## SETUP INSTRUCTIONS

Assembly is required for this furniture set. Please follow the step-by-step instructions provided in the separate assembly guide included in your package. Ensure all parts are present before beginning assembly.

- 1. Unpack Components:** Carefully remove all items from the packaging. Lay out all parts and hardware on a clean, soft surface to prevent scratches.
- 2. Assemble Sofa Sections:** Follow the specific instructions for connecting the modular sofa pieces. Ensure all bolts are securely tightened.
- 3. Assemble Fire Pit Table:** Attach the legs and any other components to the fire pit table body. Install the burner and connect the gas line as per the fire pit manual.
- 4. Place Cushions:** Once the frames are assembled, place the seat and back cushions onto the sofa sections.
- 5. Position Furniture:** Arrange the modular sections and tables in your desired configuration.

The furniture features sturdy sofa feet for stability. The modular design allows for flexible arrangement to suit your outdoor space.

## UPGRADED HAND-WOVEN PE RATTAN

Made of heavy-duty powder-coated steel frame with premium rattan, this patio sofa set is strong and durable enough to withstand all-weather variations for long-lasting use.

### OPERATING INSTRUCTIONS (FIRE PIT)

---

The propane fire pit table is equipped with an electronic pulse ignition system and adjustable heat control for ease of use.

- 1. Connect Propane Tank:** Ensure the propane tank is securely connected to the fire pit's gas line.
- 2. Open Gas Valve:** Slowly open the valve on the propane tank.
- 3. Ignite Burner:** Turn the control knob on the fire pit to the "ON" position and press the electronic pulse igniter button. Hold for a few seconds until the flame ignites.
- 4. Adjust Flame:** Once lit, adjust the flame height using the control knob to your desired level.
- 5. To Turn Off:** Turn the control knob to the "OFF" position. Close the valve on the propane tank.

Always ensure the glass wind guard is properly placed around the burner during operation to enhance safety and flame stability.

### MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your ELPOSUN patio furniture set.

- **General Cleaning:** Regularly dust and wipe down the rattan frames with a damp cloth. For spills, use a solution of mild soap and water. Rinse thoroughly and dry.

- **Cushion Care:** The cushions are made from solution-dyed fabric and quick-dry foam. While resistant to fading and moisture, it is recommended to store them indoors during prolonged periods of non-use or severe weather. Clean with mild soap and water, then air dry.
- **Protective Covers:** Utilize the included waterproof and dust-resistant protective covers when the furniture is not in use to shield it from the elements.
- **Fire Pit Maintenance:** Keep the fire pit burner and surrounding area clean from debris. Periodically check gas connections for any signs of wear or leaks.

### TROUBLESHOOTING

If you encounter issues with your ELPOSUN patio furniture set, please refer to the following common solutions:

- **Fire Pit Not Igniting:** Check if the propane tank valve is fully open. Ensure the gas line is securely connected. Verify that the igniter battery (if applicable) is functional.
- **Low Flame on Fire Pit:** Confirm the propane tank has sufficient fuel. Check for any kinks in the gas hose.
- **Unstable Sofa Sections:** Ensure all assembly bolts are tightened. Adjust the leveling feet if present on uneven surfaces.
- **Cushion Discoloration:** While cushions are UV-resistant, prolonged exposure to direct sunlight can still cause some fading over time. Use protective covers when not in use.

For issues not covered here, please contact ELPOSUN customer support.
