## GAOMON LY-2899B

# GAOMON 8 in 1 Toddler Slide Indoor Playground

Model: LY-2899B

## INTRODUCTION

Thank you for choosing the GAOMON 8 in 1 Toddler Slide Indoor Playground. This playset is designed to provide a safe and engaging environment for toddlers aged 1-3 years, supporting physical coordination and motor skill development. It features a freestanding slide, climbing ladder, basketball hoop, crawling tunnel, telescope, and steering wheel, accommodating 2-3 children simultaneously. Its versatile design allows for both indoor and outdoor use, making it suitable for various play areas.

## SAFETY INFORMATION

- This product is suitable for children aged 1-3 years.
- The playset is constructed from non-toxic and odorless HAPE and PP materials, complying with safety and testing standards for children's toys.
- Always ensure the playset is assembled correctly and all connections are secure before use.
- The design includes an enclosed city wall and heightened guardrails to enhance safety during play.
- Adult supervision is required at all times when children are using the playset.
- Avoid prolonged exposure to direct sunlight to maintain material integrity and color.
- Place the playset on a flat, stable surface.

## PACKAGE CONTENTS

Before assembly, please verify that all components are present:

- Slide component
- Climbing ladder component

- Basketball hoop and net
- Crawling tunnel sections
- Telescope accessory
- Steering wheel accessory
- Main structure panels (castle walls, platforms)
- All necessary screws, nuts, and assembly tools (if included)

## SETUP AND ASSEMBLY

Assembly of the GAOMON 8 in 1 Toddler Slide Indoor Playground is required. Follow the detailed instructions provided in the separate assembly manual for step-by-step guidance. Ensure all parts are correctly oriented and securely fastened.

Image: Close-up of the full-enclosed anti-slip steps and smooth, rounded handrails for the climbing ladder, with dimensions.

### Assembly Tips:

- Organize all components before starting.
- Ensure the basketball hoop and telescope are oriented correctly during attachment. If they appear

backward, simply re-orient them.

- The playset is designed with an L-shape and multiple bottom support points for stability. Verify these are correctly aligned to prevent tipping or shaking.

## OPERATING INSTRUCTIONS

This playset offers multiple activities to engage toddlers. Always ensure children are supervised during play.

### Slide Usage

Children should sit down at the top of the slide, facing forward, and slide feet first. The slide features an acceleration zone, deceleration zone, and a buffer zone for a smooth and safe descent.

Image: Diagram illustrating the different zones of the slide for safe play, including the waiting area and buffer zone.

### Climbing Ladder

The climbing ladder features full-enclosed anti-slip steps and smooth, rounded handrails for secure ascent to the upper platform.

### Basketball Hoop

Encourage children to practice throwing and scoring with the integrated basketball hoop. A small basketball is typically included.

Image: A child interacting with the basketball hoop, demonstrating its use and showing its diameter.

### **Crawling Tunnel and Play Area**

The playset includes a spacious castle corridor and a fun crawl tunnel, providing areas for imaginative play and exploration. High baffles on both sides of the upper platform ensure safety.

Image: Views of the spacious castle corridor, highlighting its dimensions and the protective high baffles.

### Telescope and Steering Wheel

These accessories encourage imaginative play, allowing children to pretend they are explorers or captains.

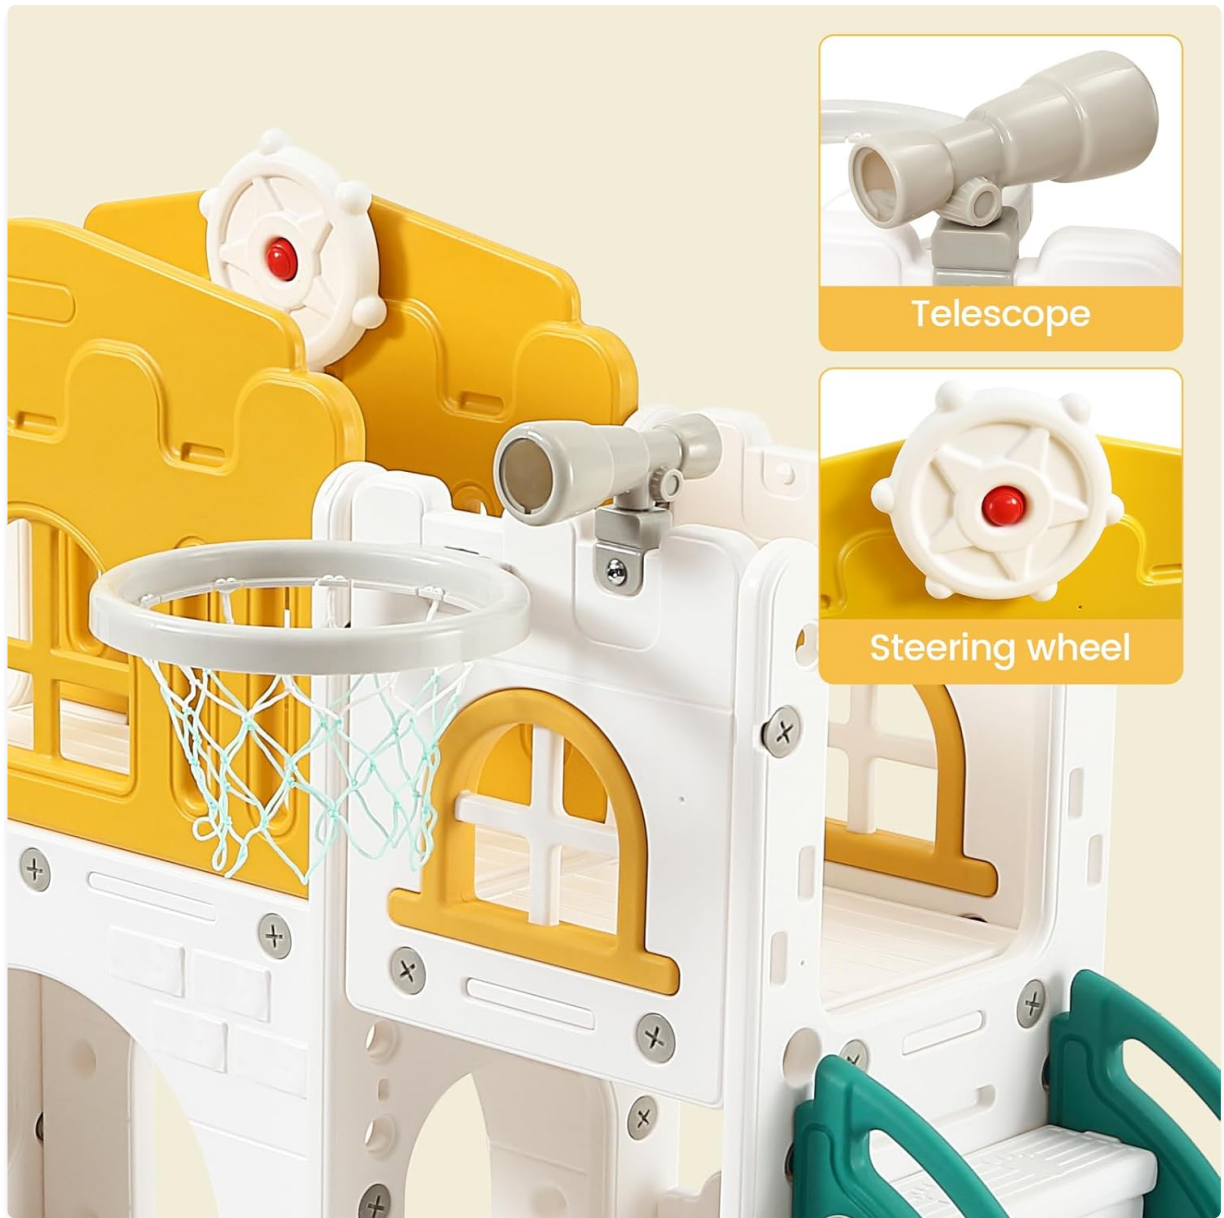

Image: Detailed view of the telescope and steering wheel, showing their design and attachment points.

### Toy Storage

The playset includes an ample toy storage space, encouraging toddlers to develop good habits by putting away their toys after play.

## MAINTENANCE

- **Cleaning:** The smooth surfaces of the playset can be easily wiped clean with a damp cloth and mild soap. Avoid abrasive cleaners.
- **Inspection:** Regularly inspect all parts for wear, damage, or loose connections. Tighten any loose screws or fasteners.
- **Storage:** If storing outdoors, consider covering the playset to protect it from harsh weather conditions. Prolonged exposure to direct sunlight is not recommended.

## TROUBLESHOOTING

- **Loose Parts:** If any part feels loose, re-check the assembly instructions and tighten all screws and fasteners.
- **Wobbly Structure:** Ensure the playset is placed on a completely flat and stable surface. Verify that all L-shape connections and bottom support points are correctly engaged.
- **Missing Components:** If any parts are missing upon unboxing, contact customer support immediately.
