Maintenance

To ensure the longevity and appearance of your KINWELL Swivel Barrel Chairs, follow these care instructions:

- **Cleaning:** The boucle upholstery should be dry cleaned only. Do not machine wash or tumble dry.
- **Spills:** Blot spills immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain.
- **Dusting:** Regularly vacuum with a soft brush attachment to remove dust and debris.
- **Pillow Care:** The removable toss pillow can be spot cleaned or dry cleaned as needed.

Troubleshooting

If you encounter any issues with your KINWELL Swivel Barrel Chairs, consider the following:

- **Wobbling:** Ensure the chair is placed on a completely flat and stable surface. Uneven flooring can cause wobbling.
- **Swivel Mechanism:** If the swivel mechanism feels stiff, ensure no obstructions are beneath the chair base. Avoid forcing the swivel if resistance is met.
- **Fabric Snags:** While boucle is durable, avoid sharp objects that could snag the fabric. Address any loose threads carefully with scissors.
