4. Setup

4.1 Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds. Connect the provided USB-C charging cable to the charging port on the case and to a compatible USB power source. The LED display on the case will show the charging progress and current battery level.

4.2 Initial Pairing

Follow these steps for quick pairing:

1. Remove both earbuds from the charging case. They will automatically power on. Alternatively, press and hold the touch panel on both earbuds for 3 seconds to power them on. A blue indicator light will flash.
2. After powering on, you will hear voice prompts, and both earbuds will flash blue and red indicators alternately as they attempt to pair with each other.
3. Wait until both earbuds successfully pair with each other. Once paired, the left earbud will flash blue and red alternately, indicating it is ready to pair with your device.
4. Enable Bluetooth on your mobile device and search for "JS25" in the list of available devices.

5. Select "JS25" to connect. Once successfully connected, the earbuds will prompt "Connected".
6. If pairing fails, place the earbuds back into the charging case and repeat the steps.

1. remove both earbuds from the charging case or touch the panel on both earbuds for 3 seconds, and wait for the earbuds to automatically power on.

2. after power on you will hear voice prompts and both earbuds will flash blue and red indicator alternatively.

3. wait until both earbuds pair with each other. once paired left earbuds will flash blue and red indicator alternatively.

4. you will hear a voice prompt 'pairing' which means that earbuds are 'ready to pair'. please enable bluetooth function on your device and search for 'Mytrack' to connect.

5. once your device and earbuds are successfully connected your earbuds will auto-connect to the previously paired device (if bluetooth is enabled) when they are turned on.

6. if you cannot pair the earbuds place them back in the case and repeat the previous steps.

QUICK PAIRING

**Seamless
Single and Dual
Earbuds Switch**

Image 4.2: The earbuds automatically connect to your device upon removal from the case.

5. Operating Instructions

5.1 Power On/Off

- **Power On:** Remove earbuds from the charging case (automatic) or press and hold the touch panel for 3 seconds.
- **Power Off:** Place earbuds back into the charging case (automatic) or press and hold the touch panel for 5 seconds.

5.2 Bluetooth Connection

Once paired, the earbuds will automatically connect to the last paired device when removed from the charging case and Bluetooth is enabled on your device.

5.3 Touch Controls

The earbuds feature intuitive touch controls for various functions:

- **Play/Pause:** Single tap on either earbud.
- **Next Song:** Double tap the right earbud.
- **Previous Song:** Double tap the left earbud.

- **Volume Up:** Triple tap the right earbud.
- **Volume Down:** Triple tap the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold on either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Press and hold on either earbud for 3 seconds (e.g., Siri, Google Assistant).

Image 5.1: The earbuds feature fingerprint touch controls for various functions.

6. Maintenance

6.1 Cleaning

Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials. Ensure charging contacts are free of dust and debris.

6.2 Water Resistance

The earbuds have an IPX4 waterproof rating, meaning they are resistant to splashing water from any direction. They are suitable for outdoor sports and gym use where sweat or light rain may occur. **The charging case is NOT waterproof.** Do not submerge the earbuds or charging case in water.

6.3 Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged. Avoid extreme temperatures and direct sunlight.

7. Troubleshooting

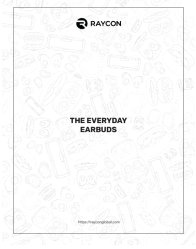

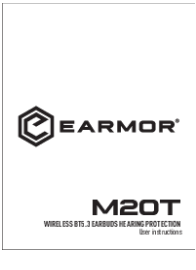

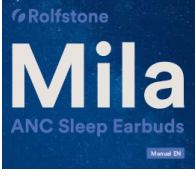

- **Earbuds not powering on:** Ensure earbuds are charged. Place them in the charging case and check the case's battery level.
- **Earbuds not pairing with each other:** Place both earbuds back into the charging case for a few seconds, then remove them simultaneously to allow them to re-sync.
- **Earbuds not connecting to device:** Ensure Bluetooth is enabled on your device. Forget "JS25" from your device's Bluetooth list and attempt to pair again. Ensure earbuds are fully charged.
- **No sound or low volume:** Check the volume level on both your device and the earbuds. Ensure earbuds are properly seated in your ears.
- **Charging case not charging:** Verify the USB-C cable is securely connected to both the case and the power source. Try a different cable or power adapter.
