INSTRUCTION MANUAL

Model: RIL001543 | Brand: Cogo

Introduction

Thank you for choosing the Cogo Container Hotel Building Set 4213. This manual provides essential information for the assembly, use, and maintenance of your new building set. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This set is designed for users aged 10-11 years and older.

Safety Information

- This product contains small parts and is not suitable for children under 3 years due to choking hazards.
- All components are made from non-toxic plastic materials.
- Always supervise younger children during play.
- Keep packaging materials away from children to prevent suffocation.

Setup and Assembly

The Cogo Container Hotel Building Set 4213 consists of 4213 pieces. Follow the numbered steps provided in the separate pictorial instruction booklet included in your package. This section provides general guidance for assembly.

1. **Unpack Components:** Carefully open the box and lay out all bags of building blocks. It is recommended to sort pieces by color or type to facilitate assembly.
2. **Review Instructions:** Before starting, familiarize yourself with the included pictorial instruction booklet. Each step is clearly illustrated.
3. **Follow Step-by-Step:** Assemble the model by following the numbered steps in the instruction booklet sequentially. Ensure each piece is firmly connected.
4. **Verify Piece Count:** Before discarding packaging, ensure all pieces listed in the instruction booklet have been accounted for. If any pieces are missing, refer to the 'Support' section.

Figure 1: Fully assembled Cogo Container Hotel. This image displays the fully assembled Cogo Container Hotel building set. The structure features three main container units stacked and arranged: a blue unit on top, a red unit in the middle, and a yellow unit at the base. Various details are visible, including windows, doors, and rooftop elements like a satellite dish and a gaming controller-inspired antenna. Several minifigures are depicted interacting with the set, including one on a red motorcycle and another on a yellow scooter, suggesting a vibrant, active scene around the hotel.

Operating (Usage)

Once assembled, the Cogo Container Hotel is ready for imaginative play or display. The modular design allows for various configurations and storytelling possibilities. Encourage creative interaction with the minifigures and accessories included in the set.

- **Imaginative Play:** Use the minifigures and accessories to create scenarios and stories within the container hotel environment.
- **Display:** The completed model can be proudly displayed as an architectural piece.
- **Interactivity:** The set may feature movable parts or opening sections, enhancing play value.

Maintenance

Proper care will ensure the longevity and appearance of your Cogo Container Hotel building set.

- **Cleaning:** To clean the building blocks, gently wipe them with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Disassembly:** If disassembling the set for storage, keep all pieces together in a sealed container to prevent loss.

Troubleshooting

Should you encounter any issues during assembly or use, please refer to the following common solutions.

- **Missing Pieces:** If you find any pieces missing from your set, please contact Cogo customer support as detailed in the 'Support' section. Provide the model number (RIL001543) and the specific piece number if available from the instruction booklet.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned before applying gentle pressure. Avoid forcing pieces together, as this can cause damage.
- **Loose Connections:** Double-check that all connections are firm. Sometimes a slight twist or additional pressure is needed for a secure fit.
