

Ambimall Z5V8W3

Ambimall Floor Lamp with Remote Control

Model: Z5V8W3 | User Manual

INTRODUCTION

This manual provides essential information for the safe and efficient use of your Ambimall Floor Lamp (Model Z5V8W3). This dimmable standing lamp features adjustable color temperature, remote control operation, and a convenient foot switch. Please read these instructions thoroughly before assembly and operation.

SAFETY INSTRUCTIONS

- Read all instructions carefully before assembly and use.
- This product is designed for **indoor use only**. Do not use outdoors or in wet conditions.
- Ensure the power supply is disconnected before installing, cleaning, or performing any maintenance.
- Use only an E26 base, 9W LED bulb or equivalent. Using an incorrect bulb type or wattage may damage the lamp or pose a fire hazard.
- Do not attempt to modify or disassemble the lamp beyond the instructions provided.
- Keep the remote control away from water and extreme temperatures.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Lamp Pole Sections (multiple)
- Lamp Base
- Lampshade (rolled)
- Remote Control
- E26 LED Bulb (9W)

SETUP AND ASSEMBLY

No tools are required for assembly.

1. Carefully unpackage all components.
2. Twist the lamp pole sections together clockwise until securely connected.
3. Insert the assembled lamp pole into the lamp base and twist clockwise to secure.
4. Unroll the lampshade and wrap it around the wire frame at the top of the lamp pole. Secure the lampshade edges using the integrated Velcro strip.
5. Screw the provided E26 LED bulb into the lamp socket.
6. Place the lamp in your desired indoor location and plug the power cord into a standard 110V electrical outlet.

OPERATING INSTRUCTIONS

Your Ambimall Floor Lamp can be operated using the remote control or the integrated foot switch.

Foot Switch Operation

- Press the foot switch once to turn the lamp ON.
- Press the foot switch again to turn the lamp OFF.
- **Note:** For remote control functionality, ensure the foot switch is in the ON position.

Remote Control Operation

The remote control allows for comprehensive adjustment of the lamp's settings. The included 9W bulb is pre-paired with the remote control.

- **Power Button:** Press to turn the lamp ON or OFF.
- **Brightness Adjustment (10-100%):** Use the '+' and '-' buttons to steplessly increase or decrease the brightness.
- **Color Temperature Adjustment (3000K-6000K):**
 - **3000K (Warm White):** Ideal for relaxation.
 - **5000K (Natural White/Daylight White):** Suitable for reading or working.
 - **6000K (Cool White):** Provides high brightness for focused tasks.
- **1-Hour Timer:** Activate the timer function to automatically turn off the lamp after one hour. This is useful for bedtime.
- **Memory Function:** The lamp automatically remembers your last brightness and color temperature settings when turned off and restores them when turned back on.
- **Remote Placement:** The remote control is magnetic and can be conveniently attached to the lamp pole or any metal surface to prevent loss.
