ExtreLife Find Wallet Stand Instruction Manual

Model: e526c808-4861-432b-a3bf-9086da9fbea7

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your ExtreLife Find Wallet Stand. This product is designed to enhance your iPhone experience by combining a secure card holder, an adjustable phone stand, and Apple Find My functionality.

KEY FEATURES

- **Apple Find My Integration:** With full Apple-Certified Find My functionality, you can add this magnetic wallet to the Find My App on your Apple iOS device to see its real-time location. Play a sound to find it nearby with Bluetooth, or locate it through GPS with the Apple Find My Network. Get notified when you leave it behind and set Lost Mode to help you retrieve it. *Note: Android devices are not supported.*
- **Strong Magnetic Attachment:** Features powerful built-in magnets with a magnetic force up to 4200Gs, 6x stronger than official magnetic wallets, ensuring it effortlessly snaps into place on the back of your iPhone without cards falling off.
- **High Card Capacity:** Upgraded with 3 individual card slots, this wallet can easily hold a maximum of 6 cards for your daily needs, keeping essentials close without bulk.
- **Adjustable Phone Stand:** The sturdy and adjustable hinge allows the wallet to open smoothly, creating a stable stand with a wide range of viewing angles (15° to 170°) in both portrait and landscape orientations.
- **Wireless Charging:** The wallet supports wireless charging and provides up to 6 months of battery life on a single charge for its Find My function. No special charging cable is required. (Note: The wireless charger is not included).
- **RFID Blocking:** Integrated RFID blocking technology shields your cards from unauthorized scanners and prevents demagnetization, protecting your identity and properties.
- **Durable Material:** Made from vegan leather, designed for lasting use.
