KingPavonini CBJ-LX

KingPavonini Adjustable Bed Rail for Elderly Adults

Model: CBJ-LX

1. Introduction

This instruction manual provides important information regarding the safe assembly, operation, and maintenance of your KingPavonini Adjustable Bed Rail. Please read this manual thoroughly before use and retain it for future reference.

2. Safety Information

Always ensure the bed rail is securely installed before use. Regularly check all connections and straps for tightness. This product is designed to assist with getting in and out of bed and to prevent falls. It is not intended for use as a restraint. Not compatible with adjustable beds.

3. Package Contents

- Main Bed Rail Frame (multiple sections)
- Ergonomic Handle (pre-attached)
- Safety Securing Strap
- Storage Pocket
- User Manual

4. Setup & Installation

4.1. Assembly

1. Connect the L-shaped base sections to the straight support bars. Ensure the spring-loaded pins click into place securely.
2. Attach the vertical handle section to the assembled base. The handle height can be adjusted by pressing the pins and sliding the tubes to the desired position.

3. Attach the storage pocket to the handle section using the integrated straps.

Figure 1: Tool-free installation of the bed rail under the mattress.

4.2. Placement on Bed

1. Lift your mattress and slide the horizontal base of the bed rail between the mattress and the box spring/bed foundation.
2. Position the bed rail so the vertical handle is at the desired location along the side of the bed.

Figure 2: Adjustable design of the bed rail, showing height and width extension capabilities.

4.3. Securing with Strap

For enhanced stability, especially with thicker mattresses or for users requiring maximum support, utilize the included safety strap:

1. Thread the safety strap through the designated loops on the bed rail's base.
2. Extend the strap across the bed to the opposite side, wrapping it around the bed frame or box spring.
3. Secure the strap tightly using the buckle, ensuring the bed rail is firmly anchored and does not shift.

Video 1: This video demonstrates the key features and benefits of the KingPavonini Bed Rail, including its adjustable design, stability, and ease of use for assisting elderly adults.

5. Operating Instructions

5.1. Using the Handle

The ergonomic curved handle is designed to provide a comfortable and secure grip. Use it to assist yourself when sitting up, lying down, or repositioning in bed. The foam padding offers a non-slip surface.

Figure 3: Demonstrating the use of the ergonomic handle for assistance in bed.

5.2. Adjusting Height and Width

The bed rail features adjustable height and width settings to accommodate various bed sizes and user preferences. To adjust, locate the spring-loaded pins on the frame, press them in, and slide the tubes to the desired position until the pins lock into the next set of holes.

Figure 4: Illustration of the bed rail's robust construction with extra reinforcement bars for stability.

5.3. Using the Storage Pocket

The detachable storage pocket provides convenient access to personal items such as remote controls, glasses, or books. Simply place items in the pockets for easy reach while in bed.

Figure 5: The bed rail's storage pocket, ideal for keeping essentials close at hand.

6. Maintenance & Care

To clean the bed rail, wipe all surfaces with a dry cloth. Avoid using abrasive cleaners or harsh chemicals that may damage the finish or foam padding. Ensure the bed rail is dry before re-use.

7. Troubleshooting

- **Bed Rail Feels Unstable:** Ensure the safety strap is securely fastened around the bed frame/box spring and tightened. Verify that the horizontal base is fully inserted under the mattress.
- **Difficulty Adjusting Height/Width:** Ensure the spring-loaded pins are fully depressed before attempting to slide the tubes. Check for any obstructions.
- **Parts Do Not Fit:** Double-check the assembly instructions to ensure all components are oriented correctly. Do not force parts together.

8. Specifications

Feature	Detail
Brand	KingPavonini
Model Number	CBJ-LX
Material	Stainless Steel
Product Dimensions	13.4"W x 20.9"H (Adjustable)
Adjustable Length (Horizontal)	23.2" to 31.9"
