Bruni Bruni Basics-Clear 4052225991492

Bruni Screen Protector User Manual

Model: Bruni Basics-Clear 4052225991492

INTRODUCTION

This manual provides comprehensive instructions for the installation, use, and maintenance of your Bruni Screen Protector, specifically designed for the Point Mobile PM84. This protective film is engineered to safeguard your device's display from scratches, impacts, and daily wear while maintaining optimal touch sensitivity and visual clarity.

PRODUCT FEATURES

The Bruni Screen Protector offers a range of features designed for superior device protection and user experience:

- **Precision Fit:** Accurately and specifically developed for the Point Mobile PM84.
- **High Transparency:** Made of highly transparent PET material, ensuring unadulterated display of screen contents.
- **Scratch Resistance:** Features a 4H hardness rating, providing robust protection against scratches.
- **Impact Resistance:** Designed to withstand impacts, offering protection against drops up to 1 meter.

- **Easy, Bubble-Free Application:** Can be applied easily and without bubbles, and can be removed or repositioned at any time without residue.
- **Optimal Adhesion:** Glue-free film ensures no slipping once attached, with optimal edge adhesion.
- **Sensitive Touch:** Optimized for use on touch displays, ensuring lightning-fast, highly sensitive, and precise touch response.
- **Made in Germany:** Manufactured with high-quality standards in Germany.

INSTALLATION GUIDE

For optimal results, please follow these steps carefully. Ensure you are in a clean, dust-free environment before beginning the installation.

1. Clean the Device Screen:

Thoroughly clean the screen of your Point Mobile PM84 using the provided microfiber cloth. Ensure there are no dust particles, smudges, or fingerprints. For stubborn marks, a screen cleaning solution can be used, but ensure the screen is completely dry before proceeding.

2. Align the Screen Protector:

Carefully peel back a small portion of the protective layer (usually marked "Step 1" or similar) from one end of the screen protector. Align the exposed edge of the screen protector with the corresponding edge of your device's screen. Pay close attention to cutouts for cameras, sensors, and speakers to ensure perfect alignment.

3. Apply and Smooth:

Slowly and steadily peel off the remaining protective layer while simultaneously applying the screen protector to the device screen. Use the provided squeegee or a credit card wrapped in the microfiber cloth to gently push out any air bubbles from the center towards the edges as you apply. Apply even pressure to ensure proper adhesion.

SUPER EINFACHE MONTAGE

In nur 3 Schritten. Eine Anleitung liegt dem Lieferumfang bei.

Image: A visual guide demonstrating the process of applying the screen protector to a device, emphasizing ease of installation.

4. Remove Top Protective Layer:

Once the screen protector is fully adhered and all bubbles have been smoothed out, carefully peel off the top protective layer (usually marked "Step 2" or similar), if present. Your Bruni Screen Protector is now installed.

OPERATING INSTRUCTIONS

The Bruni Screen Protector is designed to seamlessly integrate with your Point Mobile PM84, preserving its original functionality.

- **Touch Sensitivity:** The protector is optimized for touch displays, ensuring no impairment of usability. You should experience the same responsive and precise touch interactions as without the protector.
- **Display Clarity:** The crystal clear film ensures an unadulterated display of your screen's contents, maintaining true

colors and brightness.

MAINTENANCE

To keep your Bruni Screen Protector in optimal condition and ensure maximum clarity:

- **Cleaning:** Use a soft, lint-free microfiber cloth (like the one provided) to gently wipe the screen protector. For smudges or fingerprints, slightly dampen the cloth with water or a mild, screen-safe cleaning solution. Avoid harsh chemicals or abrasive materials.
- **Avoid Sharp Objects:** While the protector is scratch-resistant, extreme pressure from very sharp objects can still cause damage.
- **Storage:** If you have spare protectors, store them in their original packaging in a cool, dry place to prevent damage before use.

TROUBLESHOOTING

Here are solutions to common issues you might encounter during or after installation:

Issue	Possible Cause	Solution
Bubbles under the protector	Dust particles trapped underneath or uneven application.	◦ For small bubbles, use the squeegee to push them towards the nearest edge. ◦ For bubbles caused by dust, carefully lift the nearest corner of the protector, use a dust removal sticker (if available) or tape to lift the dust, then reapply. ◦ Ensure a dust-free environment during installation.
Protector not adhering at edges	Dust on the edges, improper alignment, or curved screen edges (less common for flat protectors).	◦ Ensure the screen is perfectly clean, especially the edges. ◦ Re-align the protector if it's off-center. ◦ Apply firm, even pressure with the squeegee along the edges during application.
Reduced touch sensitivity	Rare, but could be due to improper installation or a faulty protector.	◦ Ensure the protector is fully adhered without large air gaps. ◦ Restart your device. ◦ If issues persist, consider replacing the protector.

TECHNICAL SPECIFICATIONS

Attribute	Detail
Brand	Bruni
Model Number	Bruni Basics-Clear 4052225991492
Compatible Devices	Point Mobile PM84
Material	Polyethyleneterephthalat (PET)

Attribute	Detail
Item Hardness	4H
Finish Type	Glossy (Glänzend)
Screen Surface Description	Smooth (Glatt)
Product Dimensions	5.94 x 2.91 x 0.5 inches (Packaging) / 5.9"L x 2.9"W (Film)
Item Weight	0.353 ounces
Manufacturer	atFoliX GmbH
Country of Origin	Germany

WARRANTY AND SUPPORT

Bruni products are manufactured by atFoliX GmbH, a company known for high-quality screen protection since 2007.

- Return Policy:** This product is typically eligible for a refund or replacement within 30 days of purchase, subject to the retailer's return policy.
- Manufacturer Support:** For any specific product inquiries or assistance, please refer to the contact information provided by the manufacturer, atFoliX GmbH, or the seller from whom you purchased the product.

For further assistance, please contact your point of purchase or visit the manufacturer's official website.
