2. SAFETY INFORMATION

To ensure safe use of your dresser, please adhere to the following guidelines:

- Always use the provided anti-tip device to secure the dresser to a wall. This is crucial to prevent accidental tipping, especially in households with children or pets.
- Do not allow children to climb on or play with the dresser or its drawers.
- Ensure the dresser is placed on a flat, stable, and level surface.
- Do not overload drawers. Distribute weight evenly to maintain stability.
- Keep small parts and assembly hardware out of reach of children.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically requires two people. Follow the detailed instructions provided in the separate assembly guide included in your package. Below are general tips for a smooth assembly process:

1. **Prepare Your Workspace:** Clear a spacious area free of obstructions. Lay out all parts and hardware on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Match each part to the corresponding label in the assembly guide.
3. **Do Not Overtighten Screws:** Hand-tighten screws initially. Fully tighten all screws only after the entire section or unit is assembled to allow for minor adjustments and prevent damage to the wood.
4. **Assemble Drawers Carefully:** Ensure drawer slides are correctly oriented and securely attached for smooth operation.
5. **Install Anti-Tip Device:** Once the dresser is fully assembled and in its final position, securely attach the anti-tip device to a wall stud using appropriate hardware.

5. OPERATING INSTRUCTIONS

The WLIVE Wood Black Dresser is designed for straightforward use. Its six spacious drawers provide ample storage for various items.

- **Drawer Operation:** Gently pull and push the crystal knobs to open and close the drawers. The smooth metal glides ensure effortless movement.
- **Storage Capacity:** The drawers are suitable for storing clothing, accessories, linens, and other household items. The top surface can accommodate decorative items or a television up to 65 inches.
- **Weight Distribution:** For optimal stability and longevity, distribute the weight of stored items evenly across all drawers. Avoid placing excessively heavy items in a single drawer or on the top surface.

6. MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your dresser.

- **Cleaning:** Wipe the surface with a dry, soft cloth. For stubborn marks, a mild soap and water solution can be used, but ensure to dry the surface immediately to prevent water spots or damage. Avoid abrasive cleaners or harsh chemicals.
- **Fingerprint Resistance:** The black finish may show fingerprints easily. Regular wiping with a dry microfiber cloth can help maintain its pristine appearance.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the wood finish.
- **Humidity Control:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Drawers Not Closing Smoothly:** Check if the drawer slides are properly aligned and free of obstructions. Ensure all screws on the slides are tightened.
- **Dresser Wobbles:** Verify that the dresser is on a level surface. Check all assembly screws and tighten them if loose. The steel brackets at the bottom enhance stability.
- **Surface Stains/Marks:** For fingerprints or light smudges, wipe with a clean, dry microfiber cloth. For more persistent marks, use a slightly damp cloth with mild soap, then immediately dry.
- **Damaged Parts Upon Arrival:** If the packaging or product parts are damaged upon delivery, do not worry. The foam and wood protective boards are designed to absorb impact. Contact customer support immediately for assistance.
