approximately 50% every few months.

### 6.3 Software Updates

Periodically check for software updates to ensure optimal performance and access to the latest features. Updates can

typically be found within the Neckband's system settings.

## 7. TROUBLESHOOTING

### 7.1 Device Not Powering On

- Ensure the Neckband is fully charged. Connect it to a power source and wait a few minutes before attempting to power on again.
- Try a different charging cable and adapter.

### 7.2 Overheating

- Ensure the Neckband's ventilation areas are not obstructed.
- Avoid using the device in direct sunlight or hot environments.
- If the device feels excessively hot, power it off and allow it to cool down before resuming use.

### 7.3 Short Battery Life

- Adjust screen brightness and close unused applications running in the background.
- Ensure the device is fully charged before use.
- Consider using 'Quiet Mode' if available, though this may affect performance.

### 7.4 Connectivity Issues (Wi-Fi/Bluetooth)

- Restart the Neckband and your router/Bluetooth device.
- Ensure the Neckband is within range of the Wi-Fi network or Bluetooth device.
- Forget and re-pair Bluetooth devices or re-enter Wi-Fi credentials.

### 7.5 App Issues (e.g., Netflix/Disney+ not working)

- Ensure the Neckband's software is up to date.
- Check for updates for the specific application in the app store.
- Clear the app's cache and data in the Neckband's settings.
- Some apps may require specific versions or configurations; refer to the app developer's support.

## 8. SPECIFICATIONS

| Feature | Detail |
|---|---|
| Model | One Neckband |
| ASIN | B0D2DMCXRG |
| Manufacturer | VITURE |
| Operating System | Android-based OS |
| Battery Capacity | 3200mAh |
| Storage | 128GB (as per product title) |
| Connectivity | Wi-Fi, Bluetooth, Miracast |

## 9. WARRANTY AND SUPPORT

For warranty information, please refer to the official VITURE website or the documentation included with your purchase. For technical support, troubleshooting assistance, or to learn more tips, you can utilize the VITURE App or join the official VITURE Discord community (links available on the VITURE website).
