CIRCLE JOY Manual Salt and Pepper Grinder Set User Manual

Model: DGS-KYMQ-AS-C

1. PRODUCT OVERVIEW

The CIRCLE JOY Manual Salt and Pepper Grinder Set is designed for grinding various spices, including salt, pepper, cloves, and cardamom. It features durable ceramic blades, an adjustable coarseness mechanism, and a BPA-free glass container.

ADJUSTABLE COARSENESS

This image displays the disassembled parts of the grinder: the glass container, the grinding mechanism, and the top cap.

2. SETUP AND FILLING

Before first use, wash the glass container with warm soapy water and dry thoroughly. The grinding mechanism should be wiped clean with a damp cloth.

1. **Disassemble:** Twist the top grinding mechanism counter-clockwise to separate it from the glass container.
2. **Fill:** Carefully pour your desired spices (e.g., peppercorns, salt crystals) into the glass container. Do not overfill.

3. **Reassemble:** Place the grinding mechanism back onto the glass container and twist clockwise until securely fastened.

3. OPERATING INSTRUCTIONS

To operate the grinder, hold the glass container firmly and twist the top cap. The ceramic blades will grind the spices as you twist.

Adjusting Coarseness:

The grinder features an adjustable coarseness setting. To change the grind size:

1. Locate the adjustment knob on the top of the grinding mechanism.
2. Turn the knob clockwise for a finer grind.
3. Turn the knob counter-clockwise for a coarser grind.

4. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and optimal performance of your grinder.

Cleaning:

1. Empty any remaining spices from the glass container.

2. Separate the grinding mechanism from the glass container.
3. Wash the glass container with warm, soapy water. Rinse thoroughly and allow to air dry completely before refilling.
4. Wipe the grinding mechanism with a damp cloth to remove any spice residue. Do not submerge the grinding mechanism in water.
5. **Important:** The grinder is **not** dishwasher safe. Hand wash only.

5. TROUBLESHOOTING

If you encounter any issues with your grinder, please refer to the following common problems and solutions:

- **Grinder not dispensing spices:**
 - a. Check if the container is empty and refill if necessary.
 - b. Ensure the grinding mechanism is securely attached to the glass container.
 - c. Verify that the coarseness setting is not set too fine for the type of spice being used, which can cause clogging.
- **Difficulty twisting the grinder:**
 - a. The coarseness setting might be too fine, creating excessive resistance. Adjust to a coarser setting.
 - b. Spice residue may be accumulating in the grinding mechanism. Clean the mechanism as per the maintenance instructions.
- **Inconsistent grind:**
 - a. Ensure the spices are dry and free of moisture, which can affect grinding consistency.
 - b. Check for any foreign objects that might be obstructing the ceramic blades.
