

IGL IGL

IGL 44-Inch Pool Basketball Hoop User Manual

Model: IGL

1. PRODUCT OVERVIEW

The IGL 44-Inch Pool Basketball Hoop is designed to provide an engaging and durable basketball experience in a poolside environment. Its construction emphasizes stability, weather resistance, and ease of assembly, making it suitable for both casual play and competitive games. The product's aesthetic design, featuring a blue and white color scheme, integrates seamlessly with typical pool landscapes.

2. KEY FEATURES

- **Poolside Basketball Fun:** Designed specifically for poolside use with durable PE materials.
- **Stability and Security:** Features a water-filled base capable of holding up to 14.5 gallons (55 L) of water for enhanced stability.
- **Durable Stainless Steel Rim:** Equipped with a 16 mm hollow tube 304 stainless steel rim for long-lasting performance and rust resistance.

- **Convenient Pin-Lock Installation:** Allows for easy setup and takedown through a pin-lock connection between the stand and base.
- **Bonus Basketballs and Pump:** Includes two size 5 basketballs and a hand pump for immediate play.

3. WHAT'S INCLUDED

The package for the IGL 44-Inch Pool Basketball Hoop includes all necessary components for assembly and immediate use:

- 1 x IGL 44-Inch Pool Basketball Hoop (Backboard, Rim, Net, Stand, Base)
- 2 x Size 5 Basketballs
- 1 x Hand Pump
- Assembly Hardware (bolts, nuts, pins)
- Instruction Manual

4. SETUP INSTRUCTIONS

Follow these steps for proper assembly and setup of your IGL Pool Basketball Hoop:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the "What's Included" list.
2. **Assemble Base:** Position the base in the desired location near the pool. Fill the base with water (up to 14.5 gallons / 55 L) to ensure maximum stability. Ensure the cap is securely fastened to prevent leaks.
3. **Attach Stand to Base:** Connect the main stand pole to the filled base using the provided pin-lock mechanism. Ensure the pin is fully inserted and locked into place.
4. **Assemble Backboard and Rim:** Attach the basketball rim to the backboard using the designated hardware. Then, attach the net to the rim.
5. **Mount Backboard Assembly:** Securely attach the backboard and rim assembly to the top of the main stand pole. Ensure all bolts are tightened.

6. **Final Check:** Verify that all connections are secure and the hoop is stable before use.

5. OPERATING INSTRUCTIONS

Once assembled and stable, the IGL Pool Basketball Hoop is ready for use. Ensure the playing area around the hoop is clear of obstructions and that players maintain a safe distance from the pool edge during active play.

- **Inflate Basketballs:** Use the provided hand pump to inflate the two size 5 basketballs to the recommended pressure.
- **Positioning:** Place the hoop at a suitable location by the pool, ensuring the base is fully supported and stable on a flat surface.
- **Playing:** Engage in basketball play by shooting the ball into the hoop. The durable construction is designed to withstand regular use.
- **Supervision:** Always supervise children during play around the pool and with the basketball hoop.

6. MAINTENANCE

Regular maintenance will extend the life and performance of your IGL Pool Basketball Hoop:

- **Cleaning:** Clean the backboard, rim, and base regularly with mild soap and water. Avoid abrasive cleaners that could damage the materials.
- **Check Connections:** Periodically inspect all bolts, nuts, and the pin-lock mechanism to ensure they remain tight and secure. Tighten any loose fasteners.
- **Base Water Level:** Ensure the base remains filled with water to maintain stability. Refill if necessary, especially after prolonged use or if water evaporates.
- **Net Inspection:** Check the net for any signs of wear or damage. Replace if torn or frayed to ensure continued play.
- **Winter Storage:** If storing for winter or extended periods, drain the water from the base, disassemble the hoop, and store components in a dry, protected area to prevent damage from freezing temperatures or prolonged exposure to harsh weather.

7. TROUBLESHOOTING

If you encounter issues with your IGL Pool Basketball Hoop, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Hoop is unstable or wobbly.	Base not fully filled with water; loose connections.	Ensure base is completely filled with water (14.5 gallons / 55 L). Check and tighten all assembly bolts and the pin-lock mechanism.
Net is damaged or detached.	Wear and tear; improper attachment.	Re-attach the net securely to the rim. If damaged, replace with a new net.

Problem	Possible Cause	Solution
Difficulty with assembly.	Incorrect part orientation; missing hardware.	Refer to the detailed setup instructions (Section 4) and diagrams. Verify all parts are present. Contact customer support if parts are missing.

8. SPECIFICATIONS

Attribute	Detail
Brand	IGL
Model Name	IGL
Material	Polycarbonate (PC), Waterproof PE
Color	Blue
