

K&F CONCEPT B10 (KF13.164)

K&F CONCEPT Camera Backpack B10 (KF13.164) 25L Instruction Manual

Model: B10 (KF13.164)

1. INTRODUCTION

This manual provides instructions for the K&F CONCEPT Camera Backpack B10 (KF13.164) 25L. This backpack is designed for photographers, offering a large capacity and versatile storage solutions for camera gear, lenses, drones, and a 15.6-inch laptop. It features durable construction and includes a rain cover for weather protection.

2. SETUP

2.1 Package Contents

Verify that all items are present in the package:

- Camera Backpack x1
- Dividers x4
- Long Velcro straps x2
- Rain Cover x1

Package List

Camera Backpack*1
 Divider*4
 Long Velcro*2
 Rain Cover*1

2.2 Configuring Internal Storage

The backpack features a three-tiered compartmentalization system with adjustable padded dividers. These dividers can be rearranged using their Velcro attachments to customize the internal space according to your equipment needs.

- **Upper Compartment:** Suitable for a 200mm lens or a DJI Mavic Air 2 drone.
- **Medium Compartment:** Accommodates one camera and two standard lenses, or two cameras.
- **Lower Compartment:** Designed for three standard lenses, or one camera and one lens.

Free Combination of Storage Space

2.3 Attaching a Tripod

A dedicated side compartment with a strap and buckle is provided for securely transporting a tripod or holding a water bottle. Insert one end of the tripod into the pull-out pouch and secure the other end with the adjustable strap.

Tripod Holder

Ideal for storing tripods of all sizes

Rain cover storage

3. OPERATING THE BACKPACK

3.1 Quick Access Features

The backpack is designed with side and top openings for quick access to your camera and accessories, allowing you to retrieve gear efficiently without fully opening the main compartment.

Easy and Quick Access

Side & Top

4. MAINTENANCE

To clean the backpack, wipe it with a damp cloth. Avoid using harsh chemicals or abrasive materials that could damage the fabric or coatings. Ensure the backpack is completely dry before storing to prevent mold or mildew.

5. TROUBLESHOOTING

If you encounter any issues with your K&F CONCEPT Camera Backpack, please refer to the following general advice:

- **Zippers sticking:** Apply a small amount of zipper lubricant or graphite (from a pencil) to the zipper teeth.
- **Dividers not holding:** Ensure the Velcro on the dividers and inside the backpack is clean and free of debris for optimal adhesion.
- **Water resistance:** While the backpack is made of durable material and includes a rain cover, it is not fully waterproof. For heavy rain, always use the provided rain cover.

For further assistance, please contact K&F CONCEPT customer support.
