WHAT'S IN THE BOX

Verify that all components are present upon unpacking:

- Lampshade
- Lamp Base with Integrated LED
- USB Type-C Charging Cable

- User Manual (this document)

SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Retain packaging for potential future transport or returns.
2. **Assembly:** Place the lampshade securely onto the lamp base. Ensure it is seated properly.
3. **Initial Charge:** Before first use, fully charge the lamp. Connect the provided USB Type-C cable to the charging port on the lamp base and plug the other end into a compatible USB power adapter (not included). The charging indicator light will show the charging status.

OPERATING INSTRUCTIONS

Power On/Off and Brightness Adjustment

The lamp features a touch-sensitive switch located on the base for easy control.

- **To Turn On:** Lightly touch the switch on the lamp base. The lamp will illuminate at the lowest brightness setting (30%).
- **To Adjust Brightness:** Continue to lightly touch the switch to cycle through the three brightness levels: 30% (low), 70% (medium), and 100% (high).
- **To Turn Off:** After cycling through all brightness levels, a final touch will turn the lamp off.

Charging the Lamp

The lamp is equipped with a 5000mAh rechargeable battery.

- Connect the USB Type-C cable to the charging port on the lamp base.
- Plug the other end of the cable into a standard USB power source (e.g., phone charger, computer USB port).
- The charging time is approximately 4-5 hours for a full charge.
- A full charge provides 8-40 hours of use, depending on the selected brightness level.
- If the lamp is not used for an extended period, the battery may enter a dormant state. Multiple charges may be required to reactivate the battery.
