4. ASSEMBLY INSTRUCTIONS

Follow the detailed, illustrated instructions provided in the manual included with your kit. Each wooden piece is clearly labeled for easy identification and assembly.

1. **Prepare Pieces:** Carefully pop out all wooden pieces from their sheets. Use the provided sandpaper to gently smooth any rough edges if necessary.
2. **Identify Components:** Refer to the instruction manual to identify each piece by its label (e.g., A1, B2, C3).
3. **Assemble Flower Petals:** Begin by assembling the individual flower petals according to the diagrams. Ensure pieces fit snugly.
4. **Construct Stem and Leaves:** Assemble the stem and leaf components, paying attention to the orientation and connection points.
5. **Build the Base:** Construct the cardboard base, inserting the internal wooden support pieces for stability.
6. **Combine Components:** Attach the assembled flower and stem to the base. The stems are designed to be adjustable, allowing for customization of the flower's height and angle.
7. **Add Decorative Elements:** Place the small insect-shaped greeting cards or other decorative elements into the base as desired.

6. MAINTENANCE

To ensure the longevity and appearance of your wooden flower:

- **Cleaning:** Gently dust the flower with a soft, dry cloth. Avoid using water or chemical cleaners.
- **Placement:** Keep the assembled flower away from direct sunlight and sources of moisture to prevent warping or fading of the wood.
- **Handling:** While sturdy, the pieces are delicate. Handle with care to avoid accidental breakage.

7. TROUBLESHOOTING

Encountering issues during assembly or with your finished product?

- **Broken Pieces:** The wooden pieces are delicate. If a piece breaks during assembly, a small amount of superglue can be used to repair it. The kit often includes extra pieces for common break points.
- **Loose Connections:** Ensure all pieces are firmly pressed into place. If a connection feels loose, a tiny drop of wood glue can secure it, though it is generally not required.
- **Missing Pieces:** If you find any essential pieces missing from your kit, please contact rowood customer support for assistance.
