4. SAFETY INFORMATION

To ensure safe use of your LOEFME Clothes Rail, please observe the following safety guidelines:

- **Weight Limit:** Do not exceed the maximum load capacity of 30 kg (66 lbs). Overloading can cause the

rail to collapse, leading to injury or damage.

- **Stable Surface:** Always place the clothes rail on a flat, stable, and level surface to prevent tipping.
- **Even Weight Distribution:** Distribute weight evenly across the hanging rod and bottom shelf to maintain balance.
- **Children and Pets:** Keep children and pets away from the clothes rail during assembly and ensure it is stable before allowing them near it. Do not allow children to climb on the rail.
- **Assembly:** Ensure all connections are securely tightened before use.

5. SETUP AND ASSEMBLY INSTRUCTIONS

The LOEFME Clothes Rail features a threaded installation design for easier assembly and a cleaner appearance, eliminating the need for external screws. Assembly is straightforward and typically requires no tools.

Image: A visual comparison highlighting the threaded installation method of the LOEFME Clothes Rail, which offers a more seamless look compared to traditional screw-fixed designs.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Base Frame:** Connect the horizontal bottom crossbar to the two U-shaped base supports. Ensure the threaded ends align and twist them securely until snug.
3. **Attach Vertical Support Pipes:** Insert the lower sections of the vertical support pipes into the designated holes on the base frame. Twist to secure using the threaded connections.
4. **Connect Top Hanging Rod:** Attach the top hanging rod to the upper sections of the vertical support pipes. Twist the threaded connections until they are firm and stable.
5. **Install Side Hooks:** Slide the four side hooks onto the designated points on the vertical support pipes. These hooks are designed to be easily attached and removed.
6. **Final Check:** Once assembled, gently shake the entire structure to ensure all connections are secure and the rail is stable.

6. OPERATING INSTRUCTIONS (USAGE)

Your LOEFME Clothes Rail is ready for use once assembled. Follow these guidelines for optimal functionality:

- **Hanging Clothes:** Use hangers to place garments on the top hanging rod. Distribute clothes evenly to prevent imbalance and maximize space.
- **Bottom Storage:** Utilize the bottom crossbar area for storing shoes, storage boxes, folded clothes, pillows, or bags.
- **Side Hooks:** The four integrated side hooks are ideal for hanging accessories such as bags, hats, scarves, coats, umbrellas, and keychains.
- **Load Capacity:** Do not exceed the maximum load of 30 kg (66 lbs) on the entire rail.

7. MAINTENANCE AND CARE

Regular maintenance will help prolong the life and appearance of your clothes rail.

- **Cleaning:** Wipe the metal surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the paint finish.
- **Inspection:** Periodically check all connections to ensure they remain tight and secure. Retighten if necessary.
- **Rust Prevention:** The rail features a rust-proof finish. However, avoid prolonged exposure to excessive moisture to maintain its condition.

8. TROUBLESHOOTING

If you encounter any issues with your LOEFME Clothes Rail, refer to the following common problems and solutions:

- **Instability/Wobbling:**
 - Ensure the rail is placed on a flat, level surface.
 - Check that all threaded connections are fully tightened.
 - Verify that weight is distributed evenly across the hanging rod and bottom shelf.
- **Difficulty Assembling:**

- Review the assembly instructions carefully, paying attention to the threaded connections.
 - Ensure you are using the correct parts for each step.
 - Do not force parts together; they should twist smoothly into place.
- **Scratches on Surface:**
 - During assembly, ensure parts are placed on a soft surface.
 - Avoid dragging the rail across rough surfaces.

If the problem persists, please contact customer support for further assistance.
