DAHONPA D136

DAHONPA AH-1Z Helicopter Military Building Block Set D136

Instruction Manual

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the DAHONPA AH-1Z Helicopter Military Building Block Set, Model D136. This 480-piece construction kit allows you to build a detailed replica of the AH-1Z helicopter. Designed for enthusiasts aged 8 and above, this set offers an engaging and rewarding building experience. The finished model can be used for play, display, or as a collectible item.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

This product contains small parts which may pose a choking hazard for young children. Adult supervision is recommended during assembly and play, especially for younger users. Please keep all packaging materials away from children.

3. PACKAGE CONTENTS

The DAHONPA AH-1Z Helicopter Military Building Block Set includes:

- Approximately 480 high-quality plastic building blocks.
- One detailed instruction manual for assembly.

Please verify all parts are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

4. SETUP AND ASSEMBLY

Assembly of the DAHONPA AH-1Z Helicopter requires careful attention to detail and following the provided instruction manual. The blocks are designed for a precise fit and are compatible with other major building block brands.

4.1 Assembly Process

1. Unpack all components and organize them by type or color as suggested in the manual.
2. Follow the clear, step-by-step instructions provided in the beautifully printed manual. Each step is illustrated to guide you through the construction.
3. Ensure each block is firmly connected to create a stable structure.
4. The assembly process is designed to foster patience and concentration. Enjoy the creative and unique building experience.

4.2 Key Features During Assembly

- **Cockpits:** Transparent cabin shell material for realistic detail.
- **Flight System:** Designed to simulate higher altitude flight capabilities.
- **TOW Missiles:** Capable of firing several missiles in a row (simulated).
- **M197 Cannon:** Detailed cannon for simulated attacks.
- **Tail Propeller:** Can be rotated to increase flight stability (simulated).

5. OPERATING AND PLAY

Once assembled, the DAHONPA AH-1Z Helicopter model offers various ways to interact with it.

- **Play:** Engage in imaginative play scenarios, recreating military operations or aerial maneuvers.
- **Display:** The exquisite appearance and modular design make it suitable for display as a collection item or decoration. Its realistic design enhances its appeal.
- **Portability:** The modular nature allows for easy handling and display in various positions.

6. MAINTENANCE

To ensure the longevity and appearance of your DAHONPA AH-1Z Helicopter building block set, follow these maintenance guidelines:

- **Cleaning:** The blocks are made of high-quality plastic with a smooth surface. They can be wiped clean with a damp cloth. According to specifications, the product is also **dishwasher safe**, though hand washing is generally recommended for delicate items to preserve their condition.
- **Storage:** Store the assembled model or disassembled blocks in a cool, dry place away from direct sunlight to prevent material degradation or discoloration.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to smaller components.

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, consider the following common troubleshooting steps:

- **Missing Parts:** Double-check the packaging and surrounding area for any small parts that might have been overlooked. If parts are genuinely missing, refer to the contact information for customer support.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly and apply firm, even pressure. The blocks are designed for a snug fit.
- **Structural Instability:** Review the assembly steps to ensure all connections are secure and no steps were missed. Incorrectly placed blocks can affect overall stability.
- **Damaged Parts:** If any parts are damaged upon arrival or during assembly, please contact customer support for assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	DAHONPA
Model Name	D136
Product Type	Interlocking Building Block Toy
Material	Plastic
Number of Pieces	480
Recommended Minimum Age	8 years (96 months)
