Kuizil T70

Kuizil Smart Watch T70 User Manual

Model: T70

1. PRODUCT OVERVIEW

The Kuizil Smart Watch T70 is a versatile wearable device designed to assist with daily activities and fitness tracking. It features a 1.91-inch HD color screen, Bluetooth calling capabilities, and various health monitoring functions.

Image 1.1: Kuizil Smart Watch T70. This image displays the watch's main interface showing steps, calories, distance, heart rate, battery, and time, alongside a separate image of the watch displaying a phone dial pad.

2. PACKAGE CONTENTS

Ensure all items are present in the package:

- Kuizil Smart Watch T70
- Magnetic charging cable
- User Manual (this document)

Image 2.1: Size and Package Contents. This diagram illustrates the watch dimensions (45.5mm x 36.3mm, 10mm thickness, 214mm circumference) and lists the watch, strap, and magnetic charging cable as included items.

3. SETUP GUIDE

3.1 Initial Charging

Before first use, fully charge the smart watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included) or a computer USB port. A full charge typically takes approximately 2 hours.

3.2 App Download and Installation

The Kuizil Smart Watch T70 requires the "Gloryfit" app for full functionality. Download the app from your smartphone's app store (App Store for iOS, Google Play Store for Android).

3.3 Device Pairing

Follow these steps to pair your watch with your smartphone:

1. Ensure your phone's Bluetooth is enabled.
2. Open the "Gloryfit" app.
3. In the app, navigate to the device section and search for available devices.
4. Select "T70" from the list to initiate pairing. Confirm any pairing requests on both your phone and watch.
5. For Bluetooth call functionality, after initial pairing, go to your phone's Bluetooth settings, find "T70" (or a similar name like "T70-XXXX"), and connect to it. This establishes the audio connection.

SIZE & PACKAGE CONTENTS

Image 3.1: Pairing Instructions. This image illustrates the process of downloading the GloryFit app, enabling Bluetooth, binding the device in the app, and then connecting to the watch's audio Bluetooth for call features.

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

The watch features a full touch screen. Swipe left, right, up, or down to navigate through menus and functions. Tap to select an option.

4.2 Bluetooth Call and Message Notifications

Once paired, you can answer or make calls directly from the watch. The watch will also display notifications for social media messages (Facebook, WhatsApp, Instagram, Twitter, etc.) via vibrating alerts.

BLUETOOTH CALL

Make or answer calls directly on the watch at anytime and anywhere

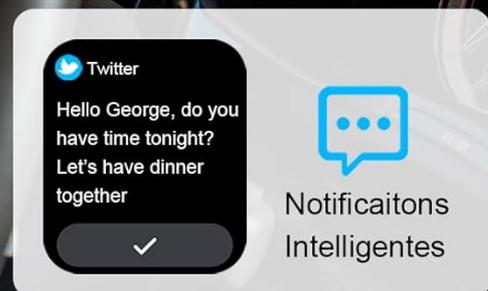

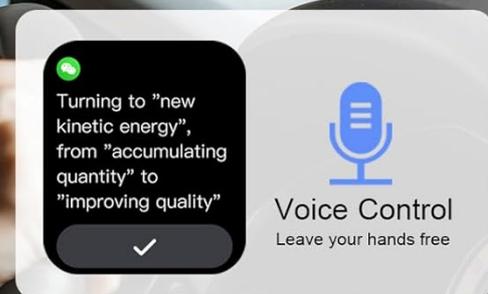

Image 4.1: Bluetooth Call Functionality. This image demonstrates the ability to make or answer calls directly on the watch and receive notifications from various social media platforms.

4.3 Customizing Watch Faces

The "Gloryfit" app offers over 100 free personalized watch faces. You can download and set these as your watch's desktop background.

1.91" HD Colorful Screen

100+ built in watch faces in GloryFit app
customize your watch face

Image 4.2: Customizable Watch Faces. This image shows the 1.91-inch HD colorful screen with several watch face options, highlighting the ability to customize with over 100 designs available in the GloryFit app.

4.4 Health Monitoring

The watch continuously monitors various health metrics:

- **Heart Rate:** Real-time heart rate monitoring.
- **Blood Oxygen (SpO2):** Monitors blood oxygen levels.
- **Sleep Monitoring:** Automatically tracks sleep status (deep, light, awake, REM) and provides comprehensive analysis in the app.
- **Female Cycle Tracking:** Provides comprehensive care for women's health by tracking menstrual cycles.

Heart Rate Monitor

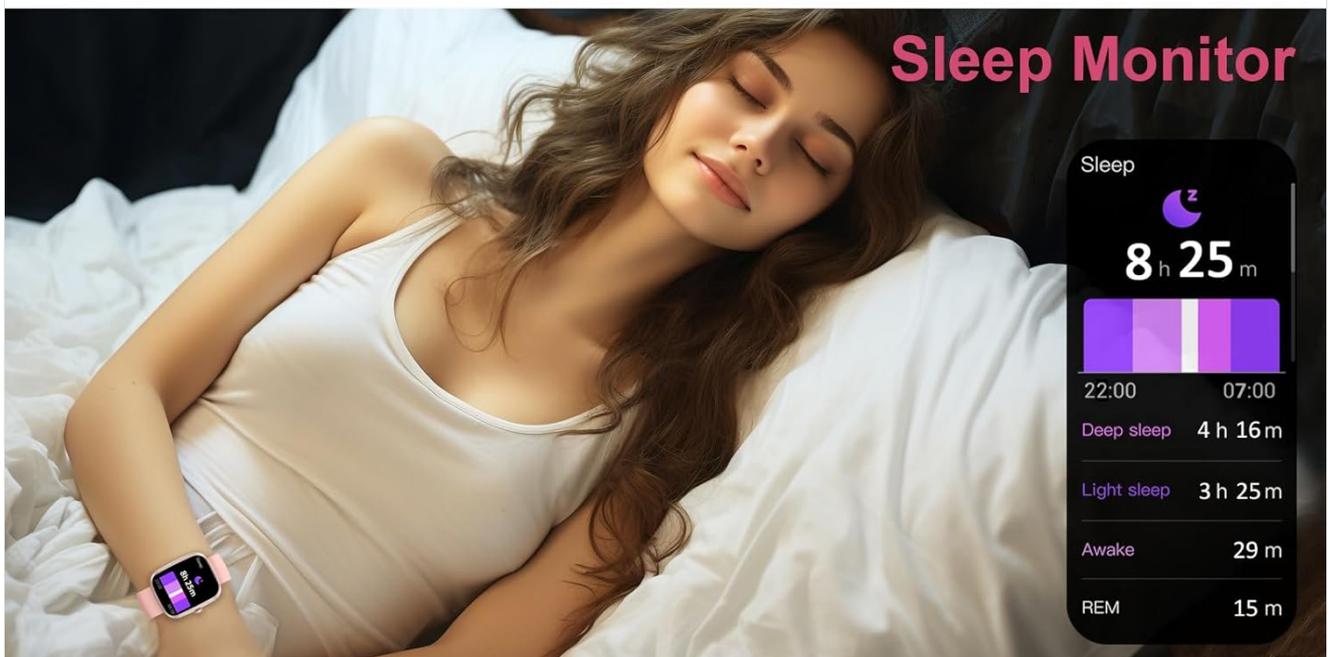

Image 4.3: Heart Rate and Sleep Monitoring. This image illustrates the watch's capability to monitor heart rate (showing 78 bpm) and provide detailed sleep analysis, including deep, light, awake, and REM sleep stages.

4.5 Activity Tracking and Sports Modes

The watch supports over 100 sports modes and tracks daily activity:

- **Activity Data:** Records steps, calories burned, and distance.
- **Sports Modes:** Includes running, cycling, walking, basketball, yoga, football, and many more.

This image displays a woman wearing the watch, surrounded by icons representing features like activity data, workout, messages, voice control, weather, alarm clock, stopwatch, timer, meditation, find phone, music, camera, flashlight, vibration intensity, and sedentary reminder.

5. MAINTENANCE

5.1 Cleaning

Wipe the watch screen and strap regularly with a soft, dry cloth. If necessary, use a slightly damp cloth and then dry thoroughly. Avoid using harsh chemicals or abrasive materials.

5.2 Water Resistance

The Kuizil Smart Watch T70 has an IP68 waterproof rating, making it suitable for daily activities like washing hands or light rain. However, it is not recommended for use in hot water, seawater, or during swimming/diving activities, as this may compromise its water resistance.

5.3 Battery Care

To prolong battery life, avoid extreme temperatures. Charge the watch using the provided magnetic charging cable.

The watch offers approximately 5-7 days of normal use and up to 30 days of standby time on a 2-hour charge.

6. TROUBLESHOOTING

If you encounter issues with your Kuizil Smart Watch T70, refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Unable to pair with phone:**
 - Ensure Bluetooth is enabled on your phone.
 - Make sure the watch is within Bluetooth range (typically 10 meters).
 - Restart both your phone and the watch.
 - Check if the "Gloryfit" app has necessary permissions on your phone.
 - If you have tattoos on your wrist, especially dark or blackout tattoos, they may interfere with the watch's sensors for heart rate and blood oxygen monitoring. Try wearing the watch on the other wrist or an area with less pigmentation.
- **Inaccurate health data:** Ensure the watch is worn snugly but comfortably on your wrist, about one finger's width above the wrist bone. Clean the sensors on the back of the watch.
- **Notifications not appearing:** Check app permissions for "Gloryfit" on your phone to ensure it can access notifications. Verify that notifications are enabled within the "Gloryfit" app settings for specific applications.
- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring if not required.

7. SPECIFICATIONS

Feature	Specification
Model Number	T70
Screen Size	1.91 Inches
Display Resolution	320*380
Battery Capacity	300 mAh
Charging Time	Approx. 2 hours
Normal Usage Time	5-7 days
Standby Time	Approx. 30 days
Waterproof Rating	IP68
Connectivity	Bluetooth
Operating System	Android Wear 2.0 (compatible with iOS 9.0+ and Android 6.0+)
