### Mando Invisible Cream Tube and Solid Stick (Clover Woods)

# Mando Whole Body Deodorant Kit Instruction Manual

Model: Invisible Cream Tube and Solid Stick (Clover Woods)

Brand: Mando

## PRODUCT OVERVIEW

---

The Mando Whole Body Deodorant Kit provides comprehensive odor control for various body areas. This kit includes both an Invisible Cream Tube and a Smooth Solid Stick, both formulated to offer 72-hour odor protection. Designed to be aluminum-free, baking soda-free, and skin-safe, Mando works by optimizing pH to block odor before it starts.

## KEY FEATURES & BENEFITS

- **Whole Body Odor Control:** Effective for pits, packages, feet, and other areas where odor may occur.
- **72-Hour Protection:** Clinically proven to block body odor all day and maintain control for up to 72 hours.
- **pH Optimized Formula:** Works as a "PREodorant" by blocking odor before it starts, rather than just covering it up.
- **Seriously Safe Formulation:** Doctor-developed and safe for external use. Free of aluminum, baking soda, dyes, parabens, and benzene. Hypoallergenic and gentle for sensitive skin.
- **Clover Woods Scent:** A lively and invigorating blend of woody notes with a crisp and clean edge.
- **Dual Application:** Includes both a 2.6 oz Smooth Solid Stick for easy gliding application and a 3 oz Invisible Cream Tube that rubs in like a lotion.

## PRODUCT COMPONENTS

The Mando Whole Body Deodorant Kit includes two primary components:

### Invisible Cream Tube (3.0 oz / 85g)

This cream-based deodorant is designed to be rubbed into the skin like a lotion. It is versatile and can be applied to various body areas for comprehensive odor control.

### Smooth Solid Stick (2.6 oz / 75g)

The solid stick glides on smoothly, providing convenient and mess-free application. Ideal for underarms and other areas requiring direct application.

lists, directions for use, and safety warnings. Key information includes "Vegan," "Dye free," "Cruelty free," "No Parabens," "No Phthalates," and "No Sulfates."

## USAGE INSTRUCTIONS

---

### **General Application:**

Mando Whole Body Deodorant is designed for external use on any area of the body where odor is a concern. Apply to dry skin as needed.

### **Applying the Invisible Cream:**

1. Dispense a pea-sized amount of the Invisible Cream onto your fingertips.
2. Rub the cream into the desired area until fully absorbed, similar to applying a lotion.
3. Ensure the skin is dry before application for best results.

### **Applying the Smooth Solid Stick:**

1. Remove the cap from the solid stick.
2. Swipe the solid deodorant directly onto the desired area of dry skin.
3. The smooth formula glides on easily without leaving visible residue.

## SAFETY INFORMATION

For external use only. Do not use on broken or irritated skin. Stop if rash or irritation occurs. This product contains an Alpha Hydroxy Acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.

## STORAGE & CARE

Store Mando Whole Body Deodorant products in a cool, dry place away from direct sunlight. Ensure caps and lids are securely closed after each use to maintain product integrity and prevent drying.

## TROUBLESHOOTING

---

If you experience any issues with Mando Whole Body Deodorant, consider the following:

- **Odor Persistence:** Ensure skin is clean and dry before application. Apply a sufficient amount to cover the desired area. Reapply as needed, especially after intense physical activity.
- **Skin Irritation:** Discontinue use immediately if rash or irritation occurs. Consult a healthcare professional if symptoms persist. Remember the product contains AHA, which can increase sun sensitivity; ensure proper sun protection.
- **Product Consistency:** Store products in a cool, dry place. If the cream or stick appears unusually hard or soft, slight temperature variations may be a factor.
