### 3. SETUP

The Homary Smart Nightstand arrives fully assembled. Follow these steps for initial setup:

- 1. Unpack:** Carefully remove the nightstand from its packaging.
- 2. Placement:** Position the nightstand in your desired location next to your bed or sofa.
- 3. Power Connection:** Locate the power cable for the charging station at the back of the nightstand. Plug the cable into a standard electrical outlet.

## 4. OPERATING INSTRUCTIONS

### 4.1. Wireless Charging

To use the wireless charging feature:

1. Ensure the nightstand is plugged into a power source.
2. Place your Qi-compatible device directly onto the designated wireless charging pad on the top surface.
3. For optimal charging performance, remove thick or metal phone cases.
4. A charging indicator (if present on your device) will confirm charging has begun.

### 4.2. USB and Type-C Charging

To charge devices via USB or Type-C ports:

1. Ensure the nightstand is plugged into a power source.
2. Connect your device's charging cable to the appropriate USB or Type-C port on the nightstand's top surface.
3. Confirm that your device indicates it is charging.

### 4.3. Drawer Usage

The three drawers are designed for smooth operation and storage:

- Gently pull the front of each drawer to open.
- Push the drawer back until it is fully closed.
- Avoid overloading drawers to ensure smooth functionality.

## 5. MAINTENANCE

Proper care will ensure the longevity and appearance of your nightstand:

- **Cleaning:** Wipe the faux leather surface with a dry cloth to remove dust and light spills. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** For liquid spills, wipe immediately with a soft, dry cloth. The material is stain-resistant and waterproof.
- **Protection:** Avoid placing hot items directly on the surface. Use coasters for drinks.
- **Scratches:** The faux leather is scratch-resistant, but avoid sharp objects that could damage the surface.
