Cogo 4187

COGO 4187 Icebreaker Explore 3D Building Blocks Instruction Manual

MODEL: 4187

1. Introduction

Welcome to the COGO 4187 Icebreaker Explore 3D Building Blocks set. This set contains 200 pieces designed to foster construction skills and creativity. Follow these instructions for proper assembly, maintenance, and care of your building block set.

2. Safety Information

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is recommended for ages 10-11 years and older. Not suitable for children under 3 years due to potential choking hazards. Adult supervision is recommended during assembly and play. Keep all parts away from heat sources. Do not ingest any parts of this product.

3. Package Contents

Please verify that all components are present before beginning assembly:

- 1 x COGO 4187 Icebreaker Explore 3D Building Blocks Set (200 pieces)
- 1 x Instruction Booklet (this document)

4. Setup

1. Unpack all components from the product box.
2. Lay out the building blocks on a clean, flat, and stable surface.
3. Familiarize yourself with the different types of blocks and connectors included in the set.

5. Operating Instructions (Assembly)

The COGO 4187 set is designed for the construction of an "Icebreaker Explore" model. Follow these general guidelines

for assembly:

- Refer to the step-by-step diagrams provided in the physical instruction booklet included with your set.
- Each step in the booklet will illustrate which specific blocks to use and how to connect them.
- Ensure blocks are firmly pressed together to create a stable and secure construction.
- If a piece does not fit easily, do not force it. Instead, check the diagram to ensure correct orientation and piece selection.
- Once the primary model is complete, feel free to use the blocks for creative exploration and build your own unique designs.

6. Maintenance

Proper care will extend the life of your COGO building blocks:

- **Cleaning:** To clean the blocks, gently wipe them with a damp cloth. Do not use harsh chemicals, abrasive cleaners, or immerse them in water.
- **Storage:** Store the blocks in a dry, cool place, away from direct sunlight, to prevent material degradation. Keep all pieces together in their original packaging or a suitable container to avoid loss.

7. Troubleshooting

- **Missing Pieces:** If you believe a piece is missing, carefully re-check the packaging and the building area. If a piece is genuinely missing, please contact customer support.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly before attempting to connect them. Apply firm, even pressure. If blocks are still difficult to connect, check for any debris or manufacturing imperfections.
- **Model Instability:** Ensure all connections are secure and firmly pressed together. Re-examine previous assembly steps to confirm correct placement and orientation of all parts.

8. Specifications

Brand:	Cogo
Model Number:	4187 (RIL001654)
Number of Pieces:	200
Material:	Plastic
Product Dimensions:	10 x 2 x 2.7 cm
Item Weight:	300 g
Recommended Age:	10 - 11 years
Educational Objective:	Construction Skills
Special Features:	3D

9. Warranty and Support

For product support, inquiries regarding missing parts, or warranty information, please refer to the contact details provided on the product packaging or visit the official COGO website. It is recommended to retain your purchase receipt as proof of purchase for any warranty claims.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
