HONOR X6 (ETOYYY, PET-T10, PET-B10)

HONOR Earbuds X6

User Manual

Model: ETOYYY (Earbuds: PET-T10, Charging Case: PET-B10)

Introduction

Thank you for choosing the HONOR Earbuds X6. These wireless earbuds are designed to provide a high-quality audio experience with advanced features for daily use. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Setup

Initial Charging

Before first use, ensure the charging case and earbuds are fully charged. Connect the charging case to a power source using a compatible USB-C cable. The indicator light on the case will show charging status.

Pairing Your Earbuds

Follow these steps to pair your HONOR Earbuds X6 with your device:

1. **Reset and Enter Pairing Mode:** Place both earbuds into the charging case. Keep the lid open. Press and hold the touch control areas of both earbuds simultaneously for 3 seconds. A white light blinking on the charging case indicates the earbuds have entered pairing mode.

2. **Connect via Bluetooth:** On your device (e.g., smartphone, tablet), enable Bluetooth. Search for and select "HONOR Earbuds X6" from the list of available devices to connect.

Other Pairing Methods:

- The first time you open the charging case lid, the earbuds enter pairing mode automatically.
- While wearing the earbuds on both ears, press and hold on the touch areas of both earbuds for 4 seconds simultaneously to enter pairing mode.

Operating Your Earbuds

Touch Controls

The HONOR Earbuds X6 feature intuitive touch controls on the side of each earbud for easy management of calls and music playback.

- **Tap Twice:** To answer or end a call, play or pause audio playback, or skip to the next track. This gesture can also wake up your device's voice assistant.
- **Tap and Hold:** To reject unwanted incoming calls.

Multiple Sound Effects (EQ)

The earbuds offer 4 EQ sound effects to customize your listening experience:

- **Original Soundtrack:** Balanced sound profile.
- **The Booming Bass:** Enhanced low frequencies for powerful bass.
- **The Powerful Soprano:** Optimized for clear high frequencies.
- **The Warmth of Human Voice:** Accentuated mid-range for vocal clarity.

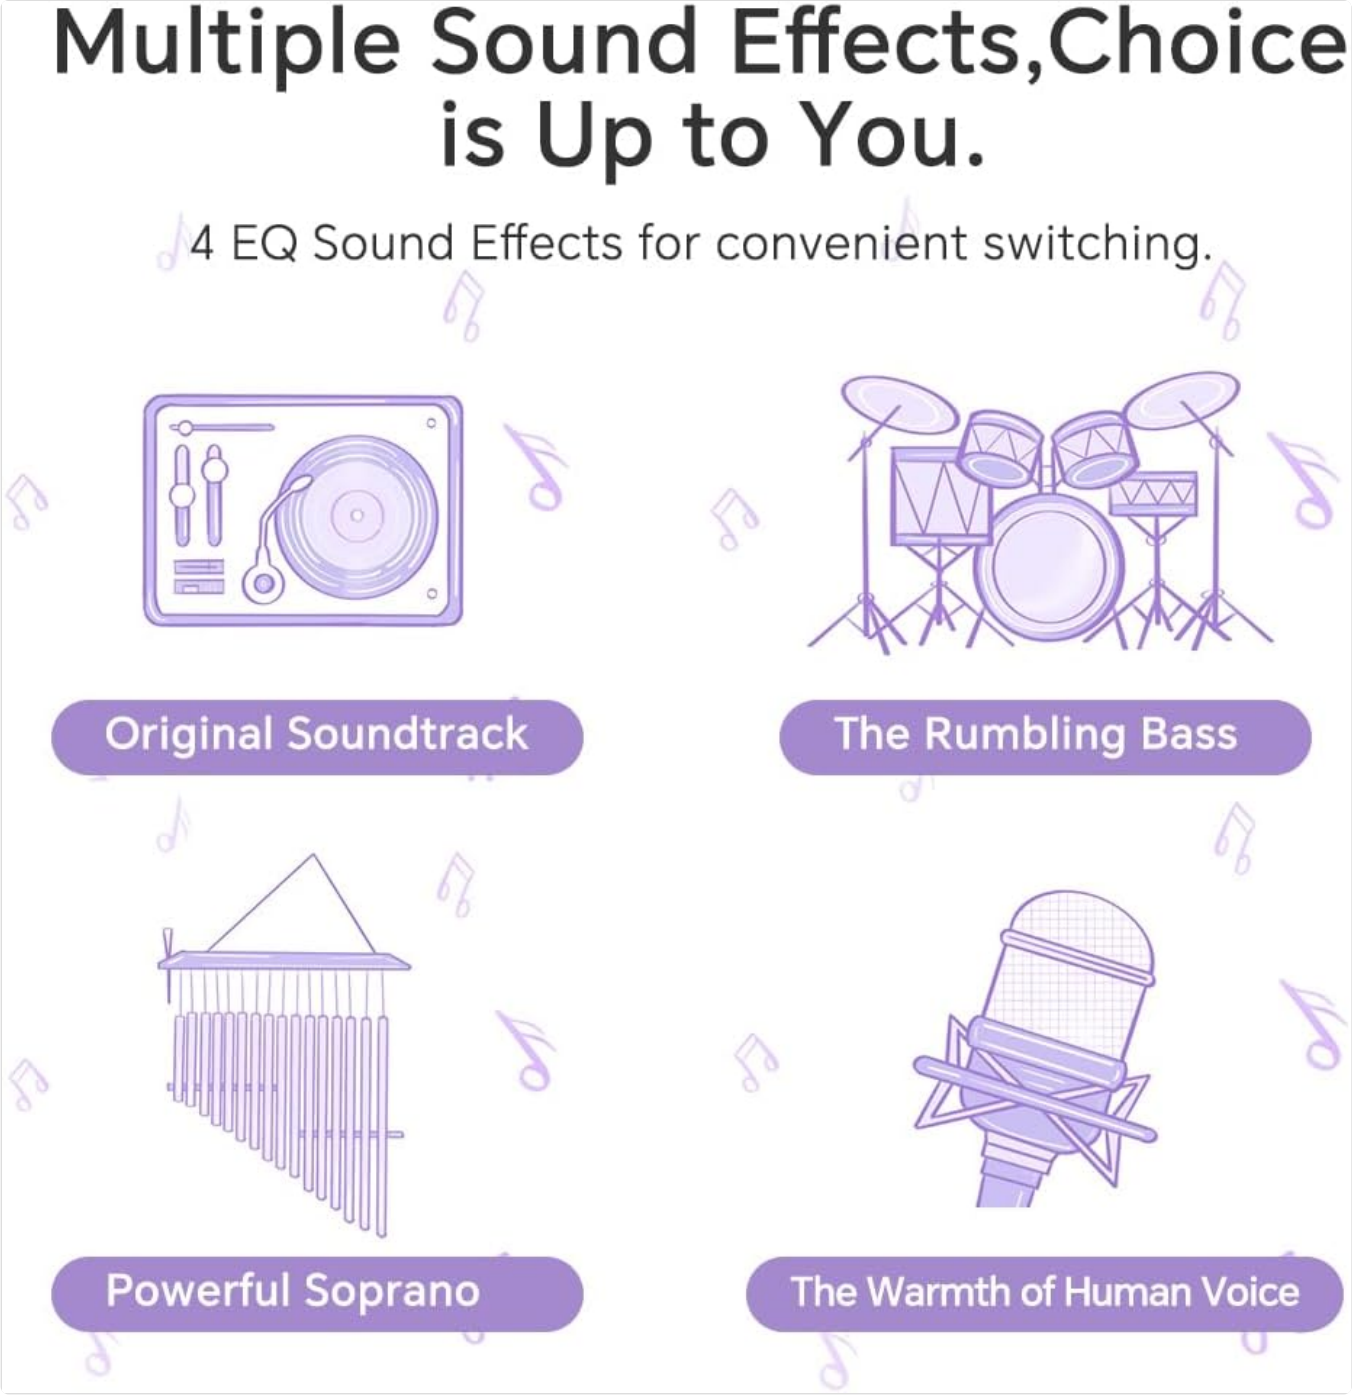

Image: Icons illustrating the four available EQ sound effects: Original Soundtrack (turntable), The Booming Bass (drum set), The Powerful Soprano (wind chimes), and The Warmth of Human Voice (microphone).

Find Earbuds Function

If you misplace your earbuds, the "Find Earbuds" function can help you locate them. Activate this feature through the HONOR AI Space app (if available for your device) to make the earbuds beep, assisting you in finding them.

Key Features

Pure Sound Quality

The HONOR Earbuds X6 are equipped with a 10mm dynamic driver and a titanium-coated composite diaphragm, ensuring rich bass and detailed highs. The efficient HiFi5 DSP provides professional decoding for high-quality music files, delivering a wonderful sound experience.

Image: An illustration of a microchip labeled 'DSP', representing the HiFi5 DSP for high-quality audio decoding.

Extended Battery Life

Enjoy up to 9 hours of listening time on a single charge. With the portable charging case, the total battery life extends to an impressive 40 hours, perfect for extended travel or binge-watching. A quick 10-minute charge provides 3 hours of listening.

Image: Graphic illustrating '40 Hours Battery Life' with the earbuds and charging case, emphasizing long usage time.

Lightweight and Comfortable Design

Each earbud weighs only 3.8g, offering a lightweight and comfortable fit for long listening sessions. The compact and sleek design, inspired by pebbles, ensures a secure and stable fit conforming to the ear's contour.

Bluetooth 5.3 Connectivity

Equipped with the latest Bluetooth 5.3 technology, the earbuds provide a stable and reliable wireless connection for seamless audio streaming and calls.

IP54 Dust and Splash Resistance

The earbuds are rated IP54 for dust and water splash resistance, making them suitable for various environments and light workouts. **Note:** This feature applies only to the earbuds, not the charging case.

AI Noise Reduction for Clear Calls

Benefit from AI Noise Reduction technology, which helps to minimize background noise during calls, ensuring clearer conversations.

Maintenance and Care

To ensure the longevity and optimal performance of your HONOR Earbuds X6, follow these care guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Water Exposure:** While the earbuds are IP54 rated for splash resistance, avoid submerging them in water or exposing them to heavy rain. Dry them thoroughly if they get wet. The charging case is not water-resistant.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Charging:** Use only the provided or certified compatible charging cables and adapters.

Specifications

Feature	Detail
Brand	HONOR
Model Name	Earbuds X6
Item Model Number	ETOYYY (Earbuds: PET-T10, Charging Case: PET-B10)

Package Dimensions	15.6 x 15.5 x 5.2 cm
Package Weight	100 g
Manufacturer	HONOR

Troubleshooting

If you encounter issues with your HONOR Earbuds X6, try the following solutions:

- **Earbuds not pairing:**
  - Ensure both earbuds are in the charging case with the lid open.
  - Confirm Bluetooth is enabled on your device.
  - Try resetting the earbuds by holding the touch areas for 3 seconds while in the open case.
  - Forget the device from your phone's Bluetooth settings and try pairing again.
- **No sound or low volume:**
  - Check the volume level on both your device and the earbuds.
  - Ensure the earbuds are properly seated in your ears.
  - Confirm the earbuds are connected to your device.
  - Clean any debris from the earbud grilles.
- **Earbuds not charging:**
  - Ensure the charging cable is securely connected to both the case and the power source.
  - Check if the charging contacts on the earbuds and inside the case are clean and free of obstruction.
  - Try a different charging cable or power adapter.
- **Earbuds lost:**
  - Use the "Find Earbuds" function via the HONOR AI Space app to make them beep.
