SETUP & ASSEMBLY

Assembly of the YITAHOME Dressing Table and Stool Set is required. Please follow the step-by-step instructions provided in the separate assembly manual included in your package. Ensure all parts are present and undamaged before beginning.

General Assembly Tips:

- **Review Instructions:** Read the entire assembly manual carefully before starting.
- **Organize Parts:** Lay out all components and hardware, matching them with the parts list in the

manual.

- **Required Tools:** Ensure you have the necessary tools (e.g., screwdriver, hammer) as specified in the manual.
- **Two-Person Assembly:** Some steps may require two people for easier and safer assembly, especially when handling the mirror or larger panels.
- **Protect Surfaces:** Assemble on a soft, clean surface to prevent scratches.
- **Do Not Overtighten:** Tighten screws firmly but avoid overtightening to prevent damage to the wood or hardware.

OPERATING INSTRUCTIONS

1. LED Light Mirror Operation

The integrated LED mirror features three color lighting modes and adjustable brightness to suit your needs.

- **Power On/Off:** Lightly touch the circular touch switch on the mirror to turn the lights on or off.
- **Change Color Mode:** With the lights on, short press the touch switch to cycle through the three color modes: Cool White, Warm White, and Warm Yellow.
- **Adjust Brightness:** With the lights on, long press the touch switch to increase or decrease the brightness. Release when the desired brightness is achieved.

MAINTENANCE & CARE

To ensure the longevity and appearance of your YITAHOME Dressing Table and Stool Set, follow these care instructions:

- **Cleaning Surfaces:** Wipe surfaces with a dry cloth for general dusting. For more thorough cleaning, use a damp cloth and mild soap, then dry immediately with a clean, soft cloth.
- **Glass Top Care:** Use a glass cleaner for the tempered glass top to maintain clarity and shine. Avoid abrasive cleaners.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spill Management:** Clean up spills immediately to prevent staining or damage.
- **Electrical Components:** Always unplug the unit from the power source before cleaning any electrical components or the area around the power outlets.

TROUBLESHOOTING

If you encounter any issues with your dressing table, refer to the following common troubleshooting steps:

- **LED Mirror Not Lighting:**

- Ensure the power cord is securely plugged into a functional wall outlet.
- Check if the power switch on the vanity is turned on.
- Verify that the touch switch on the mirror is being pressed correctly (short press for on/off, long press for brightness).

- **Power Outlets/USB Ports Not Working:**

- Confirm the main power cord is plugged in.
- Test the wall outlet with another device to ensure it is functional.
- Ensure devices plugged into the USB ports or AC outlets are compatible and not drawing excessive power.

- **Drawers Not Sliding Smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawer slides were installed correctly during assembly, referring to the assembly manual.
- Verify that the drawer is not overloaded.

- **Wobbly Table/Stool:**

- Check all screws and bolts to ensure they are tightened securely.
- Ensure the table/stool is placed on a flat, even surface.

If problems persist after attempting these steps, please contact customer support.
