4. SETUP GUIDE

4.1 Initial Charging

Before first use, fully charge your tablet. Connect the provided USB cable to the tablet's charging port and the other end to a compatible USB power adapter (not included). The battery indicator will show charging status. A full charge typically takes several hours.

4.2 Power On/Off

- **To Power On:** Press and hold the Power button until the COLORROOM logo appears.
- **To Power Off:** Press and hold the Power button until the power options menu appears, then select "Power off".

- **To Restart:** Press and hold the Power button until the power options menu appears, then select "Restart".

4.3 Initial Setup Wizard

Upon first power-on, the tablet will guide you through the initial setup process. Follow the on-screen prompts to:

1. Select your language.
2. Connect to a Wi-Fi network.
3. Sign in with your Google account or create a new one.
4. Set up Face Unlock and other security features.
5. Review and accept terms and conditions.

5. OPERATING YOUR TABLET

5.1 Android 14 Interface

Your tablet runs on Android 14, offering an intuitive and enhanced user experience. Navigate using gestures or on-screen buttons. Swipe down from the top for quick settings and notifications. Swipe up from the bottom to access the app drawer.

5.2 Display and Eye Protection

The 11-inch HD display features anti-blue light technology and automatic brightness adjustment to protect your eyesight. You can adjust display settings (brightness, dark theme, night light) in the Settings app under "Display".

11" Max Display

11inch Bigger than Bigger Anti-blue Display Astonishing performance. Incredibly advanced displays

Eye-protection Display

Figure 5.1: Visual representation of the tablet's 11.0-inch display, highlighting its fully laminated, 1280x800 HD resolution, and eye-protection features.

5.3 Face Unlock

For convenient and secure access, set up Face Unlock. Go to **Settings > Security & privacy > Device unlock > Face Unlock** and follow the instructions to register your face. Ensure good lighting conditions for optimal performance.

5.4 Storage and Expansion

Your tablet comes with 128GB of internal storage. If you need more space, you can expand it up to 1TB using a MicroSD card (sold separately). Insert the MicroSD card into the designated slot on the tablet.

Storage & Expansion 1TB

The tablet has 12GB(6GB+6GB) RAM + 128GB ROM storage space
and you can also add an SD card to expand the memory to 1TB
The large storage space allows you to never worry about insufficient memory

Figure 5.2: Diagram illustrating the tablet's 12GB (6GB+6GB) RAM and 128GB ROM storage, with an emphasis on its expandability up to 1TB via an SD card, allowing ample space for media and applications.

5.5 Battery Management

The 8000mAh battery provides extended usage. To maximize battery life:

- Adjust screen brightness.
- Disable Wi-Fi and Bluetooth when not in use.
- Close unused applications.
- Utilize battery saver mode in Settings.

8000mAh Large & Powerful

All while enjoying all-day battery life.

5.6 Parental Control

The Android 14 system includes parental control features to help manage screen time and content access for children. Access these settings through the system settings to create profiles and set restrictions.

6. MAINTENANCE

6.1 Cleaning

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials that could damage the surface.

6.2 Software Updates

Regularly check for and install system updates to ensure your tablet has the latest features, security patches, and performance improvements. Go to **Settings > System > System update**

6.3 Storage Management

Periodically review your installed apps and files. Uninstall unused apps and delete unnecessary files to free up storage space and maintain optimal performance. You can manage storage in **Settings > Storage**.

7. TROUBLESHOOTING

Problem	Possible Solution
Tablet does not power on.	Ensure the tablet is fully charged. Press and hold the Power button for at least 10 seconds.
Cannot connect to Wi-Fi.	Check if Wi-Fi is enabled in settings. Restart your router and the tablet. Ensure you are entering the correct password.
Tablet is slow or unresponsive.	Close unused apps. Clear cache. Restart the tablet. Check for system updates.
Face Unlock not working.	Ensure good lighting. Make sure your face is clearly visible to the front camera. Re-register your face if necessary.
Battery drains quickly.	Reduce screen brightness. Disable background app refresh. Turn off Wi-Fi/Bluetooth when not in use.

Submit question

Answered questions about this manual

How can I unlock my COLORROOM C5 tablet if my child set a password that they cannot remember and I am unable to access the reset menu?

If you have forgotten the password or PIN for your COLORROOM C5 tablet and cannot access the settings, you will need to perform a factory reset. Please note that this will erase all data...
