Vida Designs Arlington 2-Door TV Unit Instruction Manual

Model: ARTC1&2

INTRODUCTION

Thank you for choosing the Vida Designs Arlington 2-Door TV Unit. This manual provides essential information for the safe assembly, installation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

IMPORTANT SAFETY INFORMATION

Your safety is paramount. Please adhere to the following guidelines:

- **Assembly:** Always assemble the unit strictly according to the provided instructions.
- **Anti-Tip Device:** Secure the unit to the wall using the provided hardware to prevent tipping. This is especially important in households with small children or pets.
- **Weight Distribution:** Do not place excessively heavy objects on the top shelf or any single shelf to avoid overloading and potential instability. Distribute weight evenly.
- **Placement:** Position the TV unit on a flat, stable surface to ensure stability.
- **Children:** Keep children away from the assembly area. Small parts can be a choking hazard.

PARTS AND HARDWARE

Before assembly, please verify that all components and hardware listed in the separate assembly instructions are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact Vida Designs customer service for assistance.

The package includes the Arlington TV Unit components, assembly instructions, and necessary hardware.

ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are provided within the product packaging. Please follow these step-by-step instructions carefully. It is recommended to have two people for assembly to ensure safety and ease of construction.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the provided parts list.
3. Follow the numbered steps in the assembly manual, ensuring all screws and fasteners are tightened securely. Do not overtighten.
4. Attach the anti-tip device to the wall as instructed to prevent accidental tipping.

SETUP AND PLACEMENT

Once assembled, position your Vida Designs Arlington TV Unit in its desired location. Ensure the surface is level and stable. The unit is designed to accommodate various media equipment.

- Place your television centrally on the top surface, ensuring it does not overhang the edges.
- Utilize the open shelves for media devices such as gaming consoles, soundbars, or DVD players.
- The enclosed cabinets can store DVDs, remote controls, or other accessories, keeping your entertainment area tidy.
- Cable management cutouts are provided at the back of the open shelves to help organize wires.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your TV unit, follow these care instructions:

- **Cleaning:** Wipe with a dry cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Immediately wipe any spills with a soft, dry cloth to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.

TROUBLESHOOTING

If you encounter any issues with your TV unit, consider the following:

- **Wobbling/Instability:** Check all screws and fasteners to ensure they are securely tightened. Ensure the unit is on a

level surface.

- **Doors Not Aligning:** Adjust the hinges on the cabinet doors if they appear misaligned. Refer to the assembly instructions for hinge adjustment details.
- **Missing Parts:** If parts were missing during initial unboxing, contact Vida Designs customer service immediately.
