Uocub SPL-FLL001

Uocub 57-Inch Smart RGB LED Corner Floor Lamp User Manual

Model: SPL-FLL001 | Brand: Uocub

Introduction

This manual provides essential information for the safe and efficient operation of your Uocub 57-Inch Smart RGB LED Corner Floor Lamp. This product features dynamic lighting effects with 16 million color options, 68+ dynamic modes, and over 300 light modes. Control is available via a mobile application, remote control, or the integrated control box. The lamp also includes music synchronization and a timing function for enhanced user experience.

What's in the Box

Please verify that all components are present before beginning assembly:

- 2 x Floor Lamp (consisting of multiple sections)

- 2 x User Manual
- 2 x Power Adapter
- 2 x Remote Control

Setup Instructions

Follow these steps to assemble your Uocub Corner Floor Lamp:

1. **Remove Screw Cap:** Locate the base of the lamp and remove the protective screw cap.
2. **Attach First Tube:** Screw the first lamp tube section securely into the base.
3. **Connect Remaining Tubes:** Plug in the remaining lamp tube sections one by one, ensuring each connection is firm.
4. **Connect Power:** Plug the power adapter into the lamp's control box, then into a suitable power outlet.

Note: If disassembly is required, use a screwdriver to gently press the locking buckle on each tube connection before separating.

Operating Instructions

Your Uocub Corner Floor Lamp offers multiple control methods:

1. Mobile App Control

Download the designated mobile application (refer to the included user manual for app name and QR code). Connect your lamp via Bluetooth to access advanced features:

- **Color Selection:** Choose from 16 million colors.
- **Dynamic Modes:** Select from 68+ dynamic lighting modes and over 300 light effects.
- **Brightness & Speed:** Adjust the intensity and speed of light effects.
- **DIY Modes:** Create and save your custom lighting patterns.
- **Music Sync:** Activate the music synchronization feature.
- **Timing Function:** Schedule automatic on/off times.

2. Remote Control

Use the included remote control for convenient access to basic functions:

- Power On/Off
- Static Color Selection

- Dynamic Mode Selection
- Brightness Adjustment
- Speed Adjustment

3. Control Box

The integrated control box on the lamp provides basic power and mode cycling functionality.

- **Timing Function:** Set schedules for the lamp to automatically turn on or off, providing convenience and energy efficiency. This can also function as a night light.

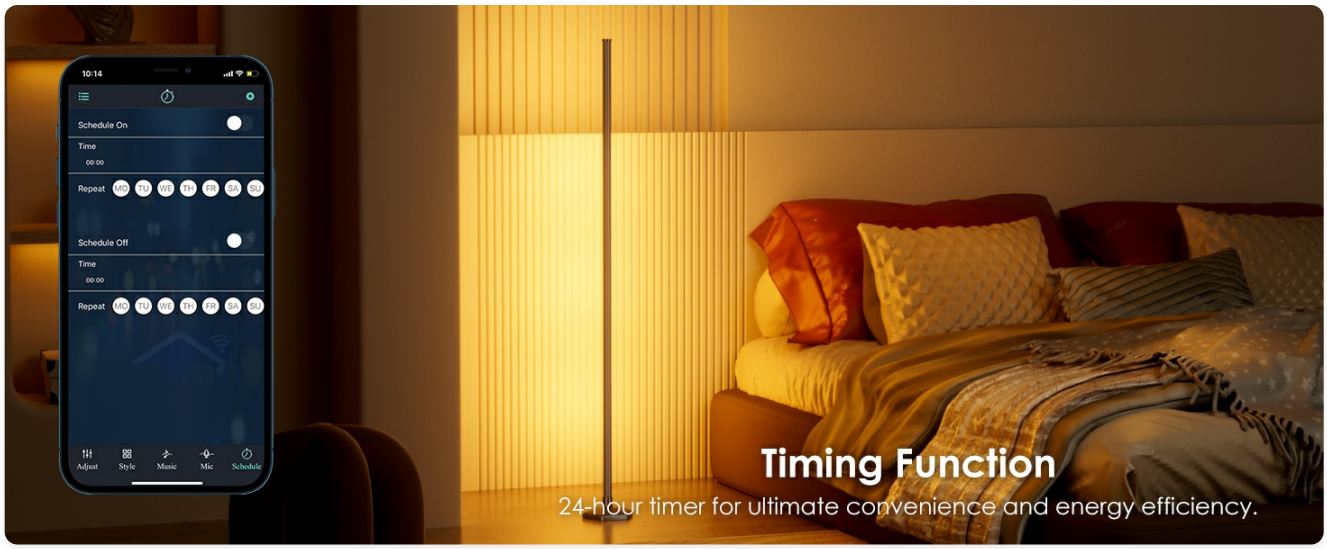

Image: A smartphone screen displaying the timing function interface within the app, allowing users to schedule the lamp's operation for convenience and energy saving.

- **Height Adjustable & Stable Design:** The lamp is designed with 4 removable sections for adjustable height and easy assembly. It features an aluminum alloy shell and a heavy metal octagonal base for stability and space-saving placement.

Maintenance

To ensure the longevity and optimal performance of your Uocub Corner Floor Lamp, follow these maintenance guidelines:

- **Cleaning:** Always unplug the lamp before cleaning. Use a soft, dry cloth to wipe the lamp body and base. Avoid using abrasive cleaners, solvents, or excessive moisture, as these can damage the finish or electronic components.
- **Placement:** Place the lamp on a stable, flat surface to prevent tipping. Ensure it is not exposed to direct sunlight, high temperatures, or high humidity, which can affect its performance and lifespan.
- **Storage:** If storing the lamp for an extended period, disassemble it carefully (refer to setup instructions for disassembly note) and store it in its original packaging in a dry, cool place.

Troubleshooting

If you encounter issues with your Uocub Corner Floor Lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply; remote battery depleted.	Check if the power adapter is securely plugged into the lamp and wall outlet. Replace remote control batteries.
App cannot connect to the lamp.	Bluetooth is off; lamp is out of range; app not paired.	Ensure Bluetooth is enabled on your device. Move closer to the lamp. Re-pair the lamp within the app settings.
Colors or modes are not changing.	Remote/app signal interference; incorrect mode selected.	Ensure clear line of sight for the remote. Verify the correct mode or color is selected in the app or remote.
Music sync is not responsive.	Microphone obstructed; low music volume; app settings.	Ensure the lamp's microphone is not covered. Increase music volume. Check music sync sensitivity settings in the app.

If the problem persists after attempting these solutions, please contact customer support.

Specifications

Specification	Detail
Model Number	SPL-FLL001
Product Dimensions (D x W x H)	7.87"D x 7.87"W x 57.09"H
