CATPICK DogNailCare

CATPICK 2-in-1 Pet Nail Clippers & Grinder User Manual

Model: DogNailCare

1. Important Safety Information

Please read all instructions carefully before using the CATPICK 2-in-1 Pet Nail Clippers & Grinder. Retain this manual for future reference.

- **Keep Out of Reach:** Store the device out of reach of children and pets when not in use.
- **Intended Use:** Use this product only for its intended purpose of trimming and grinding pet nails. Do not use on human nails or for any other purpose.
- **No Disassembly:** Do not attempt to disassemble, repair, or modify the device. This may void the warranty and pose a safety risk.
- **Pet Acclimation:** Always introduce the device gradually to your pet. Allow them to get accustomed to the sound and feel of the device before beginning grooming to minimize stress.
- **Avoid the Quick:** Exercise extreme caution to avoid cutting the "quick" (the blood vessel and nerve ending) in your pet's nail. Use the LED lights to help identify the quick, especially on light-colored or translucent nails. For dark or opaque nails, trim small amounts frequently.
- **Pet Distress:** If your pet shows signs of extreme distress, pain, or fear, stop the grooming session immediately. Consult a veterinarian or professional groomer for advice.
- **Damage:** Do not use the device if it appears damaged in any way.
- **Water Exposure:** This device is not waterproof. Avoid contact with water or other liquids.

2. Product Overview

The CATPICK 2-in-1 Pet Nail Clippers & Grinder is designed for comprehensive pet nail care, combining efficient clipping with smooth grinding in one convenient tool.

Key Features:

- **2-in-1 Functionality:** Combines sharp stainless steel clippers for length reduction and a powerful grinder for smoothing edges.
- **Dual LED Lights:** Illuminates the nail for improved visibility, helping to prevent over-cutting.
- **Clipping Collector:** A built-in compartment collects trimmed nail pieces for a cleaner grooming experience.
- **Quiet, Low-Vibration Grinder:** Designed to operate with minimal noise and vibration to keep pets calm.

- **USB-C Rechargeable:** Convenient and eco-friendly charging.

Product Components:

1. Stainless Steel Clippers
2. Grinding Head
3. Dual LED Lights
4. Power/Mode Switch
5. Clipping Collector (transparent cover)
6. USB-C Charging Port

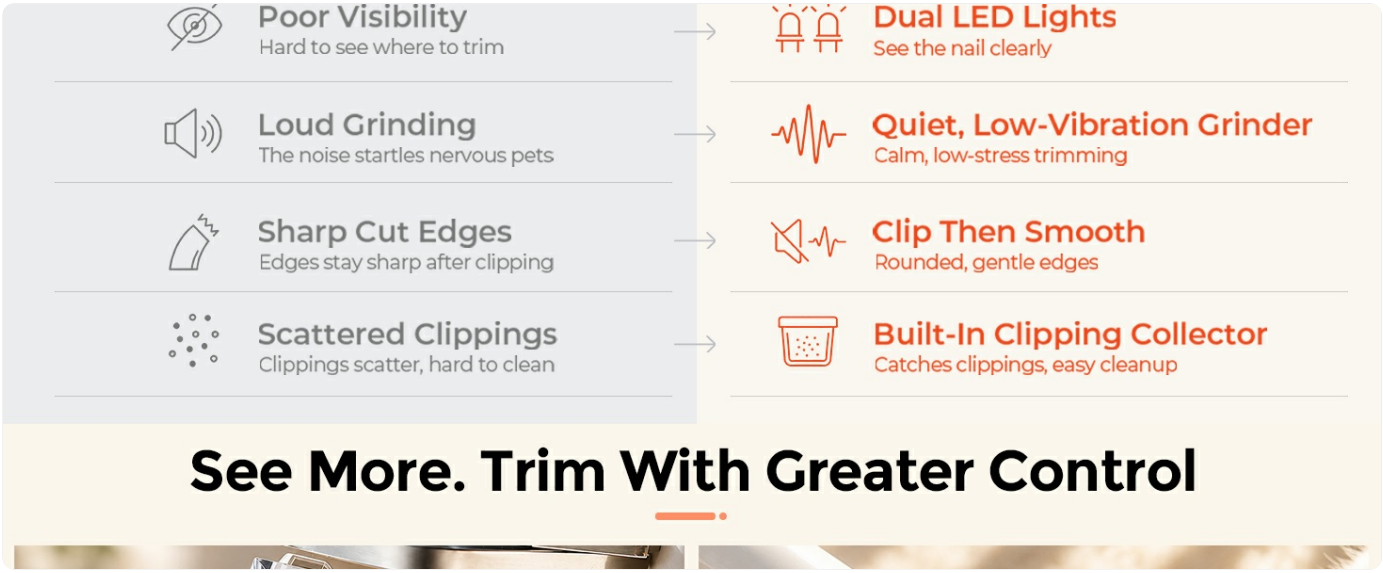

Image 2.2: Close-up view of the dual LED lights illuminating a pet's nail and the transparent clipping collector.

3. Setup and Charging

Initial Charge:

Before first use, fully charge your CATPICK 2-in-1 Pet Nail Clippers & Grinder. A full charge typically takes approximately 2-3 hours.

1. Locate the USB-C charging port on the device.
2. Connect the provided USB-C cable to the device.
3. Plug the other end of the USB-C cable into a compatible USB power adapter (e.g., phone charger, computer USB port, power bank). A power adapter is not included.
4. The indicator light (if present) will typically show charging status (e.g., blinking while charging, solid when fully charged). Refer to the device for specific light behavior.
5. Once fully charged, disconnect the charging cable.

Battery Life:

A fully charged device provides extended use. Recharge when the device's performance diminishes or the indicator light suggests low battery.

4. Operating Instructions

4.1 Pet Preparation

- **Familiarization:** Allow your pet to sniff and hear the device (turn it on briefly) before starting. Offer treats and praise.
- **Environment:** Choose a quiet, calm environment where your pet feels comfortable.
- **Positioning:** Hold your pet's paw firmly but gently, ensuring they are secure and relaxed.

4.2 Using the Clippers

1. Turn on the device and activate the dual LED lights using the power/mode switch.
2. Carefully examine your pet's nail to identify the quick. The LED lights will help illuminate this area, especially on lighter nails.
3. Position the nail within the clipper opening, ensuring only the tip of the nail is targeted.
4. Make a quick, clean cut. The built-in clipping collector will catch the trimmed nail pieces.
5. Repeat for all nails, taking breaks if your pet becomes anxious.

4.3 Using the Grinder

1. After clipping, or if only smoothing is needed, ensure the device is on and the grinding head is active.
2. Gently touch the rotating grinding head to the tip and edges of the nail.
3. Grind in short bursts (1-2 seconds) and move the grinder along the nail to create a smooth, rounded finish.
4. Avoid holding the grinder in one spot for too long, as friction can generate heat and cause discomfort to your pet.
5. Check the nail frequently to achieve the desired length and smoothness.

4.4 General Tips for Grooming

- **Reward System:** Always reward your pet with treats and praise after each grooming session to create a positive association.
- **Consistency:** Regular, short grooming sessions are often more effective and less stressful than infrequent, long ones.
- **Dark Nails:** For pets with dark nails where the quick is not visible, trim very small amounts at a time, more frequently.

Video 4.4: Overview of the CATPICK 2-in-1 Dog Nail Clippers and Grinder, demonstrating its features and ease of use.

5. Maintenance and Cleaning

Proper maintenance ensures the longevity and optimal performance of your CATPICK device.

- **Clipping Collector:** After each use, open and empty the clipping collector. Dispose of nail clippings responsibly.
- **Grinding Head:** Use a small, dry brush (not included) to gently brush away any accumulated nail dust from the grinding head. Do not use water or liquids.
- **Clipper Blades:** Wipe the stainless steel clipper blades with a clean, dry cloth after each use. Ensure no hair or debris is lodged in the mechanism.

- **Device Body:** Wipe the body of the device with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store the device in a cool, dry place, away from direct sunlight and moisture, and out of reach of children and pets.

6. Troubleshooting

If you encounter any issues with your CATPICK 2-in-1 Pet Nail Clippers & Grinder, please refer to the following common solutions:

Problem	Possible Cause	Solution
Device does not turn on.	Battery is low or depleted.	Charge the device fully using the USB-C cable.
Grinder is not effective or slows down.	Grinding head is clogged with nail dust.	Clean the grinding head thoroughly with a dry brush.
LED lights are dim or not working.	Battery is low.	Charge the device fully.
Clippers feel dull or do not cut cleanly.	Blades may be worn or damaged.	Clipper blades are not user-replaceable. Contact CATPICK customer support for assistance.
Device makes unusual noise.	Internal component issue or debris.	Stop use immediately and contact CATPICK customer support. Do not attempt to repair.

7. Specifications

Feature	Detail
