4. OPERATING (HOW TO PLAY)

Monopoly Board Crawl is designed for 2-10 players and typically lasts around 30 minutes. The game ends when every player has passed 'GO' once.

Gameplay Flow:

1. **Choose Your Token:** Each player selects a unique golden token to represent them on the board.
2. **Roll the Die:** On your turn, roll the single die and move your token clockwise around the board the corresponding number of spaces.
3. **Land on a Space:** The action you take depends on the space you land on:

- **Properties:** If you land on an unowned property, you can 'buy' it by taking a sip of your chosen beverage. If you land on a property owned by another player, you must pay 'rent' by taking the number of sips indicated on the Title Deed card. Alternatively, you can attempt to 'steal' the property by completing a ridiculous dare or challenge specified on the card.
- **Chance:** Draw a Chance Card and follow the instructions. These cards introduce unpredictable dares, truths, or actions that add humor and spontaneity to the game. If you wish to pass on a dare or truth, you must take a sip.
- **GO:** When you pass or land on 'GO', you have completed one full circuit of the board.
- **Jail:** If you land on 'Go to Jail' or draw a card that sends you to Jail, move your token directly to the Jail space. You cannot collect sips or buy properties while in Jail.

4. **Winning the Game:** The game concludes once every player has passed 'GO' one time. The player who has collected the most Title Deeds (properties) at this point is declared the winner.

5. MAINTENANCE

To ensure the longevity of your Monopoly Board Crawl game, follow these maintenance guidelines:

- **Storage:** Store all game components in their original box in a cool, dry place away from direct sunlight.
- **Cleaning:** The gameboard and cards can be gently wiped with a dry, soft cloth if needed. Avoid using liquids or abrasive cleaners, as this may damage the materials.
- **Handling:** Handle cards and tokens with care to prevent bending, tearing, or loss.

6. TROUBLESHOOTING

If you encounter any issues during gameplay, consider the following:

- **Lost Components:** In case of lost pieces, check the 'Components' section to identify what is missing. Contact Hasbro Gaming customer support for potential replacement options.

- **Rule Disputes:** If there are disagreements about rules, refer to this Game Guide for clarification. For situations not explicitly covered, players should agree on a fair resolution before continuing.
