Jugeman P99

Jugeman Smartwatch User Manual

Model: P99

INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your Jugeman Smartwatch. Please read this manual carefully before using the device to ensure proper functionality and to maximize your user experience.

Figure 1: Jugeman Smartwatch (Silver/Grey model) with its display showing various health metrics and an incoming call notification.

PACKAGE CONTENTS

Upon opening the package, please verify that all items are present and in good condition:

- Jugeman Smartwatch (Model P99)
- Charging Cable
- User Manual (this document)

SETUP

1. Charging the Smartwatch

Before initial use, fully charge your smartwatch. Connect the charging cable to the charging port on the back of the watch and plug the USB end into a compatible USB power adapter (not included) or a computer's USB port.

- A full charge typically takes approximately 2 hours.
- The battery icon on the watch screen will indicate charging status.

2. App Installation and Pairing

To unlock the full features of your smartwatch, download and install the "GloryFit" application on your smartphone. The app is compatible with iOS 10.0 and Android 9.0 or higher.

1. Scan the QR code provided in the quick start guide (if available) or search for "GloryFit" in your smartphone's app store (Apple App Store for iOS, Google Play Store for Android).
2. Install the application.
3. Open the GloryFit app and create an account or log in.
4. Ensure Bluetooth is enabled on your smartphone.
5. In the GloryFit app, navigate to the "Device" section and select "Add Device".
6. The app will search for nearby devices. Select "P99" or the corresponding device name when it appears.
7. Confirm the pairing request on both your smartphone and the smartwatch.

Once paired, the watch will synchronize time and data with your smartphone.

OPERATING INSTRUCTIONS

Basic Navigation

- **Touch Screen:** The 1.96-inch HD full touch screen allows for intuitive navigation.
- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick functions or different data screens.
- **Press Side Button:** Wake up the screen, return to the home screen, or access the main menu.

Key Features

Bluetooth Calls and Message Notifications

The smartwatch features a built-in microphone and Hi-Fi speaker, enabling you to make and receive calls directly from your wrist when connected via Bluetooth to your smartphone. It also displays notifications from various apps (e.g., Facebook, WhatsApp, Instagram, SMS).

BLUETOOTH CALL

Make or answer calls directly on the watch at anytime and anywhere.

Figure 2: Bluetooth Call functionality, demonstrating call handling and contact access on the smartwatch.

- To answer a call, tap the green phone icon on the watch screen.
- To reject a call, tap the red phone icon.
- To make a call, access the dial pad or contacts through the watch menu.
- Notifications will appear on the screen; swipe up to view them.

Health Monitoring (Heart Rate, SpO2, Sleep)

The smartwatch provides 24-hour heart rate monitoring, SpO2 measurement, and sleep quality detection (deep sleep, light sleep, awake time). All health data can be viewed in detail within the GloryFit app.

Figure 3: Health monitoring capabilities, including continuous heart rate tracking and detailed sleep analysis.

- Ensure the watch is worn correctly, not too tight or too loose, allowing skin to breathe for accurate readings.
- Access heart rate or SpO2 measurement from the watch's main menu.

Sports Modes and Activity Tracking

With over 113 sports modes, the smartwatch tracks various activities, recording data such as steps, calories burned, and distance. It is IP68 waterproof, suitable for daily use like hand washing and rain, but not for swimming or hot baths.

Figure 4: Smartwatch in use during running and cycling activities.

- Select your desired sport mode from the watch's menu before starting an activity.
- The watch will automatically record relevant data.
- Review detailed activity summaries in the GloryFit app.

Custom Watch Faces

Personalize your smartwatch with over 250 customizable watch faces available through the GloryFit app. You can also set a personal image as your watch face.

250+ Customized watch face

1. Change the Dial as You Wish Rich dials to meet diverse aesthetics.
2. Support custom dials, choose favorite photo as dial to create a unique smartwatch

Figure 5: Examples of over 250 customizable watch faces.

- In the GloryFit app, navigate to the "Dial" or "Watch Face" section.
- Browse available watch faces or select an image from your phone's gallery to set as a custom dial.

Other Functions

The smartwatch includes a variety of additional useful functions:

Multi-Function Smart Watch

Figure 6: Overview of multi-functional features available on the smartwatch.

- **Timer & Stopwatch:** For timing activities or setting countdowns.
- **Alarm Clock:** Set multiple alarms through the app.
- **Sedentary Reminder:** Notifies you to move after periods of inactivity.
- **Music Control:** Control music playback on your smartphone (play, pause, skip tracks).
- **Weather Forecast:** Displays current weather conditions and forecasts.
- **Remote Camera Control:** Use the watch as a remote shutter for your phone's camera.
- **Find Phone:** Helps locate your paired smartphone by making it ring.
- **Brightness Adjustment:** Adjust screen brightness for optimal viewing.
- **Calculator:** Basic calculator function.
- **Women's Health:** Menstrual period prediction and tracking.

Cleaning

- Wipe the watch screen and body with a soft, lint-free cloth.
- For stubborn stains, dampen the cloth slightly with water. Avoid using harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry before charging.

Water Resistance (IP68)

The smartwatch is IP68 rated, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily activities like hand washing, rain, and light splashes.

A smiling man with dark hair and a beard is shown from the chest up, holding a white surfboard. He is wearing a smartwatch on his left wrist. The background is a blurred beach scene with waves. Overlaid on the bottom right of the image is a large text graphic for 'IP68 Waterproof' with icons for Rain, Shower, and Sweat.

IP68

Waterproof

Built-in waterproof speakers and microphones.

Rain

Shower

Sweat

Figure 7: IP68 Waterproof rating details.

Important: The watch is *not* suitable for swimming, diving, or hot baths/saunas. Exposure to hot water or steam may compromise the water resistance.

Storage

When not in use for extended periods, store the smartwatch in a cool, dry place away from direct sunlight and extreme

temperatures. It is recommended to charge the watch periodically to maintain battery health.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Watch does not turn on.	Low battery.	Charge the watch for at least 30 minutes.
Cannot pair with smartphone.	Bluetooth is off; app not running; watch not discoverable; interference.	Ensure Bluetooth is on. Restart the GloryFit app. Restart both watch and phone. Move closer to the phone.
Notifications not received.	App permissions not granted; notification settings off in app/phone.	Check app permissions for notifications. Enable notifications in GloryFit app settings. Check phone's notification settings for the app.
Inaccurate health data.	Watch not worn correctly; sensor dirty.	Ensure the watch is snug but comfortable on your wrist. Clean the sensor on the back of the watch.
Bluetooth call quality is poor.	Distance from phone; environmental interference.	Keep the watch within Bluetooth range of your phone. Avoid environments with strong electromagnetic interference.

If problems persist, please refer to the support section or contact customer service.
