5. Adjustable Armrests

The armrests are adjustable in height, with a 3.15-inch range, to provide optimal support for your arms and shoulders, reducing strain during typing or gaming.

6. Seat Height Adjustment

Adjust the seat height by using the lever located under the seat. This allows you to find the perfect ergonomic position relative to your desk, with a 3.2-inch adjustable range.

7. Swivel Function

The chair is equipped with 360° swivel casters and a durable steel base, allowing for smooth and effortless movement around your workspace.

MAINTENANCE

To maintain the longevity and appearance of your HUANUO office chair, follow these simple care instructions:

- **Cleaning:** The mesh material is easy to clean. For general cleaning, wipe with a damp cloth. For deeper cleaning, dry clean as per product care instructions.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals on any part of the chair, as this may damage the materials.
