Jugeman P99

Jugeman P99 Smart Watch User Manual

Model: P99

Brand: Jugeman

1. INTRODUCTION

This user manual provides detailed instructions for the operation and maintenance of your Jugeman P99 Smart Watch. Designed for both men and women, this smartwatch offers a wide range of features including Bluetooth calling, comprehensive health monitoring, and various sports modes. Please read this manual thoroughly to ensure proper use and to maximize the device's capabilities.

The Jugeman P99 Smart Watch, featuring a large display and call functionality.

2. SAFETY INFORMATION

To ensure safe and optimal performance of your smart watch, please observe the following safety guidelines:

- Do not attempt to disassemble, strike, or throw the device into fire. This can cause damage, fire, or explosion.
- Avoid placing the device in high temperature or deep water environments. Extreme conditions can impair functionality and safety.
- The smart watch must be connected to a power source of 5V/1A while charging. Use only the provided watch charger.
- The data provided by the smart watch, including health monitoring data, is for reference purposes only and should not be used for medical diagnosis or treatment. Consult a medical professional for health-related concerns.
- While the device is IP68 water and dust resistant, it **is not suitable for swimming or hot baths**. Avoid prolonged submersion or exposure to hot water.
- Wear the smart watch correctly: the strap should be fastened neither too tightly nor too loosely, allowing your skin to breathe.

3. GETTING STARTED: SETUP

3.1. Package Contents

Before you begin, please verify that all items are present in the package:

- Jugeman P99 Smart Watch
- Watch charger
- Instruction manuals (this document)

The Jugeman Smart Watch retail packaging.

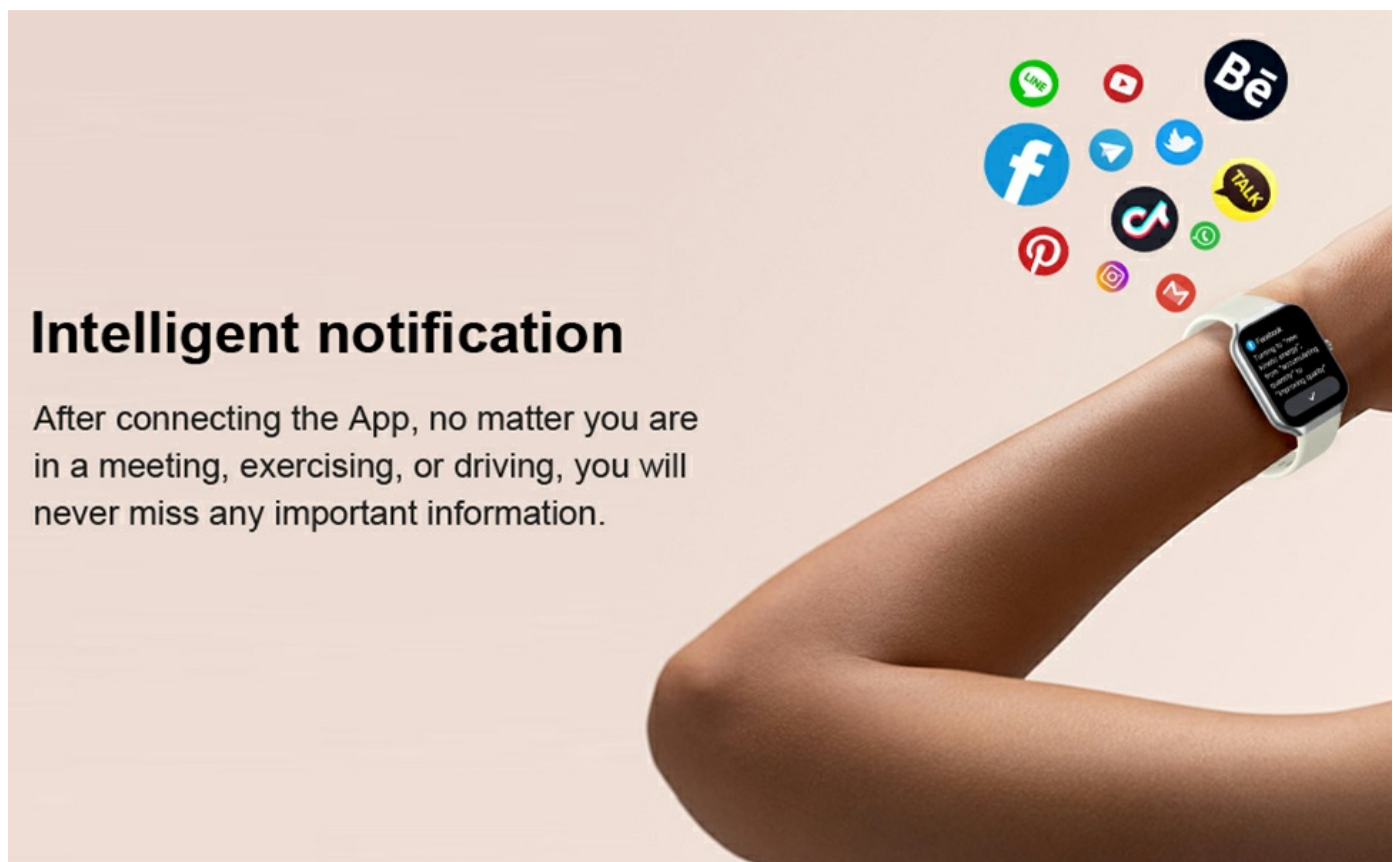

3.2. Charging the Smart Watch

Upon first use, fully charge your smart watch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a 5V/1A power adapter (not included) or a computer USB port.

3.3. App Installation and Pairing

To unlock the full functionality of your smart watch, download and install the "GloryFit" application on your smartphone. The app is compatible with iOS 10.0 and Android 9.0 or above.

1. Scan the QR code in the manual or search for "GloryFit" in your phone's app store (App Store for iOS, Google Play Store for Android).
2. Install the "GloryFit" app.
3. Open the app and follow the on-screen instructions to create an account or log in.
4. Ensure Bluetooth is enabled on your smartphone.
5. In the "GloryFit" app, navigate to the device section and search for your P99 Smart Watch. Select it to pair.
6. Confirm the pairing request on both your phone and the smart watch.

Intelligent notification

After connecting the App, no matter you are in a meeting, exercising, or driving, you will never miss any important information.

The smart watch receiving intelligent notifications from various applications.

3.4. Customizing the Watch Face

The P99 Smart Watch offers over 250 personalized watch faces. You can change the dial to suit your aesthetic preferences or even set a personal picture as your watch face through the "GloryFit" app.

250+ Customized watch face

Change the Dial as You Wish Rich dials to meet diverse aesthetics. Support custom dials, choose favorite photo as dial to create a unique smartwatch.

Examples of customized watch faces available for the Jugeman P99 Smart Watch.

4. OPERATING YOUR SMART WATCH

4.1. Bluetooth Call and Message Notifications

With its built-in microphone and Hi-Fi speaker, the P99 Smart Watch allows you to make and receive calls directly from your wrist when connected via Bluetooth to your smartphone. It also displays notifications from various apps.

- **Making Calls:** Access the dial pad or contacts list on the watch to initiate a call.
- **Receiving Calls:** Answer or reject incoming calls directly from the watch screen.
- **Message Notifications:** Receive alerts for SMS, Facebook, WhatsApp, Instagram, and other app notifications. Lift your wrist to view the information.

BLUETOOTH CALL

Make or answer calls directly on the watch at anytime and anywhere.

4.2. Health Monitoring Features

The P99 Smart Watch is equipped with an advanced optical sensor to monitor your health throughout the day.

Heart Rate Monitoring

The watch provides 24-hour heart rate monitoring, allowing you to track your heart rate in real-time and view historical data in the "GloryFit" app.

Heart rate monitoring and sleep tracking features of the Jugeman P99 Smart Watch.

Sleep Monitoring

The watch automatically detects your sleep quality, tracking deep sleep, light sleep, and awake time. Review your sleep patterns in the "GloryFit" app to understand your rest quality.

SpO2 Measurement

The device also supports SpO2 (blood oxygen saturation) measurement, providing additional insights into your physical well-being.

4.3. Sports Modes and Activity Tracking

The P99 Smart Watch supports over 113 sports modes, including running, cycling, walking, basketball, yoga, and more. During your exercise, the activity tracker records data such as steps, calories burned, and distance.

The Jugeman P99 Smart Watch supports over 113 sports modes for comprehensive activity tracking.

4.4. Other Smart Functions

The Jugeman P99 Smart Watch includes a variety of additional useful functions:

- Timer and Stopwatch
- Alarm Clock
- Sedentary Reminder
- Music Control (play, pause, skip tracks on your phone)
- Weather Forecast
- Brightness Adjustment
- Remote Photo Control (trigger your phone's camera)
- Calculator
- Find Phone function

5. MAINTENANCE AND CARE

Proper care will extend the lifespan of your Jugeman P99 Smart Watch:

- **Cleaning:** Regularly wipe the watch screen and strap with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, ensuring no moisture enters the device.
- **Water Resistance:** The watch has an IP68 rating, meaning it is resistant to dust and splashes from hand washing or rain. However, it is not designed for swimming, diving, or hot water exposure. Remove the watch before showering or bathing.
- **Storage:** Store the watch in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Chemicals:** Do not use harsh chemicals, cleaning solvents, or strong detergents to clean the watch, as these can damage the materials.

The Jugeman P99 Smart Watch features IP68 water resistance.

6. TROUBLESHOOTING

If you encounter issues with your Jugeman P99 Smart Watch, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Watch does not turn on	Low battery; Device malfunction	Charge the watch for at least 30 minutes. If it still doesn't turn on, contact customer support.
Cannot pair with smartphone	Bluetooth off; App not running; Watch not discoverable; Incompatible OS version	Ensure Bluetooth is on. Restart both watch and phone. Make sure "GloryFit" app is open. Check phone's OS version (Android 9.0+ / iOS 10.0+).
No notifications received	App permissions; Bluetooth disconnected; Do Not Disturb mode	Check app notification permissions in phone settings. Ensure watch is connected via Bluetooth. Disable Do Not Disturb mode on both watch and phone.
Inaccurate health data	Improper wearing; Sensor obstruction	Ensure the watch is worn snugly but comfortably on the wrist. Clean the sensor on the back of the watch. Remember data is for reference only.
Screen unresponsive	Software glitch; Water exposure	Restart the watch. Ensure the screen is dry and clean. If the issue persists, contact support.
