4. SETUP

4.1. Charging

- Connect the provided charging cable to the charging port on the karaoke machine and a suitable USB power adapter (not included).
- Connect the charging cable to the charging port on each microphone.
- The indicator light on the devices will show charging status. A full charge typically takes about 4 hours.

4.2. Bluetooth Pairing

1. Long press the power button on the karaoke machine to turn it on. A voice prompt will indicate "Bluetooth Mode".
2. Enable Bluetooth on your mobile device (smartphone, tablet, computer).
3. Search for "K12" or "P8" in the list of available Bluetooth devices and select it to pair. A voice prompt will confirm successful pairing.

4.3. Microphone Connection

- Long press the power button on each wireless microphone to turn it on. A blue indicator light will illuminate.
- The microphones will automatically connect to the karaoke machine.

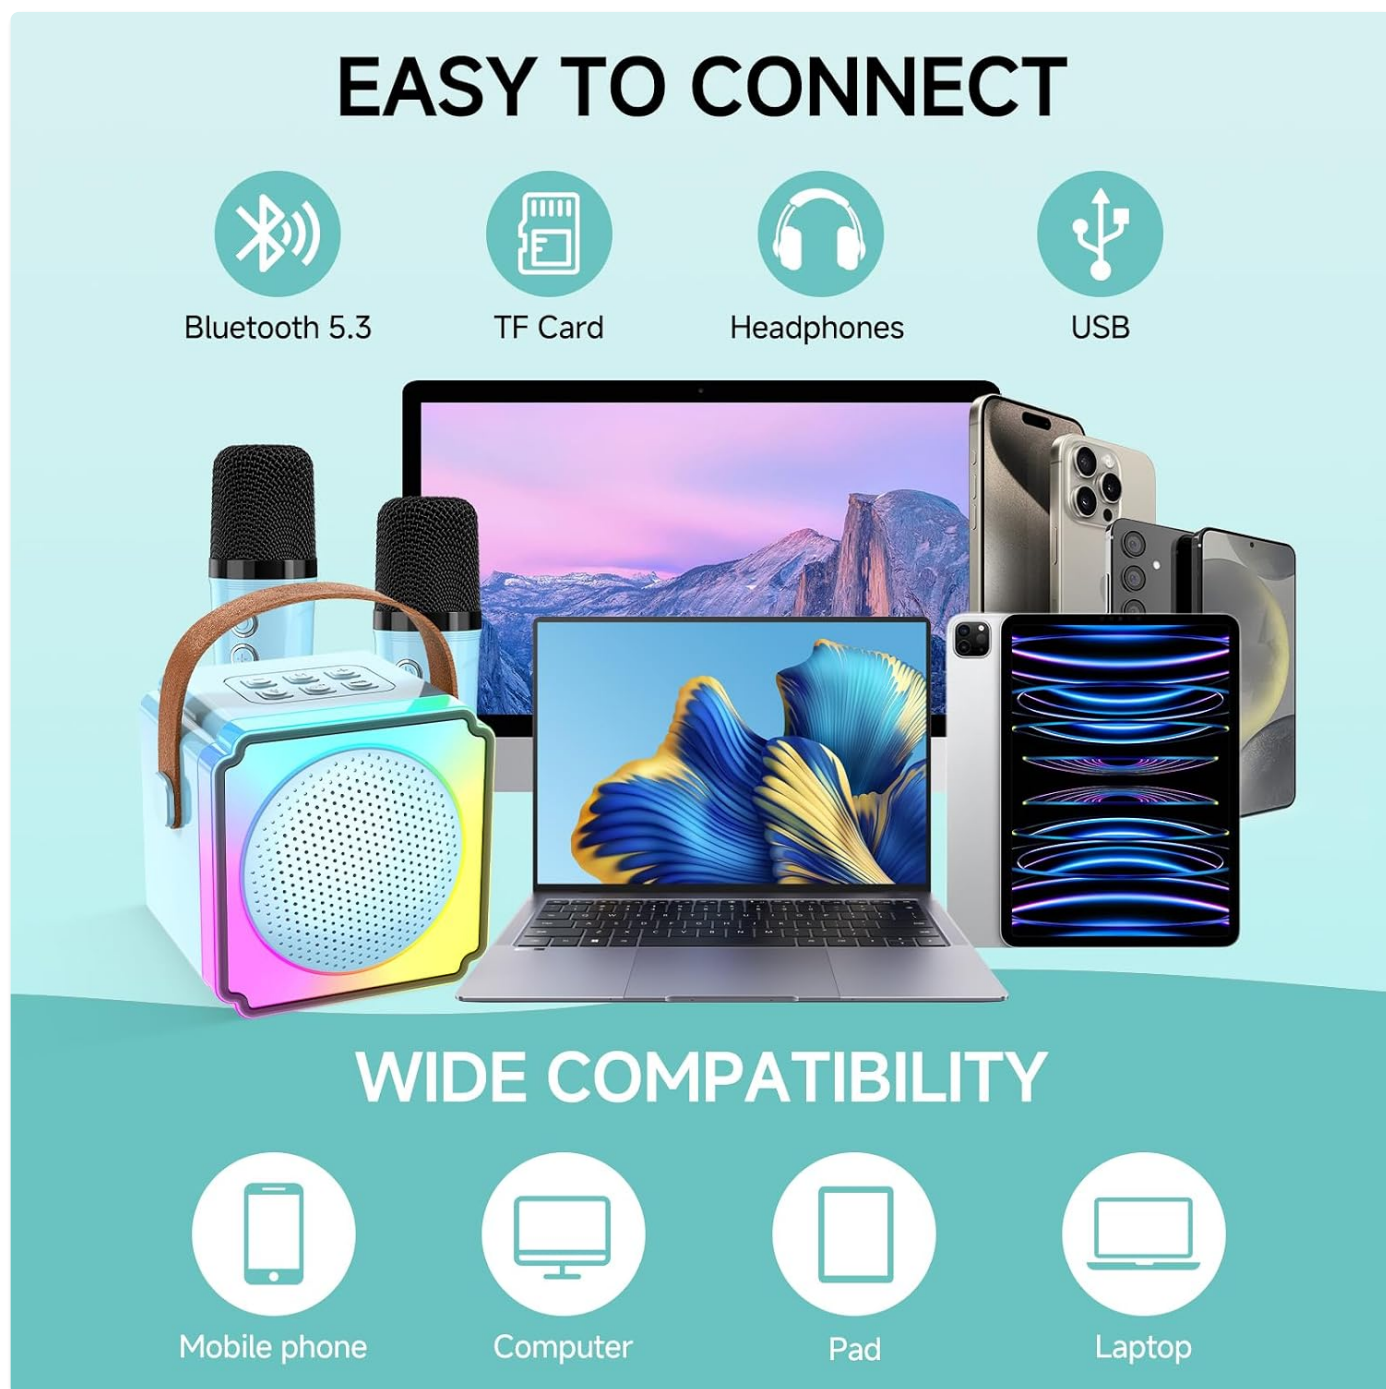

Image 4.1: Connectivity options for the karaoke machine.

5. OPERATION

5.1. Power On/Off

- **Karaoke Machine:** Long press the power button (usually the central button) on the top panel.
- **Microphones:** Long press the power button on each microphone.

5.2. Music Playback

- **Bluetooth:** Once paired, play music from your connected device.
- **TF Card/USB:** Insert a TF card or USB drive with music files into the respective port. The machine will automatically

switch to playback mode.

- **Controls:** Use the buttons on the karaoke machine to play/pause, skip tracks (long press volume +/-), and adjust speaker volume (double press volume +/-).

5.3. Microphone Usage

- Speak or sing into the microphone.
- Use the volume buttons on the microphone to adjust its volume.
- Ensure microphones are not too close to the speaker to avoid feedback.

5.4. Voice Changer Effects

- Press the 'M' button on the microphone to cycle through the 4 voice effects: original, male, female, baby, and monster.
- Long press the 'M' button to remove the original voice.

6. MAINTENANCE

- Keep the machine and microphones dry and clean.
- Wipe with a soft, dry cloth. Do not use abrasive cleaners.
- Store in a cool, dry place away from direct sunlight and high temperatures.
- Do not throw the machine or attempt to disassemble internal components.

7. TROUBLESHOOTING

- **No sound from speaker:** Ensure the speaker is powered on and connected via Bluetooth, TF card, or USB. Check volume levels on both the speaker and the connected device.
- **Microphone not working:** Ensure microphones are powered on and fully charged. Verify they are connected to the speaker.
- **Echo/Feedback:** Move microphones further away from the speaker to reduce echo or feedback.
- **Bluetooth connection issues:** Ensure Bluetooth is enabled on your device and the karaoke machine is in pairing mode. Try restarting both devices.
- **Short battery life:** Ensure the device is fully charged before use. Battery performance may vary with usage intensity.
