ARTPOWER Wine Bar Cabinet with Fluted Texture

ARTPOWER Wine Bar Cabinet with Fluted Texture Instruction Manual

Model: Wine Bar Cabinet with Fluted Texture

INTRODUCTION

Thank you for choosing the ARTPOWER Wine Bar Cabinet with Fluted Texture. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

Please observe the following safety precautions during assembly and use:

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before using the cabinet. Periodically check and re-tighten as needed.
- Do not overload the cabinet. Refer to the "Specifications" section for weight limits.
- Use the included anti-tip kit (if applicable) to secure the cabinet to a wall, especially in homes with children or pets, to prevent tipping.
- Avoid placing hot items directly on the cabinet surface without protection.

PARTS LIST

Before assembly, verify that all components are present and undamaged. Each component is typically labeled for easy identification.

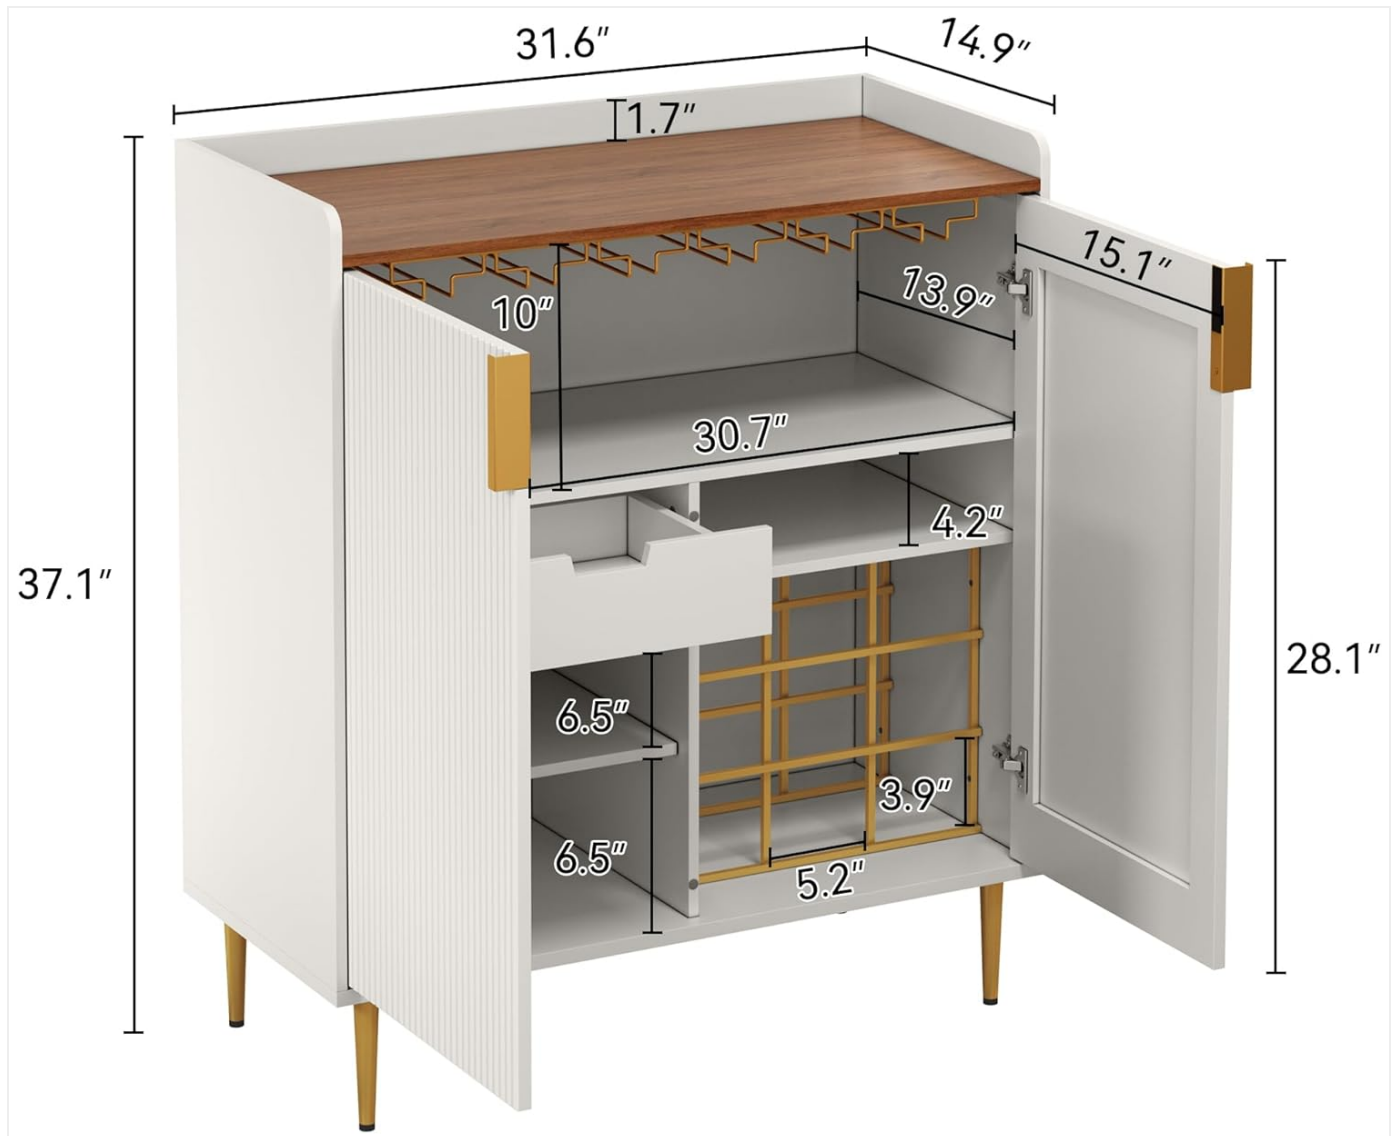

Image: A detailed diagram illustrating the dimensions of the cabinet (37.1" H x 31.6" W x 14.9" D) and the internal layout, including shelves, a drawer, wine rack, and glass holders.

Typical components include:

- Top Panel
- Side Panels (Left and Right)
- Bottom Panel
- Back Panel
- Doors (Left and Right)
- Internal Shelves
- Drawer Components
- Wine Rack Inserts
- Stemware Holders
- Legs and Mounting Hardware
- Handles
- Assembly Hardware (screws, dowels, cam locks, hinges, etc.)

SETUP AND ASSEMBLY

Assembly is required for this cabinet. It is recommended to have two people for assembly. Follow the detailed installation guide provided in your product packaging. Each component is labeled for easy identification.

1. **Prepare the Area:** Clear a spacious, clean, and soft area for assembly to prevent damage to the cabinet parts and your floor.
2. **Identify Parts:** Unpack all components and lay them out. Match each part to the corresponding label in the instruction manual.
3. **Assemble the Frame:** Begin by attaching the side panels to the bottom panel, then secure the top panel. Ensure all connections are tight.
4. **Install Internal Components:** Insert the internal shelves, drawer slides, and assemble the drawer according to the instructions.
5. **Attach Wine Rack and Glass Holders:** Secure the metal wine rack inserts and stemware holders into their designated positions.
6. **Mount Doors:** Attach the hinges to the doors and then to the cabinet frame. Adjust hinges as necessary for proper door alignment.
7. **Install Legs and Handles:** Secure the four tapered legs to the base of the cabinet. Attach the handles to the doors.
8. **Final Checks:** Ensure all screws are tightened. Place the cabinet in its desired location and install the anti-tip kit if provided.

LIQUOR RACK

Hold 9 Wine Bottles

Image: A close-up view of the liquor rack, designed to hold up to nine wine bottles securely within the cabinet's lower section.

OPERATING INSTRUCTIONS

The ARTPOWER Wine Bar Cabinet is designed for versatile storage and display. Here's how to utilize its features:

- **Stemware Holders:** Hang up to 6 rows of wine glasses securely in the integrated stemware holders located in the upper section.
- **Wine Rack:** Store up to 9 standard-sized wine bottles in the dedicated metal wine rack.
- **Drawer:** Use the small drawer for storing bar tools, cocktail napkins, or other small accessories.
- **Shelves:** The reversible shelves provide flexible storage for spirits, coffee mugs, dishes, or decorative items.
- **Top Surface:** The top surface can be used for preparing drinks, displaying decor, or holding a coffee machine. The tabletop bezel helps prevent items from falling.

DUSTPROOF DRAWER

The drawer conveniently store bar tools and cocktail napkins

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your ARTPOWER Wine Bar Cabinet:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage

the finish.

- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth.
- **Legs:** The high legs allow for easy cleaning underneath the cabinet with a vacuum cleaner.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, as this can cause fading or warping. Maintain a stable humidity level.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cabinet wobbles	Uneven floor; loose leg connections.	Adjust the anti-scratch feet on the legs. Ensure all leg screws are tightened.
Doors do not align properly	Hinges are not adjusted correctly; cabinet frame is not square.	Adjust the screws on the hinges to align the doors. Ensure the cabinet is assembled squarely.
Drawer sticks or does not slide smoothly	Drawer slides are not installed correctly; debris in slides.	Check drawer slide installation. Clean slides of any obstructions.
Strong odor after assembly	New furniture off-gassing.	Ensure good ventilation in the room. The odor should dissipate within a few days to weeks.
